No. 333-259203), 1,000,000 Series A-1 Preferred Units to PNC Community Development Company, LLC (the “Investor”), resulting in \$10,000,000 in aggregate proceeds to the Partnership. The issuance of the Series A-1 Preferred Units was effected pursuant to a subscription agreement entered into between the Partnership and the Investor dated as of June 2, 2023 (the “Subscription Agreement”). The Partnership will use the proceeds received under the Subscription Agreement to acquire mortgage revenue bonds that are issued by state and local housing authorities to provide construction and/or permanent financing for affordable multifamily, student housing, senior citizen and commercial properties. In addition, the Partnership will use the proceeds to acquire other allowable investments as provided for in the Partnership’s Second Amended and Restated Agreement of Limited Partnership dated as of December 5, 2022.

For a description of the preferences, rights, restrictions, and limitations of the Series A-1 Preferred Units, please see the section captioned “Description of the Series A-1 Preferred Units” set forth in the prospectus dated April 15, 2022 filed with the Securities and Exchange Commission, which is made a part of the Partnership’s Form S-3 (Reg. The Subscription Agreement contains customary representations and warranties made by the Investor with respect to matters such as investor information, investment intent, liquidity, no governmental approvals, availability of information, independent evaluation of investment, sophistication of investor, no public market for securities, organization and authority and investor status, tax consequences of investment, anti-money laundering provisions, and no resale registration rights. Forward-Looking Statements

Certain statements in this report are intended to be covered by the safe harbor for “forward-looking statements” provided by the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally can be identified by use of statements that include, but are not limited to, phrases such as “believe,” “expect,” “future,” “anticipate,” “intend,” “plan,” “foresee,” “may,” “should,” “will,” “estimates,” “potential,” “continue,” or other similar words or phrases. Similarly, statements that describe objectives, plans, or goals also are forward-looking statements. Such forward-looking statements involve inherent risks and uncertainties, many of which are difficult to predict and are generally beyond the control of the Partnership. The Partnership cautions readers that a number of important factors could cause actual results to differ materially from those expressed in, implied, or projected by such forward-looking statements. Risks and uncertainties include, but are not limited to: defaults on the mortgage loans securing our mortgage revenue bonds and governmental issuer loans; the competitive environment in which the Partnership operates; risks associated with investing in multifamily, student, senior citizen residential properties and commercial properties; general economic, geopolitical, and financial conditions, including the current and future impact of changing interest rates, inflation, and international conflicts, on business operations, employment, and financial conditions; current financial conditions within the banking industry, including the effects of recent failures of financial institutions, liquidity levels, and responses by the Federal Reserve, Department of the Treasury, and the Federal Deposit Insurance Corporation to address these issues; uncertain conditions within the domestic and international macroeconomic environment, including monetary and fiscal policy and conditions in the investment, credit, interest rate, and derivatives markets; adverse reactions in U.S. financial markets related to actions of foreign central banks or the economic performance of foreign economies, including in particular China, Japan, the European Union, and the United Kingdom; the general condition of the real estate markets in the regions in which we operate, which may be unfavorably impacted by increases in mortgage interest rates, slowing economic growth, persistent elevated inflation levels, and other factors; changes in interest rates and credit spreads, as well as the success of any hedging strategies the Partnership may undertake in relation to such changes, and the effect such changes may have on the relative spreads between the yield on investments and cost of financing; persistent inflationary trends, spurred by multiple factors including expansionary monetary and fiscal policy, higher commodity prices, a tight labor market, and low residential vacancy rates, which may result in further interest rate increases and lead to increased market volatility; the Partnership’s ability to access debt and equity capital to finance its assets; current maturities of the Partnership’s financing arrangements and the Partnership’s ability to renew or refinance such financing arrangements; exercising of redemption rights by the holders of the Series A Preferred Units; local, regional, national and international economic and credit market conditions; recapture of previously issued Low Income Housing Tax Credits in accordance with Section 42 of the Internal Revenue Code; geographic concentration of properties related to investments held by the Partnership; changes in the U.S. corporate tax code and other government regulations affecting the Partnership’s business; and the other risks detailed in the Partnership’s SEC filings (including but not limited to, the Partnership’s Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K). Readers are urged to consider these factors carefully in evaluating the forward-looking statements.

If any of these risks or uncertainties materializes or if any of the assumptions underlying such forward-looking statements proves to be incorrect, the developments and future events concerning the Partnership set forth in this report may differ materially from those expressed or implied by these forward-looking statements. You are cautioned not to place undue reliance on these statements, which speak only as of the date of this document. 402-952-1235**Greystone Housing Impact Investors LP Issues
1,000,000 Series A-1 Preferred Units**

Omaha, Nebraska – Greystone Housing Impact Investors LP (NYSE: GHI) (“the Partnership”) announced today that on June 2, 2023 the Partnership executed a Subscription Agreement to issue 1,000,000 Series A-1 Preferred Units representing limited partnership interests in the Partnership (the “Series A-1 Preferred Units”) to a financial institution, resulting in \$10,000,000 in new aggregate proceeds to the Partnership. The stated value of the newly issued Series A-1 Preferred Units is \$10,000,000. The Series A-1 Preferred Units were issued in accordance with the Partnership’s existing “shelf” registration statement on Form S-3 (Reg. No. 333-259203) for the issuance of up to 3,500,000 of Series A-1 Preferred Units.

The Series A-1 Preferred Units are a non-cumulative, non-convertible, and non-voting class of limited partnership interests in the Partnership for which the holder has an option to have the units redeemed on the sixth anniversary of the acquisition date and each subsequent anniversary thereafter. The transaction provides the Partnership with \$10.0 million of new low-cost capital. The earliest potential redemption date for the newly issued Series A-1 Preferred Units is June 2029, with certain exceptions.

“We are encouraged by the additional investment in our Series A-1 Preferred Units, which provides non-dilutive, fixed-rate and low cost institutional capital to execute on our strategy for the benefit of our unitholders,” said Kenneth C. Rogozinski, Chief Executive Officer of the Partnership. “We are pleased that another one of our original Series A Preferred Unit investors increased their commitment to the Partnership through the purchase of new Series A-1 Preferred Units. This transaction also underscores the Partnership’s ability to bolster its liquidity position in a cost-effective fashion despite a rising interest rate environment.”

About Greystone Housing Impact Investors LP

Greystone Housing Impact Investors LP was formed in 1998 under the Delaware Revised Uniform Limited Partnership Act for the primary purpose of acquiring, holding, selling and otherwise dealing with a portfolio of mortgage revenue bonds which have been issued to provide construction and/or permanent financing for affordable multifamily, seniors and student housing properties. The Partnership is pursuing a business strategy of acquiring additional mortgage revenue bonds and other investments on a leveraged basis. The Partnership expects and believes the interest earned on these mortgage revenue bonds is excludable from gross income for federal income tax purposes. The Partnership seeks to achieve its investment growth strategy by investing in additional mortgage revenue bonds and other investments as permitted by its Second Amended and Restated Limited Partnership Agreement, dated December 5, 2022, taking advantage of attractive financing structures available in the securities market, and entering into interest rate risk management instruments.
