ABOUT GREYSTONE HOUSING IMPACT INVESTORS LP

Our Business

The Partnership was formed in 1998 for the primary purpose of acquiring a portfolio of MRBs that are issued by state and local housing authorities to provide construction and/or permanent financing for affordable multifamily housing, seniors housing and commercial properties. The Partnership has also invested in GILs, which, similar to MRBs, provide financing for affordable multifamily properties. We expect and believe the interest received on our MRBs and GILs is excludable from gross income for federal income tax purposes. We also invest in other types of securities that may or may not be secured by real estate and may make property loans to multifamily properties which may or may not be financed by MRBs or GILs held by us and may or may not be secured by real estate.

The Partnership also makes JV Equity Investments for the construction, stabilization, and ultimate sale of market-rate multifamily and seniors housing properties. The Partnership is entitled to distributions if, and when, cash is available for distribution either through operations, a refinance, or a sale of the property. The Partnership previously held interests in market-rate multifamily MF Properties. The Partnership sold its last remaining MF Property investment in December 2023.

The conduct of the Partnership's business and affairs is governed by the Partnership Agreement. Our sole general partner is the General Partner. The general partner of our General Partner is Greystone Manager, which is an affiliate of Greystone. Greystone is a real estate lending, investment, and advisory company with an established reputation as a leader in multifamily and healthcare finance, having ranked as a top FHA, Fannie Mae, and Freddie Mac lender in these sectors.

The Partnership has issued BUCs representing assigned limited partnership interests to BUC Holders. Our BUCs are traded on the NYSE under the symbol "GHI." The Partnership has designated three series of non-cumulative, non-voting, non-convertible preferred units that represent limited partnership interests in the Partnership consisting of the Series A, Series A-1, and Series B Preferred Units. The Partnership does not intend to issue additional Series A Preferred Units in the future. Our Unitholders will incur tax liability if any interest earned on our MRBs or GILs is determined to be taxable, for gains related to our MRBs or GILs and for income and gains related to our taxable investments such as our investments in unconsolidated entities and property loans. We are a partnership for federal income tax purposes. This means that we do not pay federal income taxes on our income. Instead, all of our profits and losses are allocated to our partners, including the holders of BUCs, under the terms of our Partnership Agreement. See "*Material U.S. Federal Income Tax Considerations*" beginning on page 36.

Our initial limited partner, which has the obligation to perform certain actions on behalf of the BUC Holders under the Partnership Agreement, is Greystone ILP, Inc., a Delaware corporation. The BUCs represent assignments by the initial limited partner of its rights and obligations as a limited partner to outside third party investors.

The Partnership has been in operation since 1998 and will continue in existence until dissolved in accordance with the terms of the Partnership Agreement. Our principal executive office is located at 14301 FNB Parkway, Suite 211, Omaha, NE, 68154, and our telephone number is (402) 952-1235.

We maintain a website at www.ghiinvestors.com, where certain information about us is available. The information found on, or accessible through, our website is not incorporated into, and does not form a part of, this prospectus or any other report or document we file with or furnish to the SEC. For additional information about our business, properties, and financial condition, please refer to the documents cited in "*Where You Can Find More Information*."

Business Objectives and Strategy

Investment Strategy

Our primary business objective is to manage our portfolio of investments to achieve the following:

- Generate attractive, risk-adjusted total returns for our Unitholders;
- Create streams of recurring income to support regular distributions to Unitholders;
- Pass through tax-advantaged income to Unitholders;
- Generate income from capital gains on asset dispositions;
- Use leverage effectively to increase returns on our investments; and
- Preserve and protect Partnership assets.

We are pursuing a strategy of acquiring additional MRBs, GILs and other investments on a leveraged basis to achieve our objective, as permitted by our Partnership Agreement. In allocating our capital and executing our strategy, we seek to balance the risks of owning specific investments with the earnings opportunity on the investment.

The Partnership believes there continues to be significant unmet demand for affordable multifamily and seniors residential housing in the United States. Government programs that provide direct rental support to residents have not kept up with demand. Therefore, investment programs that promote private sector development and support for affordable housing through MRBs, GILs, tax credits and grant funding to developers, have become more prominent. The types of MRBs and GILs in which we invest offer developers of affordable multifamily housing a low-cost source of construction and/or permanent debt financing. We plan to continue investing in additional MRBs and GILs issued to finance affordable multifamily and seniors residential rental housing properties.

We continue to evaluate opportunities for MRB investments to fund seniors housing properties and/or skilled nursing properties issued as private activity or 501(c)(3) bonds similar in legal structure to those issued for traditional affordable multifamily housing properties. We will continue to leverage the expertise of Greystone and its affiliates and other reputable third parties in evaluating independent living, assisted living, memory care and skilled nursing properties prior to our MRB acquisitions. To date, we acquired an MRB secured by a to-be-constructed seniors housing property in Michigan, and an MRB secured by an operating skilled nursing facility in New Jersey.

We continually assess opportunities to expand and/or reposition our existing portfolio of MRBs, GILs and other investments. Our principal objective is to improve the quality and performance of our portfolio of MRBs, GILs and other investments with the intent to ultimately increase the amount of cash available for distribution to our Unitholders. In certain circumstances, we may allow the borrowers of our MRBs to redeem the MRBs prior to the final maturity date. Such MRB redemptions will usually require a sale or refinancing of the underlying property. We may also elect to sell MRBs that have experienced significant appreciation in value. In other cases, we may elect to sell MRBs on properties that are in stagnant or declining real estate markets. The proceeds received from these transactions would be redeployed into other investments consistent with our investment objectives. We anticipate holding our GILs until maturity as the terms are typically for two to four years and have defined forward purchase commitments from Freddie Mac.

We also continue to make additional strategic JV Equity Investments for the development of market-rate multifamily and seniors residential properties, through noncontrolling membership interests. We currently have investments with four different joint venture partners. We believe the diversity of joint venture sponsors, geographic markets, and property types reduces risks from concentration while also providing attractive risk-adjusted returns for our Unitholders.

Financing Strategy

We finance our assets with what we believe to be a prudent amount of leverage, the level of which varies from time to time based upon the characteristics of our investment portfolio, availability of financing, cost of financing, and market conditions. This leverage strategy allows us to generate enhanced returns and lowers our net capital investment, allowing us to make additional investments. We currently obtain leverage on our investments and assets through various sources that include:

- Our secured line of credit facilities;
- TEBS Financings with Freddie Mac;
- TOB securitizations with Mizuho and Barclays; and
- Securitization transactions such as the TEBS Residual Financing and 2024 PFA Securitization Transaction through governmental issuers.

We may utilize other types of secured or unsecured borrowings in the future, including more complex financing structures and diversification of our leverage sources and counterparties.

We refer to our TEBS Financings, TOBs, term TOB, 2024 PFA Securitization Transaction and TEBS Residual Financing securitizations as our debt financings. These debt financing securitizations are accounted for as consolidated VIEs for reporting purposes. These arrangements are structured such that we transfer our investment assets to an entity, such as a trust or special purpose entity, which then issues senior securities and residual interests. The senior securities are sold to third-party investors in exchange for proceeds which are considered debt of the Partnership. We retain the residual interests which entitle us to certain rights to the investment assets and to residual cash proceeds. We generally structure our debt financings such that principal, interest, and any trust expenses are payable from the cash flows of the secured investment assets, and we are generally entitled to all residual cash flows for our general use. As the residual interest holder, we may be required to make certain payments or contribute certain assets to the VIEs if certain events occur. Such events include, but are not limited to, a downgrade in the investment rating of the senior securities issued by the VIEs, a ratings downgrade of the liquidity provider for the VIEs, increases in short term interest rates beyond pre-set maximums, an inability to re-market the senior securities or an inability to obtain liquidity support for the senior securities. If such an event occurs in an individual VIE, we may be required to deleverage the VIE by repurchasing some or all of the senior securities. Otherwise, the secured investment asset(s) will be sold and we will be required to fund any shortfall in funds available to pay the principal amount of the senior securities after payment of accrued interest and other trust expenses. If we do not fund the shortfall, default and liquidation provisions will be invoked against us. The TEBS financings, 2024 PFA Securitization Transaction, and TEBS Residual Financing are non-recourse to the Partnership such that our shortfall funding for each financing is limited to the stated amount of our residual interests. The TOB trust financings are recourse obligations of the Partnership.

The TOB trusts with Mizuho and Barclays are subject to respective ISDA master agreements with each counterparty that contain certain covenants and requirements. When we execute a TOB trust financing, we retain a residual interest that is pledged as our initial collateral under the ISDA master agreement based on the market value of the investment asset(s) at the time of initial closing. The counterparties require that our residual interests in each TOB trust maintain a certain value in relation to total asset(s) in each TOB trust. In addition, we are required to post collateral, typically cash, if the net aggregate valuation of our residual interests and derivative hedging positions with each counterparty fall below certain thresholds.

The Mizuho and Barclays ISDA master agreements contain covenants that require the Partnership's partners' capital, as defined, to maintain a certain threshold and that the BUCs remain listed on a national securities exchange. The ISDA master agreement with Barclays also requires that the Partnership's Leverage Ratio (as defined by the Partnership below) remain below a certain threshold. In addition, both the Mizuho and Barclays ISDA master agreements have cross-default provisions whereby default(s) on the Partnership's other senior debts above a

specified dollar amount, in the aggregate, will constitute a default under the ISDA master agreements. If the Partnership is not in compliance with any of these covenants, a termination event of the financing facilities would be triggered.

The willingness of leverage providers to extend financing is dependent on various factors such as their underwriting standards, regulatory requirements, available lending capacity, and existing credit exposure to the Partnership. An inability to access debt financing at an acceptable cost may result in adverse effects on our financial condition and results of operations. There can be no assurance that we will be able to finance additional acquisitions of MRBs, GILs and other investments through additional debt financing.

We set target constraints for each type of debt financing utilized. Those constraints are dependent upon several factors, including the characteristics of the investment assets being leveraged, the tenor of the leverage program, whether the financing is subject to mark-to-market collateral posting requirements, and the liquidity and marketability of the financed assets. The Board of Managers has established an overall maximum Leverage Ratio of 80% and retains the right to change the Leverage Ratio in the future based on the consideration of factors the Board of Managers considers relevant. We calculate our Leverage Ratio as total outstanding debt divided by total assets using cost (adjusted for paydowns) for MRBs, GILs, property loans, taxable MRBs and taxable GILs, and initial cost for deferred financing costs and real estate assets. As of June 30, 2025, our overall Leverage Ratio was approximately 74%.

Hedging Strategy

We actively manage both our portfolio of fixed and variable rate debt financings and our exposure to changes in market interest rates. When possible, we attempt to obtain fixed-rate debt financing for our fixed-rate investment assets such that our net interest spread is not exposed to changes in market interest rates. Similarly, we attempt to obtain variable-rate debt financing for our variable-rate investment assets such that we are largely hedged against rising interest rates without the need for separate hedging instruments.

We leverage certain fixed-rate investment assets with variable-rate debt financings, primarily with our TOB trust financings. When deemed appropriate, we will enter into derivative based hedging transactions in connection with our risk management activities for these assets to hedge against rising interest rates, which may include interest rate caps, interest rate swaps, total return swaps, swaptions, futures, options or other available hedging instruments. As of June 30, 2025, we had interest rate swap positions with notional amounts totaling \$303.4 million.

Reportable Segments

As of June 30, 2025, we had four reportable segments: (1) Affordable Multifamily Investments, (2) Seniors and Skilled Nursing Investments, (3) Market-Rate Joint Venture Investment, and (4) MF Properties. The Partnership separately reports its consolidation and elimination information because it does not allocate certain items to the segments.

Investment Types

Mortgage Revenue Bonds

We invest in MRBs that are issued by state and local governments, their agencies, and authorities to finance the construction or acquisition and rehabilitation of income-producing multifamily and seniors rental properties and skilled nursing facilities. An MRB does not constitute an obligation of any state or local government, agency or authority and no state or local government, agency or authority is liable on them, nor is the taxing power of any state or local government pledged to the payment of principal or interest on an MRB. An MRB is a non-recourse obligation of the property owner. Each MRB is collateralized by a mortgage on all real and personal property of the secured property, which it may share with a corresponding taxable MRB owned by the Partnership. Typically, the sole source of the funds to pay principal and interest on an MRB is the net cash flow or the sale or refinancing proceeds from the secured property. We may commit to provide funding for MRBs on a draw-down basis during

construction and/or rehabilitation of the secured property, and we typically require recourse to the borrower during the construction or rehabilitation period.

We expect and believe that the interest received on our MRBs is excludable from gross income for federal income tax purposes. We primarily invest in MRBs that are senior obligations of the secured properties, though we may also invest in subordinate and/or taxable MRBs. Our MRBs predominantly bear interest at fixed interest rates and require regular principal and interest payments on a monthly basis. The majority of our MRBs have initial contractual terms of 15 years or more. Some MRBs have optional call dates that may be exercised by the borrower which may be at either par or a premium to par. Some MRBs have optional repurchase dates whereby we can require redemption prior to the contractual maturity, typically at par.

Our MRBs are either owned directly by us or are held in trusts created in connection with debt financing transactions that are consolidated VIEs. The following table summarizes our MRB investments as of June 30, 2025:

	Total MRBs	Total Properties	Total Units	Total States	Aggregate Outstanding Principal	Outstanding Funding Commitments
MRB investments	85	70 ⁽¹⁾	11,004	13	\$ 998,110,847	\$ 10,450,000

⁽¹⁾ Properties secured by our MRB investments consist of 68 multifamily properties, one seniors housing property, and one skilled nursing facility.

The four types of MRBs which we may acquire as investments are as follows:

- Private activity bonds issued under Section 142(d) of the IRC;
- Bonds issued under Section 145 of the IRC on behalf of not-for-profit entities qualified under Section 501(c)(3) of the IRC;
- Essential function bonds issued by a public instrumentality to finance a multifamily residential property owned by such public instrumentality; and
- Existing “80/20 bonds” that were issued under Section 103(b)(4)(A) of the IRC.

Each of these structures permit the issuance of MRBs under the IRC to finance the construction or acquisition and rehabilitation of affordable rental housing or other not-for-profit commercial property. Under applicable Treasury Regulations, any affordable multifamily or seniors residential project financed with tax-exempt MRBs (other than essential function bonds as described in the third bullet above) must set aside a percentage of its total rental units for occupancy by tenants whose incomes do not exceed stated percentages of the median income in the local area. Those rental units of the multifamily residential project not subject to tenant income restrictions may be rented at market rates (unless there are restrictions otherwise imposed by the bond issuer or a governmental entity). With respect to private activity bonds issued under Section 142(d) of the IRC, the owner of the residential project may elect, at the time the MRBs are issued, whether to set aside a minimum of 20% of the units for tenants making less than 50% of area median income (as adjusted for household size) or 40% of the units for tenants making less than 60% of the area median income (as adjusted for household size). State and local housing authorities may require additional tenant income or rent restrictions that are more restrictive than those minimum levels required by Treasury Regulations. There are no Treasury Regulations related to MRBs that are secured by a commercial property owned by a non-profit borrower.

The borrowers associated with our MRBs are either syndicated partnerships formed to receive allocations of LIHTCs, for-profit entities that have obtained non-LIHTC private activity bonds, or not-for-profit entities. We do not directly or indirectly invest in LIHTCs. We do invest in MRBs that are issued in association with federal LIHTC allocations because such MRBs bear interest that we expect and believe is exempt from federal income taxes. LIHTC-eligible projects are attractive to developers of affordable housing because it helps them raise equity and debt financing. Under the LIHTC program, developers that receive an allocation of private activity bonds will also receive an allocation of federal LIHTCs as a method to encourage the development of affordable multifamily

housing. To be eligible for federal LIHTCs, a property must either be newly constructed or substantially rehabilitated, and therefore, may be less likely to become functionally obsolete in the near term as compared to an older property. There are various requirements to be eligible for federal LIHTCs, including rent and tenant income restrictions, which vary by property. Projects owned by for-profit entities that have obtained non-LIHTC private activity bonds are typically subject to rent and/or tenant income restrictions similar to LIHTC-associated borrowers.

Our borrowers that are non-profit entities typically have missions to provide affordable multifamily rental units to underserved populations in their market areas. The affordable housing properties securing 501(c)(3) bonds also must comply with the IRS safe harbors for tenant incomes and rents.

The following table summarizes the amount of our MRB investments with LIHTC-associated borrowers, borrowers that have received non-LIHTC private activity bonds, and non-profit borrowers based on principal outstanding as of June 30, 2025:

Borrower Type	MRB Principal Outstanding	Percentage of all MRB Investments
LIHTC-associated borrowers	\$ 494,923,329	50%
Non-profit borrowers	444,337,518	45%
Non-LIHTC private activity bonds	58,850,000	5%
Totals	\$ 998,110,847	100%

We may also invest in taxable MRBs secured by the same properties as our MRBs. Interest earned on our taxable MRBs is taxable for federal income tax purposes. Our taxable MRBs may share senior mortgage interest in the property with the MRBs or may be subordinate to the MRBs. We owned 15 taxable MRBs with outstanding principal of \$36.1 million as of June 30, 2025.

Governmental Issuer Loans

We invest in GILs that are issued by state or local governmental authorities to finance the construction and/or rehabilitation of affordable multifamily and seniors residential properties. A GIL does not constitute an obligation of any government, agency or authority and no government, agency or authority is liable for them, nor is the taxing power of any government pledged to the payment of principal or interest on the GIL. Each GIL is secured by a mortgage on all real and personal property of the to-be-constructed affordable multifamily property. The GILs may share first mortgage lien positions with property loans and/or taxable GILs also owned by us. Sources of the funds to pay principal and interest on a GIL consist of the net cash flow of the secured property, proceeds from the sale or refinancing of the secured property, and limited-to-full payment guaranties provided by the borrower or its affiliates. We typically commit to fund our GIL investment commitments on a draw-down basis during construction.

We expect and believe the interest earned on our GILs is excludable from gross income for federal income tax purposes. The GILs are senior obligations of the secured properties and bear interest at variable or fixed interest rates. The GILs have initial terms of two to four years, though the borrower typically may prepay all amounts due at any time without penalty. At the closing of each GIL, Freddie Mac, through a servicer, forward commits to purchase the GIL at maturity at par if and when the property has reached stabilization and other conditions are met. Upon stabilization, the servicer will purchase our GIL at par and then immediately sell the GIL to Freddie Mac pursuant to a financing commitment between the servicer and Freddie Mac. As of June 30, 2025, the servicer for all of our GILs is an affiliate of Greystone.

Our GILs are held in trusts created in connection with debt financing transactions that are consolidated VIEs. The following table summarizes our GIL investments as of June 30, 2025:

	Total GILs	Total Properties	Total Units	Total States	Aggregate Outstanding Principal	Outstanding Funding Commitments
GIL investments	4	4	527	2	\$ 121,857,835	\$ -

Our GILs have been issued under Section 142(d) of the IRC and are subject to the same set aside and tenant income restrictions noted in the “Mortgage Revenue Bonds” description above. The borrowers associated with all our GILs are syndicated partnerships formed to receive allocations of LIHTCs.

We may also invest in taxable GILs secured by the same properties as our GILs. Interest earned on our taxable GILs is taxable for federal income tax purposes. Our taxable GILs share a senior mortgage interest in the property with the GILs. We owned three taxable GILs with outstanding principal of \$37.6 million as of June 30, 2025.

In October 2024, the Partnership entered into the Construction Lending JV to invest in loans to finance the construction and/or rehabilitation of affordable multifamily housing properties across the United States, similar to the Partnership’s current GIL, taxable GIL and property loan investments. The Partnership has committed to provide 10% of the total capital for the Construction Lending JV with the remainder funded by third-party investors with each party contributing their respective proportionate capital contributions upon funding of future investments. The Partnership’s maximum capital contribution to the Construction Lending JV is approximately \$15.0 million as of July 31, 2025. A wholly owned subsidiary of the Partnership is the Construction Lending JV’s managing member responsible for identifying, evaluating, underwriting, and closing investments, subject to the conditions of the joint venture and third-party investor evaluation and approval. The Partnership earns proportionate returns on its invested capital plus promote income if the joint venture meets certain earnings thresholds. The Partnership accounts for its investment in the Construction Lending JV using the equity method. The Partnership made its first capital contribution to the Construction Lending JV in April 2025. As of June 30, 2025, the Construction Lending JV held \$7.8 million in assets and the Partnership had contributed approximately \$271,000.

Property Loans

We also invest in property loans provided to the owners of certain multifamily, student housing and skilled nursing properties, or other borrowers. Multifamily residential properties financed with property loans may or may not be properties securing our MRB and GIL investments. Such property loans may be secured by property, other collateral, or may be unsecured. As of June 30, 2025, we owned two property loans related to MRB investments, and four property loans to other borrowers. The total outstanding principal of our property loans was approximately \$55.3 million as of June 30, 2025.

JV Equity Investments

We invest in non-controlling membership interests in unconsolidated entities for the construction of market-rate multifamily and seniors residential properties. Our JV Equity Investments are passive in nature. Operational oversight of each property is controlled by our joint venture partner according to the entity’s operating agreement. The properties are predominately managed by a property management company affiliated with our joint venture partner. Decisions regarding when to sell an individual property are made by our joint venture partner based on its view of the local market conditions and current leasing trends.

We account for our JV Equity Investments using the equity method and recognize a preferred return on our contributed equity during the hold period. Our preferred returns are paid from distributable cash flow before any distributions are made to our joint venture partners. The accrued preferred return for our JV Equity Investments held through our wholly owned subsidiary, ATAX Vantage Holdings, LLC, is guaranteed by an unrelated third-party through the fifth anniversary of construction commencement up to a certain dollar amount on an individual project basis.

Our membership interests entitle us to shares of certain cash flows generated by the JV Equity Investments from operations and upon the occurrence of certain capital transactions, such as a refinancing or sale. Upon the sale of a property, net proceeds will be distributed according to the entity’s operating agreement. Sales proceeds distributed to us that represent previously unrecognized preferred return and gain on sale are recognized as income upon receipt. Historically, the majority of our income from our JV Equity Investments has been recognized at the time of sale. As a result, we may experience significant income recognition for these investments in those quarters when a property is sold and our equity investment is redeemed.

As of June 30, 2025, we owned membership interests in 10 JV Equity Investments located in four states in the United States. Six of the 10 JV Equity Investments are located in Texas. In addition, one JV Equity Investment in San Marcos, Texas is reported as a consolidated VIE.

MF Properties

The Partnership has previously owned controlling interests in multifamily, student or senior citizen residential properties. The MF Properties were managed to optimize property values. The Partnership sold its last remaining MF Property investment in December 2023 and we do not have plans to acquire additional MF Properties.

General Investment Matters

Our investments are categorized as either Mortgage Investments, Tax Exempt Investments or Other Investments as defined in our Partnership Agreement. Mortgage Investments, as defined, consist of MRBs, taxable MRBs, GILs, taxable GILs and property loans to borrowers associated with our MRBs and GILs. Tax Exempt Investments, as defined, are securities other than Mortgage Investments, for which the related interest income is exempt from federal income taxation and must be rated in one of the four highest rating categories by a nationally recognized statistical rating organization. Other Investments, as defined, are generally all other investments that are not Mortgage Investments or Tax Exempt Investments. We may acquire additional Tax Exempt Investments and Other Investments provided that the acquisition may not cause the aggregate book value of all Tax Exempt Investments plus Other Investments to exceed 25% of our total assets at the time of acquisition. We own no Tax Exempt Investments as of June 30, 2025. Our Other Investments primarily consist of real estate assets, JV Equity Investments and certain property loans.

We rely on an exemption from registration under the Investment Company Act of 1940, which has certain restrictions on the types and amounts of securities owned by the Partnership.

Cash Distributions

We currently make quarterly cash distributions to our BUC Holders. The Partnership Agreement allows the General Partner to elect to make cash distributions on a more or less frequent basis, provided that distributions are made at least semi-annually. Regardless of the distribution period selected, cash distributions to BUC Holders must be made within 60 days of the end of each such period. The amount of any cash distribution is determined by the General Partner and depends on the amount of interest received on our MRBs, GILs and other investments, our financing costs which are affected by the interest rates we pay on our debt financing, the amount of cash held in our reserves, and other factors that the General Partner considers relevant. Most recently, we declared our regular third quarter 2025 distribution of \$0.30 per outstanding BUC that will be paid on October 31, 2025 to BUC Holders of record as of the closing of trading on September 30, 2025.

The holders of our Series A-1 Preferred Units are entitled to receive, when, as, and if declared by the General Partner out of funds legally available for the payment of distributions, non-cumulative cash distributions at the rate of 3.00% per annum of the \$10.00 per unit purchase price of the Series A-1 Preferred Units, payable quarterly. The Series A-1 Preferred Units rank senior to our BUCs and our Series B Preferred Units with respect to the payment of distributions and to any other class or series of Partnership interests or securities expressly designated as ranking junior to the Series A-1 Preferred Units, and junior to any other class or series of Partnership interests or securities expressly designated as ranking senior to the Series A-1 Preferred Units. Distributions declared on the Series A-1 Preferred Units are payable quarterly in arrears. There are 5,500,000 Series A-1 Preferred Units issued and outstanding as of the date of this prospectus.

The holders of our Series B Preferred Units are entitled to receive, when, as, and if declared by the General Partner out of funds legally available for the payment of distributions, non-cumulative cash distributions at the rate of 5.75% per annum of the \$10.00 per unit purchase price of the Series B Preferred Units, payable quarterly. The Series B Preferred Units rank senior to our BUCs with respect to the payment of distributions and to each other class or series of Partnership interests or other equity securities established after the original issue date of the Series B

Preferred Units that is not expressly designated as ranking senior to or on parity with the Series B Preferred Units as to the payment of distributions, and junior to the Series A-1 Preferred Units and to each other class or series of Partnership interests or other equity securities established after the original issue date of the Series B Preferred Units with terms expressly made senior to the Series B Preferred Units as to the payment of distributions. Distributions declared on the Series B Preferred Units are payable quarterly in arrears. There are 4,250,000 Series B Preferred Units issued and outstanding as of the date of this prospectus.

RISK FACTORS

An investment in our securities involves risks. Additionally, limited partner interests are inherently different from the capital stock of a corporation, although many of the business risks to which we are subject are similar to those that would be faced by a corporation engaged in similar businesses. You should carefully consider the risk factors and all of the other information included in, or incorporated by reference into, this prospectus or any prospectus supplement, including those included in our most recent Annual Report on Form 10-K and, if applicable, in our Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, in evaluating an investment in our securities. If any of these risks were to occur, our business, financial condition, or results of operations could be adversely affected. Any adverse effect on our business, financial condition, or operating results could result in a decline in the value of our securities and the loss of all or part of your investment. When we offer and sell any securities pursuant to a prospectus supplement, we may include additional risk factors relevant to such securities in the prospectus supplement. Also, please read “*Cautionary Note Regarding Forward-Looking Statements*.”

USE OF PROCEEDS

Unless we inform you otherwise in a supplement to this prospectus, we intend to use the net proceeds to us from the sale of any particular offering of securities covered by this prospectus to acquire additional MRBs, GILs, and other investments meeting our investment criteria. Any remaining net proceeds will be used for general business purposes, potentially including reduction in our indebtedness. Any specific allocation of the net proceeds of an offering of securities to a purpose will be determined at the time of the offering and will be described in a prospectus supplement.

THE PARTNERSHIP AGREEMENT

General

The rights and obligations of BUC Holders, Preferred Unitholders, and the General Partner are set forth in the Partnership Agreement. The following is a summary of the material provisions of the Partnership Agreement. This summary does not purport to be complete and is subject to, and qualified in its entirety by, the terms of the Partnership Agreement, which is incorporated by reference into the registration statement of which this prospectus forms a part. We will provide prospective investors with a copy of the Partnership Agreement upon request at no charge.

Organization and Duration

The Partnership was organized in 1998 and has a perpetual existence.

Purpose

The purpose of the Partnership under the Partnership Agreement is to engage directly in, or enter into or form, hold, and dispose of any corporation, partnership, joint venture, limited liability company, or other arrangement to engage indirectly in, any business activity that is approved by the General Partner and that lawfully may be conducted by a limited partnership organized under the Delaware LP Act, and do anything necessary or appropriate to the foregoing. In this regard, the purpose of the Partnership includes, without limitation, the acquisition, holding, selling, and otherwise dealing with MRBs, GILs, and other instruments backed by multifamily residential properties, and other investments as determined by the General Partner.

Management

Management by General Partner

Under the terms of the Partnership Agreement, the General Partner has full, complete, and exclusive authority to manage and control the business affairs of the Partnership. Such authority specifically includes, but is not limited to, the power to (i) acquire, hold, refund, reissue, remarket, securitize, transfer, foreclose upon, sell or otherwise deal with the investments of the Partnership, (ii) issue additional BUCs and other Partnership securities, borrow money, and issue evidences of indebtedness, (iii) apply the proceeds from the sale or the issuance of additional BUCs or other Partnership securities to the acquisition of additional MRBs (and associated taxable mortgages), GILs, and other types of investments meeting the Partnership's investment criteria, (iv) issue options, warrants, rights, and other equity instruments relating to BUCs under employee benefit plans and executive compensation plans maintained or sponsored by the Partnership and its affiliates, (v) issue Partnership securities in one or more classes or series with such designations, preferences, rights, powers, and duties, which may be senior to existing classes and series of Partnership securities, including BUCs, and (vi) engage in spin-offs and other similar transactions, and otherwise transfer or dispose of Partnership assets pursuant to such transactions. The Partnership Agreement provides that the General Partner and its affiliates may and shall have the right to provide goods and services to the Partnership subject to certain conditions. The Partnership Agreement also imposes certain limitations on the authority of the General Partner, including restrictions on the ability of the General Partner to dissolve the Partnership without the consent of a majority in interest of the limited partners.

Other than certain limited voting rights discussed under “– *Voting Rights of Unitholders*,” the BUC Holders do not have any authority to transact business for, or participate in the management of, the Partnership. The only recourse available to BUC Holders in the event that the General Partner takes actions with respect to the business of the Partnership with which BUC Holders do not agree is to vote to remove the General Partner and admit a substitute general partner. See “– *Withdrawal or Removal of the General Partner*” below. Holders of our Existing Preferred Units have no voting rights, except for limited voting rights discussed below under “– *Voting Rights of Unitholders*.”

Change of Management Provisions

The Partnership Agreement contains provisions that are intended to discourage any person or group from attempting to remove the General Partner or otherwise changing the Partnership's management, and thereby achieve a takeover of the Partnership, without first negotiating such acquisition with the Board of Managers of Greystone Manager, which is the general partner of the Partnership's General Partner. In this regard, the Partnership Agreement provides that if any person or group (other than the General Partner and its affiliates) acquires beneficial ownership of 20% or more of any class of Partnership securities (including BUCs), that person or group loses voting rights with respect to all of his, her, or its securities and such securities will not be considered “outstanding” for voting or notice purposes, except as required by law. This loss of voting rights will not apply to any person or group that acquires the securities from the General Partner or its affiliates and any transferees of that person or group approved by the General Partner, or to any person or group who acquires the securities with the prior approval of the Board of Managers of Greystone Manager.

In addition, the Partnership Agreement provides that, under circumstances where the General Partner withdraws without violating the Partnership Agreement or is removed by the BUC Holders without cause, the departing General Partner will have the option to require the successor general partner to purchase the general partner interest of the departing General Partner and its general partner distribution rights for their fair market value. See “– *Withdrawal or Removal of the General Partner*” below.

Issuance of Partnership Securities

General

As of the date of this prospectus, other than the interest of the General Partner in the Partnership, our only outstanding Partnership securities are the BUCs, the Series A-1 Preferred Units, and the Series B Preferred Units representing limited partnership interests in the Partnership. The Partnership Agreement provides that the General Partner may cause the Partnership to issue additional Units from time to time on such terms and conditions as it shall determine. In addition, subject to certain approval rights of the holders of our Preferred Units for issuances adversely affecting the Preferred Units, the Partnership Agreement authorizes the General Partner to issue additional limited partnership interests and other Partnership securities in one or more classes or series with such designations, preferences, rights, powers, and duties, which may be senior to existing classes and series of Partnership securities, including BUCs, as determined by the General Partner without the approval of Unitholders.

It is possible that we will fund acquisitions of our investments and other business operations through the issuance of additional BUCs, Preferred Units, or other equity securities. The holders of Units do not have a preemptive right to acquire additional BUCs, Preferred Units, or other Partnership securities. All limited partnership interests issued pursuant to and in accordance with the Partnership Agreement are considered fully paid and non-assessable limited partnership interests in the Partnership.

BUCs

Our BUCs are beneficial unit certificates that represent assignments by the initial limited partner of its entire limited partner interest in the Partnership. Although BUC Holders will not be limited partners of the Partnership and have no right to be admitted as limited partners, they will be bound by the terms of the Partnership Agreement and will be entitled to the same economic benefits, including the same share of income, gains, losses, deductions, credits, and cash distributions, as if they were limited partners of the Partnership.

The BUCs are issued in registered form only and, except as noted below, are freely transferable. The BUCs are listed on the NYSE under the symbol “GHI.”

A purchaser of BUCs will be recognized as a BUC Holder for all purposes on the books and records of the Partnership on the day on which the General Partner (or other transfer agent appointed by the General Partner) receives satisfactory evidence of the transfer of the BUCs. All BUC Holder rights, including voting rights, rights to receive distributions, and rights to receive reports, and all allocations in respect of BUC Holders, including allocations of income and expenses, will vest in, and be allocable to, BUC Holders as of the close of business on such day. Equiniti Trust Company, LLC, of New York, New York has been appointed by the General Partner to act as the registrar and transfer agent for the BUCs.

In addition, the Partnership Agreement grants the General Partner the authority to take such action as it deems necessary or appropriate, including action with respect to the manner in which BUCs are being or may be transferred or traded, in order to preserve the status of the Partnership as a partnership for federal income tax purposes or to ensure that limited partners (including BUC Holders) will be treated as limited partners for federal income tax purposes.

Series A Preferred Units

Holders of the Series A Preferred Units are entitled to receive, when, as, and if declared by the General Partner out of funds legally available for the payment of distributions, non-cumulative cash distributions at the rate of 3.00% per annum of the \$10.00 per unit purchase price of the Series A Preferred Units, payable quarterly. In the event of any liquidation, dissolution, or winding up of the Partnership, the holders of the Series A Preferred Units are entitled to a liquidation preference in connection with their investments in an amount equal to \$10.00 per Series A Preferred Unit, plus an amount equal to all distributions declared and unpaid thereon to the date of final distribution.

With respect to anticipated quarterly distributions and rights upon liquidation, dissolution, or the winding-up of the Partnership's affairs, the Series A Preferred Units rank senior to the BUCs, the Series B Preferred Units, and to any other class or series of Partnership interests or securities expressly designated as ranking junior to the Series A Preferred Units, on parity with the Series A-1 Preferred Units, and junior to any other class or series of Partnership interests or securities expressly designated as ranking senior to the Series A Preferred Units. The Series A Preferred Units have no stated maturity, are not subject to any sinking fund requirements, and will remain outstanding indefinitely unless repurchased or redeemed by the Partnership.

Upon the sixth anniversary of the closing of the sale of Series A Preferred Units to a holder thereof, and upon each anniversary thereafter, each holder of Series A Preferred Units will have the right to redeem, in whole or in part, the Series A Preferred Units held by such holder at a per unit redemption price equal to \$10.00 per unit plus an amount equal to all declared and unpaid distributions. In addition, for a period of 60 days after any date on which the General Partner determines that the ratio of the aggregate market value of the issued and outstanding BUCs as of the close of business, New York time, on any date to the aggregate value of the issued and outstanding Series A Preferred Units and Series A-1 Preferred Units, as shown on the Partnership's financial statements, on that same date has fallen below 1.0 and has remained below 1.0 for a period of 15 consecutive business days, each holder of Series A Preferred Units will have the right, but not the obligation, to cause the Partnership to redeem, in whole or in part, the Series A Preferred Units held by such holder at a per unit redemption price equal to \$10.00 per unit plus an amount equal to all declared and unpaid distributions.

As of the date of this prospectus, there are no Series A Preferred Units issued and outstanding. The Partnership does not intend in the future to issue any additional units of the currently existing series of preferred units designated as "Series A Preferred Units," although the Partnership may, in the future, create and issue units of one or more new sub-series of Series A Preferred Units.

Holders of Series A Preferred Units have no voting rights except for limited voting rights relating to issuances of Partnership securities adversely affecting the Series A Preferred Units.

Series A-1 Preferred Units

Holders of the Series A-1 Preferred Units will be entitled to receive, when, as, and if declared by the General Partner out of funds legally available for the payment of distributions, non-cumulative cash distributions at the rate of 3.00% per annum of the \$10.00 per unit purchase price of the Series A-1 Preferred Units, payable quarterly. In the event of any liquidation, dissolution, or winding up of the Partnership, the holders of the Series A-1 Preferred Units will be entitled to a liquidation preference in connection with their investments in an amount equal to \$10.00 per Series A-1 Preferred Unit, plus an amount equal to all distributions declared and unpaid thereon to the date of final distribution.

With respect to anticipated quarterly distributions and rights upon liquidation, dissolution, or the winding-up of the Partnership's affairs, the Series A-1 Preferred Units rank senior to the BUCs, the Series B Preferred Units, and to any other class or series of Partnership interests or securities expressly designated as ranking junior to the Series A-1 Preferred Units, on parity with the Series A Preferred Units, and junior to any other class or series of Partnership interests or securities expressly designated as ranking senior to the Series A-1 Preferred Units. The Series A-1 Preferred Units have no stated maturity, are not subject to any sinking fund requirements, and will remain outstanding indefinitely unless repurchased or redeemed by the Partnership.

Upon the sixth anniversary of the closing of a holder's purchase of Series A-1 Preferred Units by a holder thereof, and upon each anniversary thereafter, each holder of Series A-1 Preferred Units will have the right to redeem, in whole or in part, the Series A-1 Preferred Units held by such holder at a per unit redemption price equal to \$10.00 per unit plus an amount equal to all declared and unpaid distributions. In addition, for a period of 60 days after any date on which the General Partner determines that the ratio of the aggregate market value of the issued and outstanding BUCs as of the close of business, New York time, on any date to the aggregate value of the issued and outstanding Series A Preferred Units and Series A-1 Preferred Units, as shown on the Partnership's financial statements, on that same date has fallen below 1.0 and has remained below 1.0 for a period of 15 consecutive

business days, each holder of Series A-1 Preferred Units will have the right, but not the obligation, to cause the Partnership to redeem, in whole or in part, the Series A-1 Preferred Units held by such holder at a per unit redemption price equal to \$10.00 per unit plus an amount equal to all declared and unpaid distributions.

No Series A-1 Preferred Units shall be issued by the Partnership if the sum of the original Series A Preferred Units purchase price for all issued and outstanding Series A Preferred Units, plus the original Series A-1 Preferred Units purchase price for all issued and outstanding Series A-1 Preferred Units, inclusive of the Series A-1 Preferred Units intended to be issued by the Partnership to the purchaser of Series A-1 Preferred Units, will exceed \$150,000,000 on the date of issuance.

Holders of Series A-1 Preferred Units have no voting rights except for limited voting rights relating to issuances of Partnership securities adversely affecting the Series A Preferred Units. As of the date of this prospectus, there are 5,500,000 Series A-1 Preferred Units issued and outstanding.

Series B Preferred Units

Holders of the Series B Preferred Units will be entitled to receive, when, as, and if declared by the General Partner out of funds legally available for the payment of distributions, non-cumulative cash distributions at the rate of 5.75% per annum of the \$10.00 per unit purchase price of the Series B Preferred Units, payable quarterly. In the event of any liquidation, dissolution, or winding up of the Partnership, before any payment or distribution of the assets of the Partnership shall be made to or set apart for the holders of any other class or series of limited partnership interest ranking junior to the Series B Preferred Units, the holders of the Series B Preferred Units will be entitled to a liquidation preference in connection with their investments in an amount equal to \$10.00 per Series B Preferred Unit, plus an amount equal to all distributions declared and unpaid thereon to the date of final distribution.

With respect to anticipated quarterly distributions and rights upon liquidation, dissolution, or the winding-up of the Partnership's affairs, the Series B Preferred Units rank senior to the BUCs and to any other class or series of Partnership interests or securities that is not expressly made senior to or on parity with the Series B Preferred Units, and junior to our Series A Preferred Units, Series A-1 Preferred Units, and any other class or series of Partnership interests or securities expressly designated as ranking senior to the Series B Preferred Units. The Series B Preferred Units have no stated maturity, are not subject to any sinking fund requirements, and will remain outstanding indefinitely unless repurchased or redeemed by the Partnership.

Upon the sixth anniversary of the closing of a holder's purchase of Series B Preferred Units, and upon each anniversary thereafter, each holder of Series B Preferred Units will have the right to redeem, in whole or in part, the Series B Preferred Units held by such holder at a per unit redemption price equal to \$10.00 per unit plus an amount equal to all declared and unpaid distributions. In addition, for a period of 60 days after any date on which the General Partner determines that the ratio of the aggregate market value of the issued and outstanding BUCs as of the close of business, New York time, on any date to the aggregate value of the issued and outstanding Series A Preferred Units and Series A-1 Preferred Units, as shown on the Partnership's financial statements, on that same date has fallen below 1.0 and has remained below 1.0 for a period of 15 consecutive business days, each holder of Series B Preferred Units will have the right, but not the obligation, to cause the Partnership to redeem, in whole or in part, the Series B Preferred Units held by such holder at a per unit redemption price equal to \$10.00 per unit plus an amount equal to all declared and unpaid distributions.

Holders of Series B Preferred Units have no voting rights except for limited voting rights relating to issuances of Partnership securities adversely affecting the Series B Preferred Units. As of the date of this prospectus, there are 4,250,000 Series B Preferred Units issued and outstanding.

Cash Distributions

General

The Partnership Agreement provides that all Net Interest Income generated by the Partnership that is not contingent interest will be distributed 99% to the limited partners and BUC Holders as a class and 1% to the General Partner. During the years ended December 31, 2024 and 2023, the General Partner received total distributions of Net

Interest Income of approximately \$337,000 and \$202,000, respectively. In addition, the Partnership Agreement provides that the General Partner is entitled to 25% of Net Interest Income representing contingent interest up to a maximum amount equal to 0.9% per annum of the principal amount of all mortgage bonds held by the Partnership, as the case may be.

Interest Income of the Partnership includes all cash receipts, except for (i) capital contributions, (ii) Residual Proceeds (defined below), or (iii) the proceeds of any loan or the refinancing of any loan. "Net Interest Income" of the Partnership means all Interest Income plus any amount released from the Partnership's reserves for distribution, less expenses and debt service payments and any amount deposited in reserve or used or held for the acquisition of additional investments.

The Partnership Agreement provides that Net Residual Proceeds (whether representing a return of principal or contingent interest) will be distributed 100% to the limited partners and BUC Holders as a class, except that 25% of Net Residual Proceeds representing contingent interest will be distributed to the General Partner until it receives a maximum amount per annum (when combined with all distributions to it of Net Interest Income representing contingent interest during the year) equal to 0.9% of the principal amount of the Partnership's mortgage bonds. Under the terms of the Partnership Agreement, "Residual Proceeds" means all amounts received by the Partnership upon the sale of any asset or from the repayment of principal of any bond. "Net Residual Proceeds" means, with respect to any distribution period, all Residual Proceeds received by the Partnership during such distribution period, plus any amounts released from reserves for distribution, less all expenses that are directly attributable to the sale of an asset, amounts used to discharge indebtedness, and any amount deposited in reserve or used or held for the acquisition of investments. Notwithstanding its authority to invest Residual Proceeds in additional investments, the General Partner does not intend to use this authority to acquire additional investments indefinitely without distributing Net Residual Proceeds to the limited partners and BUC Holders. Rather, it is designed to afford the General Partner the ability to increase the income-generating investments of the Partnership in order to potentially increase the Net Interest Income from, and value of, the Partnership.

The General Partner received total distributions of Net Interest Income representing contingent interest and Net Residual Proceeds of approximately \$310,000 and \$3.2 million during each of the years ended December 31, 2024 and 2023, respectively.

With respect to the cash available for distribution to the limited partners, and subject to the preferential rights of the holders of any class or series of our Partnership securities ranking senior to such securities with respect to distribution rights, holders of Series A Preferred Units and Series A-1 Preferred Units are each entitled to receive, when, as, and if declared by the General Partner out of funds legally available for the payment of distributions, non-cumulative cash distributions at the rate of 3.00% per annum of the \$10.00 per unit purchase price of the Series A Preferred Units or Series A-1 Preferred Units, as applicable, payable quarterly, and holders of the Series B Preferred Units are entitled to receive, when, as, and if declared by the General Partner out of funds legally available for the payment of distributions, non-cumulative cash distributions at the rate of 5.75% per annum of the \$10.00 per unit purchase price of the Series B Preferred Units, payable quarterly. With respect to the payment of distributions, our Units have the following rankings: (i) Series A Preferred Units and Series A-1 Preferred Units, which are on parity to each other, but which are senior to; (ii) the Series B Preferred Units, which, along with the Series A Preferred Units and Series A-1 Preferred Units, are senior to; (iii) our BUCs.

Distributions Upon Liquidation

Upon the dissolution of the Partnership, the proceeds from the liquidation of its assets will be first applied to the payment of the obligations and liabilities of the Partnership and the establishment of any reserves therefor as the General Partner determines to be necessary, and then distributed to the partners (including both the General Partner and limited partners) and Unitholders in proportion to, and to the extent of, their respective capital account balances, and then in the same manner as Net Residual Proceeds. With respect to the liquidation proceeds available for distribution to the limited partners, the holders of each series of Existing Preferred Units are each entitled to a liquidation preference in an amount equal to \$10.00 per preferred unit, as applicable, plus an amount equal to all distributions declared and unpaid thereon to the date of final distribution. With respect to distributions upon liquidation, dissolution, or the winding-up of the Partnership's affairs, our Units have the following rankings: (i)

Series A Preferred Units and Series A-1 Preferred Units, which are on parity to each other, but which are senior to; (ii) the Series B Preferred Units, which, along with the Existing Preferred Units, are senior to; (iii) our BUCs.

Timing of Cash Distributions

The Partnership currently makes quarterly cash distributions to BUC Holders. However, the Partnership Agreement allows the General Partner to elect to make cash distributions on a more or less frequent basis provided that distributions are made at least semiannually. Regardless of the distribution period selected by the General Partner, cash distributions to BUC Holders must be made within 60 days of the end of each such period. Distributions declared on the Series A Preferred Units, Series A-1 Preferred Units, and Series B Preferred Units are payable quarterly in arrears.

Allocation of Income and Losses

Income and losses from operations will be allocated 99% to the limited partners and BUC Holders as a class and 1% to the General Partner. Income arising from a sale of or liquidation of the Partnership's assets will be first allocated to the General Partner in an amount equal to the Net Residual Proceeds or liquidation proceeds distributed to the General Partner from such transaction, and the balance will be allocated to the limited partners and Unitholders as a class. Losses from a sale of a property or from a liquidation of the Partnership will be allocated among the partners in the same manner as the Net Residual Proceeds or liquidation proceeds from such transaction are distributed.

Determination of Allocations to Unitholders

Income and losses will be allocated on a monthly basis to the Unitholders of record as of the last day of a month. If a Unitholder is recognized as the record holder of Units on such date, such Unitholder will be allocated all income and losses for such month.

Cash distributions will be made to the BUC Holders of record as of the last day of each distribution period. If the Partnership recognizes a transfer prior to the end of a distribution period, the transferee will be deemed to be the holder for the entire distribution period and will receive the entire cash distribution for such period. Accordingly, if the General Partner selects a quarterly or semiannual distribution period, the transferor of BUCs during such a distribution period may be recognized as the record holder of the BUCs at the end of one or more months during such period and be allocated income or losses for such months but not be recognized as the record holder of the BUCs at the end of the period and, therefore, not be entitled to a cash distribution for such period. Distributions to the holders of Series A Preferred Units, Series A-1 Preferred Units, and Series B Preferred Units are made quarterly in arrears on the 15th day of the first month of each calendar quarter.

The General Partner retains the right to change the method by which income and losses of the Partnership will be allocated between buyers and sellers of Units during a distribution period based on consultation with tax counsel and accountants. However, no change may be made in the method of allocation of income or losses without written notice to the Unitholders at least 10 days prior to the proposed effectiveness of such change unless otherwise required by law.

Payments to the General Partner

Fees

In addition to its share of Net Interest Income and Net Residual Proceeds and reimbursement for expenses, the General Partner is entitled to an administrative fee in an amount equal to 0.45% per annum of the principal amount of the MRBs, other investments, and taxable mortgage loans held by the Partnership. In general, the administrative fee is payable by the owners of the properties financed by the MRBs held by the Partnership, but is subordinate to the payment of all base interest to the Partnership on the bonds. The General Partner may seek to negotiate the payment of the administrative fee in connection with the acquisition of additional MRBs by the

Partnership by the owner of the financed property or by another third party. However, the Partnership Agreement provides that the administrative fee will be paid directly by the Partnership with respect to any investments for which the administrative fee is not payable by a third party. In addition, the Partnership Agreement provides that the Partnership will pay the administrative fee to the General Partner with respect to any foreclosed mortgage bonds.

Reimbursement of Expenses

In addition to the cash distributions and fee payments to the General Partner described above, the Partnership will reimburse the General Partner or its affiliates on a monthly basis for the actual out-of-pocket costs of direct telephone and travel expenses incurred in connection with the business of the Partnership, direct out-of-pocket fees, expenses, and charges paid to third parties for rendering legal, auditing, accounting, bookkeeping, computer, printing, and public relations services, expenses of preparing and distributing reports to limited partners and BUC Holders, an allocable portion of the salaries and fringe benefits of non-officer employees of the general partner of the General Partner, insurance premiums (including premiums for liability insurance that will cover the Partnership and the General Partner), the cost of compliance with all state and federal regulatory requirements and stock exchange listing fees and charges, and other payments to third parties for services rendered to the Partnership. The General Partner will also be reimbursed for any expenses it incurs acting as the partnership representative (or tax matters partner) for tax purposes for the Partnership. The Partnership will not reimburse the General Partner or its affiliates for the travel expenses of the president of the general partner of the General Partner or for any items of general overhead. The Partnership will not reimburse the General Partner or its general partner for any salaries or fringe benefits of any of the executive officers of the general partner of the General Partner. The annual report to Unitholders is required to itemize the amounts reimbursed to the General Partner and its affiliates.

Payments for Goods and Services

The Partnership Agreement provides that the General Partner and its affiliates may provide goods and services to the Partnership. The provision of any goods and services by the General Partner or its affiliates to the Partnership must be part of their ordinary and ongoing business in which it or they have previously engaged, independent of the activities of the Partnership, and such goods and services shall be reasonable for and necessary to the Partnership, shall actually be furnished to the Partnership, and shall be provided at the lower of the actual cost of such goods or services or the competitive price charged for such goods or services for comparable goods and services by independent parties in the same geographic location. All goods and services provided by the General Partner or any affiliates must be rendered pursuant to the terms of the Partnership Agreement or a written contract containing a clause allowing termination without penalty on 60 days' notice to the General Partner by the vote of the majority in interest of the BUC Holders. Any payment made to the General Partner or any affiliate for goods and services must be fully disclosed to all limited partners and BUC Holders. The General Partner does not currently provide goods and services to the Partnership other than its services as General Partner. If the Partnership acquires ownership of any property through foreclosure of an MRB, the General Partner or an affiliate may provide property management services for such property and, in such case, the Partnership will pay such party its fees for such services. Under the Partnership Agreement, such property management fees may not exceed the lesser of (i) the fees charged by unaffiliated property managers in the same geographic area, or (ii) 5% of the gross revenues of the managed property.

Liability of Partners and Unitholders

Under the Delaware LP Act and the terms of the Partnership Agreement, the General Partner will be liable to third parties for all general obligations of the Partnership to the extent not paid by the Partnership. However, the Partnership Agreement provides that the General Partner has no liability to the Partnership for any act or omission reasonably believed to be within the scope of authority conferred by the Partnership Agreement and in the best interest of the Partnership. The Partnership Agreement also provides that, except as otherwise expressly set forth in the Partnership Agreement, the General Partner does not owe any fiduciary duties to the limited partners and BUC Holders. Therefore, Unitholders may have a more limited right of action against the General Partner than they would have absent those limitations in the Partnership Agreement. The Partnership Agreement also provides for indemnification of the General Partner and its affiliates by the Partnership for certain liabilities that the General Partner and its affiliates may incur in connection with the business of the Partnership; provided that no

indemnification will be available to the General Partner and/or its affiliates if there has been a final judgment entered by a court determining that the General Partner's and/or affiliate's conduct for which indemnification is requested constitutes fraud, bad faith, gross negligence, or willful misconduct. To the extent that the provisions of the Partnership Agreement include indemnification for liabilities arising under the Securities Act of 1933, as amended, such provisions are, in the opinion of the SEC, against public policy and, therefore, unenforceable.

No Unitholder will be personally liable for the debts, liabilities, contracts, or any other obligations of the Partnership unless, in addition to the exercise of his, her, or its rights and powers as a Unitholder, the Unitholder takes part in the control of the business of the Partnership. It should be noted, however, that the Delaware LP Act prohibits a limited partnership from making a distribution that causes the liabilities of the limited partnership to exceed the fair value of its assets. Any limited partner who receives a distribution knowing that the distribution was made in violation of this provision of the Delaware LP Act is liable to the limited partnership for the amount of the distribution. This provision of the Delaware LP Act likely applies to Unitholders. In any event, the Partnership Agreement provides that to the extent our initial limited partner is required to return any distributions or repay any amount by law or pursuant to the Partnership Agreement, each BUC Holder who has received any portion of such distributions is required to repay his, her, or its proportionate share of such distribution to our initial limited partner immediately upon notice by the initial limited partner to such BUC Holder. Furthermore, the Partnership Agreement allows the General Partner to withhold future distributions to BUC Holders until the amount so withheld equals the amount required to be returned by the initial limited partner. Because BUCs are transferable, it is possible that distributions may be withheld from a BUC Holder who did not receive the distribution required to be returned.

Voting Rights of Unitholders

The Partnership Agreement provides that the initial limited partner will vote its limited partnership interests as directed by the BUC Holders. Accordingly, except as described below regarding a person or group owning 20% or more of any class of Partnership securities then outstanding, the BUC Holders, by vote of a majority in interest of the outstanding BUCs, may:

- (i) amend the Partnership Agreement (provided that the concurrence of the General Partner is required for any amendment that modifies the compensation or distributions to which the General Partner is entitled or that affects the duties of the General Partner);
- (ii) approve or disapprove the sale or other disposition of all or substantially all of the Partnership's assets in a single transaction (provided that, the General Partner may sell the last property owned by the Partnership without such consent);
- (iii) dissolve the Partnership;
- (iv) elect a successor general partner; and
- (v) terminate an agreement under which the General Partner provides goods and services to the Partnership.

In addition, subject to the provisions of the Partnership Agreement regarding removal of the General Partner (described below), the BUC Holders holding at least 66^{2/3}% of the outstanding BUCs may remove the General Partner.

Each limited partner and BUC Holder that has voting rights under the Partnership Agreement is entitled to cast one vote for each unit of limited partnership interest such person owns. However, if any person or group (other than the General Partner and its affiliates) acquires beneficial ownership of 20% or more of any class of Partnership securities (including BUCs), that person or group loses voting rights with respect to all of his, her, or its securities and such securities will not be considered "outstanding" for voting or notice purposes, except as required by law. This loss of voting rights will not apply to any person or group that acquires the Partnership securities from the General Partner or its affiliates and any transferees of that person or group approved by the General Partner, or to

any person or group who acquires the securities with the prior approval of the board of managers of the general partner of the General Partner.

The holders of the Existing Preferred Units have no voting rights under the Partnership Agreement, except with respect to any amendment to the Partnership Agreement that would have a material adverse effect on the existing terms of the applicable series of Preferred Units and with respect to the creation or issuance of any Partnership securities that are senior to any such Existing Preferred Units. Other than as set forth above, the holders of the Existing Preferred Units have no voting rights under the Partnership Agreement on any matter that may come before the BUC Holders for a vote. The approval of any of the matters for which the Preferred Units have voting rights requires the affirmative vote or consent of the holders of a majority of the outstanding applicable series of Preferred Units. For any matter described in this paragraph for which the Preferred Unitholders are entitled to vote, such holders are entitled to one vote for each such Preferred Unit held.

The General Partner may at any time call a meeting of the limited partners and BUC Holders, call for a vote without a meeting of the limited partners and BUC Holders, or otherwise solicit the consent of the limited partners and BUC Holders, and is required to call such a meeting or vote or solicit consents following receipt of a written request therefor signed by 10% or more in interest of the outstanding limited partnership interests. The Partnership does not intend to hold annual or other periodic meetings of any of the Partnership's Unitholders.

Reports

Within 120 days after the end of the fiscal year, the General Partner will distribute a report to Unitholders that shall include (i) financial statements of the Partnership for such year that have been audited by the Partnership's independent public accountant, (ii) a report of the activities of the Partnership during such year, and (iii) a statement (which need not be audited) showing distributions of Net Interest Income and Net Residual Proceeds. The annual report will also include a detailed statement of the amounts of fees and expense reimbursements paid to the General Partner and its affiliates by the Partnership during the fiscal year.

Within 60 days after the end of the first three quarters of each fiscal year, the General Partner will distribute a report that shall include (i) unaudited financial statements of the Partnership for such quarter, (ii) a report of the activities of the Partnership during such quarter, and (iii) a statement showing distributions of Net Interest Income and Net Residual Proceeds during such quarter. With respect to both the annual and quarterly reports described above, the filing of the Partnership's annual and quarterly reports on Forms 10-K and 10-Q with the SEC are deemed to satisfy the foregoing report delivery obligations.

The Partnership will also provide Unitholders with a report on Form K-1 or other information required for federal and state income tax purposes within 75 days of the end of each year.

Withdrawal or Removal of the General Partner

The General Partner may not withdraw voluntarily from the Partnership or sell, transfer, or assign all or any portion of its interest in the Partnership unless a substitute general partner has been admitted in accordance with the terms of the Partnership Agreement. With the consent of a majority in interest of the BUC Holders, the General Partner may at any time designate one or more persons as additional general partners, provided that the interests of the limited partners and BUC Holders in the Partnership are not reduced thereby. The designation must meet the conditions set out in the Partnership Agreement and comply with the provisions of the Delaware LP Act with respect to admission of an additional general partner. In addition to the requirement that the admission of a person as successor or additional general partner have the consent of the majority in interest of the BUC Holders, the Partnership Agreement requires, among other things, that (i) such person agree to and execute the Partnership Agreement, and (ii) counsel for the Partnership or the General Partner (or any of the General Partner's affiliates) renders an opinion that such person's admission would not result in the loss of limited liability of any limited partner or BUC Holder or cause the Partnership or any of its affiliates to be taxed as a corporation or other entity under U.S. federal tax law.

With respect to the removal of the General Partner, the Partnership Agreement provides that the General Partner may not be removed unless that removal is approved by a vote of the holders of not less than 66^{2/3}% of the

outstanding BUCs, including BUCs held by the General Partner and its affiliates, voting together as a single class, and the Partnership receives an opinion of counsel regarding limited liability and tax matters. Any removal of the General Partner also will be subject to the approval of a successor general partner by the vote of a majority in interest of the outstanding BUCs voting as a single class.

In addition, the Partnership Agreement provides that, under circumstances where the General Partner withdraws without violating the Partnership Agreement or is removed by the BUC Holders without cause, the departing General Partner will have the option to require the successor general partner to purchase the general partner interest of the departing General Partner and its general partner distribution rights for their fair market value. This fair market value will be determined by agreement between the departing General Partner and the successor general partner. If no such agreement is reached, an independent investment banking firm or other independent expert selected by the departing General Partner and successor general partner will determine the fair market value. If the departing General Partner and successor general partner cannot agree upon an expert, then an expert chosen by agreement of the experts selected by each of them will determine the fair market value. If the option described above is not exercised, the departing General Partner's interest and general partner distribution rights will automatically convert into BUCs equal to the fair market value of those interests as determined by an investment banking firm or other independent expert selected in the manner described above.

The Partnership Agreement also provides that if the General Partner is removed as the Partnership's general partner under circumstances where cause does not exist and the BUCs held by the General Partner and its affiliates are not voted in favor of that removal, the General Partner will have the right to convert its general partner interest and its general partner distribution rights under the Partnership Agreement into BUCs or receive cash in exchange for those interests from the Partnership.

Effect of Removal, Bankruptcy, Dissolution, or Withdrawal of the General Partner

In the event of a removal, bankruptcy, dissolution, or withdrawal of the General Partner, it will cease to be the General Partner but will remain liable for obligations arising prior to the time it ceases to act in that role. The former General Partner's interest in the Partnership will be converted into a limited partner interest having the same rights to share in the allocations of income and losses of the Partnership and distributions of Net Interest Income, Net Residual Proceeds and cash distributions upon liquidation of the Partnership as it did as General Partner. Any successor general partner shall have the option, but not the obligation, to acquire all or a portion of the interest of the removed General Partner at its then fair market value. The Partnership Agreement bases the fair market value of the General Partner's interest on the present value of its future administrative fees and distributions of Net Interest Income plus any amount that would be paid to the removed General Partner upon an immediate liquidation of the Partnership. Any disputes over valuation in connection with an option exercised by the successor general partner would be settled by the successor general partner and removed General Partner through arbitration.

Amendments

Amendments to the Partnership Agreement may be proposed by the General Partner or by the limited partners holding 10% or more of the outstanding limited partnership interests. In order to adopt a proposed amendment, other than the amendments discussed below which may be approved solely by the General Partner, the General Partner must seek approval of the holders of the required number of BUCs to approve the amendment, whether by written consent or pursuant to a meeting of the BUC Holders to consider and vote upon the proposed amendment.

In addition to amendments to the Partnership Agreement adopted by the BUC Holders, the Partnership Agreement may be amended by the General Partner, without the consent of the Unitholders, in certain respects if such amendments are not materially adverse to the interest of the Unitholders, to reflect the following:

- to change the name of the Partnership, the location of its principal place of business, its registered agent, or its registered office;

- to add to the representations, duties, or obligations of the General Partner or surrender any right or power granted to the General Partner in the Partnership Agreement;
- to change the fiscal year or taxable year of the Partnership and any other changes the General Partner determines to be necessary or appropriate as a result of a change in the fiscal year or taxable year;
- to cure any ambiguity or correct or supplement any provision of the Partnership Agreement which may be inconsistent with the intent of the Partnership Agreement, if such amendment is not materially adverse to the interests of the limited partners and BUC Holders in the sole judgment of the General Partner;
- to amend any provision the General Partner determines to be necessary or appropriate to satisfy any judicial authority or any order, directive, or requirement contained in any federal or state statute, or to facilitate the trading of BUCs or comply with the rules of any national securities exchange on which the BUCs are traded;
- to amend any provision the General Partner determines to be necessary or appropriate to ensure the Partnership will be treated as a partnership, and that each BUC Holder and limited partner will be treated as a limited partner, for federal income tax purposes;
- to reflect the withdrawal, removal, or admission of partners;
- to provide for any amendment necessary, in the opinion of counsel to the Partnership, to prevent the Partnership, the General Partner, or their managers, directors, officers, trustees, or agents from being subject to the Investment Company Act, the Investment Advisers Act, or the “plan asset” regulations under ERISA;
- to effectuate any amendment to the Partnership Agreement or the Partnership’s certificate of limited partnership that the General Partner determines to be necessary or appropriate in connection with the authorization of the issuance of any class or series of Partnership securities; and
- any other amendments substantially similar to any of the foregoing.

However, notwithstanding the foregoing, any amendment to the Partnership Agreement that (i) would have a material adverse effect on the existing terms of the Series A Preferred Units, Series A-1 Preferred Units, or Series B Preferred Units, or (ii) creates Partnership securities senior to any of the Series A Preferred Units, Series A-1 Preferred Units, or Series B Preferred Units, must be approved by the affirmative vote or consent of the holders of at least a majority of the outstanding Series A Preferred Units, Series A-1 Preferred Units, or Series B Preferred Units, as applicable, voting as a separate class.

Dissolution and Liquidation

The Partnership will continue in existence until dissolved under the terms of the Partnership Agreement. The Partnership will dissolve upon:

- (i) the passage of 90 days following the bankruptcy, dissolution, withdrawal, or removal of a general partner who is at that time the sole general partner, unless all of the remaining partners entitled to vote (it being understood that for purposes of this provision the initial limited partner shall vote as directed by a majority in interest of the BUC Holders) agree in writing to continue the business of the Partnership and a successor general partner is designated within such 90-day period;
- (ii) the election by a majority in interest of the BUC Holders or by the General Partner (subject to the consent of a majority in interest of the BUC Holders) to dissolve the Partnership; or

(iii) any other event causing the dissolution of the Partnership under the laws of the State of Delaware.

Upon dissolution of the Partnership, its assets will be liquidated and after the payment of its obligations and the setting up of any reserves for contingencies that the General Partner considers necessary, any proceeds from the liquidation will be distributed as set forth under “– *Distributions Upon Liquidation*” above.

Designation of Partnership Representative

The General Partner has been designated as the Partnership’s tax matters partner and partnership representative for purposes of federal income tax audits pursuant to the IRC and the regulations thereunder. Each Unitholder agrees to execute any documents that may be necessary or appropriate to maintain such designation.

Tax Elections

Under the Partnership Agreement, the General Partner has the exclusive authority to make or revoke any tax elections on behalf of the Partnership.

Books and Records

The books and records of the Partnership shall be maintained at the office of the Partnership located at 14301 FNB Parkway, Suite 211, Omaha, Nebraska 68154, and shall be available there during ordinary business hours for examination and copying by any Unitholder or the Unitholder’s duly authorized representative. The records of the Partnership will include, among other records, a list of the names and addresses of all Unitholders, and Unitholders will have the right to secure, upon written request to the General Partner and payment of reasonable expenses in connection therewith, a list of the names and addresses of, and the number of Units held by, all Unitholders.

Accounting Matters

The fiscal year of the Partnership is the calendar year. The books and records of the Partnership shall be maintained on an accrual basis in accordance with generally accepted accounting principles.

Other Activities

The Partnership Agreement allows the General Partner and its affiliates to engage generally in other business ventures and provides that limited partners and BUC Holders will have no rights with respect thereto by virtue of the Partnership Agreement. In addition, the Partnership Agreement provides that an affiliate of the General Partner may acquire and hold debt securities or other interests secured by a property that also secures an MRB held by the Partnership, provided that such MRB is not junior or subordinate to the interest held by such affiliate.

Derivative Actions

The Partnership Agreement provides that a BUC Holder may bring a derivative action on behalf of the Partnership to recover a judgment to the same extent as a limited partner has such rights under the Delaware LP Act. The Delaware LP Act provides for the right to bring a derivative action, although it authorizes only a partner of a partnership to bring such an action. There is no specific judicial or statutory authority governing the question of whether an assignee of a partner (such as a BUC Holder) has the right to bring a derivative action where a specific provision exists in the Partnership Agreement granting such rights. Furthermore, there is no express statutory authority for a limited partner’s class action in Delaware, and whether a class action may be brought by Unitholders to recover damages for breach of the General Partner’s duties in Delaware state courts is unclear.

DESCRIPTION OF THE BENEFICIAL UNIT CERTIFICATES

Beneficial Unit Certificates

Our BUCs are beneficial unit certificates that represent assignments by the initial limited partner of its entire limited partner interest in the Partnership. Although BUC Holders will not be limited partners of the Partnership and have no right to be admitted as limited partners, they will be bound by the terms of the Partnership Agreement and will be entitled to the same economic benefits, including the same share of income, gains, losses, deductions, credits, and cash distributions, as if they were limited partners of the Partnership.

For a description of the rights and privileges of the holders of our BUCs and the Partnership's limited partners, including, among others things, rights to distributions, voting rights, and rights to receive reports, see "*The Partnership Agreement*" above.

Transfers of BUCs

The BUCs are issued in registered form only and, except as noted below, are freely transferable. The BUCs are listed on the NYSE under the symbol "GHI."

A purchaser of BUCs will be recognized as a BUC Holder for all purposes on the books and records of the Partnership on the day on which the General Partner (or other transfer agent appointed by the General Partner) receives satisfactory evidence of the transfer of the BUCs. All BUC Holder rights, including voting rights, rights to receive distributions, and rights to receive reports, and all allocations in respect of BUC Holders, including allocations of income and expenses, will vest in, and be allocable to, BUC Holders as of the close of business on such day. Equiniti Trust Company, LLC, of New York, New York has been appointed by the General Partner to act as the registrar and transfer agent for the BUCs.

In addition, the Partnership Agreement grants the General Partner the authority to take such action as it deems necessary or appropriate, including action with respect to the manner in which BUCs are being or may be transferred or traded, in order to preserve the status of the Partnership as a partnership for federal income tax purposes or to ensure that limited partners (including BUC Holders) will be treated as limited partners for federal income tax purposes.

DESCRIPTION OF PREFERRED UNITS

Our Partnership Agreement authorizes the General Partner to issue preferred units in one or more classes or series with such designations, preferences, rights, powers, and duties, which may be senior to existing classes and series of Partnership securities, including BUCs, as determined by the General Partner without the approval of Unitholders, including, among others:

- distribution rights;
- voting rights;
- redemption rights and terms of redemption;
- conversion rights; and
- liquidation preferences.

The rights, preferences, privileges, and restrictions of the preferred units of each class or series will be fixed by a certificate of designations set forth in an amendment to the Partnership Agreement relating to each class or series. We will set forth in the applicable prospectus supplement a description of the terms of any preferred units issued by us that may be offered and sold pursuant to this prospectus, including, among others:

- the maximum number of units in the class or series and the distinctive designation;
- the rights to share in Partnership distributions;
- the terms on which the units may be redeemed, if at all;
- the rights of the class or series upon dissolution and liquidation of the Partnership;
- the terms of any retirement or sinking fund, if any, for the purchase or redemption of the units of the class or series;
- the terms and conditions, if any, on which the units of the class or series will be convertible into, or exchangeable for, units of any other class or series of securities;
- the voting rights, if any, on the units of the class or series; and
- any or all other preferences and relative, participating, operational, or other special rights or qualifications, limitations, or restrictions of the units.

As of the date of this prospectus, we had three series of preferred units authorized for issuance under the Partnership Agreement, namely the Series A Preferred Units, Series A-1 Preferred Units, and Series B Preferred Units. As of the date hereof, the only series of preferred units of which we had issued and outstanding units were the Series A-1 Preferred Units and Series B Preferred Units. None of the Existing Preferred Units are listed on any national securities exchange. There is no established trading market for our Existing Preferred Units and we do not expect a market to develop. For descriptions of the rights, preferences, privileges, and restrictions of the Existing Preferred Units, see “*The Partnership Agreement – Issuance of Partnership Securities – Series A Preferred Units; – Series A-1 Preferred Units; and – Series B Preferred Units*” beginning on page 16 above, which descriptions are incorporated by reference herein.

The description of Existing Preferred Units in this prospectus and the description of the terms of a particular series of preferred units in the prospectus supplement are not complete. You should refer to the applicable certificate of designations set forth in the applicable amendment to our Partnership Agreement for complete information. The prospectus supplement will contain a description of U.S. federal income tax consequences relating to the particular series of preferred units.

DESCRIPTION OF DEBT SECURITIES

We may issue senior debt securities or subordinated debt securities under one or more separate indentures between us and Wilmington Trust, National Association, as trustee, or as otherwise named in an applicable supplement to this prospectus. Following the execution of any indenture, the indenture will be filed with the SEC and incorporated by reference in the registration statement of which this prospectus is a part.

The following summary describes certain material terms and provisions of our debt securities. When we offer to sell a particular series of debt securities, we will describe the specific terms of the series in the applicable supplement to this prospectus. You should read the applicable indenture for more details regarding the provisions of particular debt securities.

General

The debt securities will be our direct obligations, which may be either senior debt securities or subordinated debt securities. The debt securities will be issued under one or more indentures. Senior securities and subordinated securities may be issued pursuant to separate indentures, in each case between us and a trustee, which may be the same indenture trustee, subject to such amendments or supplements as may be adopted from time to time. The senior indenture and the subordinated indenture, as amended or supplemented from time to time, are sometimes hereinafter referred to collectively as the “indentures.” The indentures will be subject to and governed by the Trust Indenture Act of 1939, as amended. The statements made under this heading relating to the debt securities and the indentures

are summaries of their provisions, do not purport to be complete and are qualified in their entirety by reference to the indentures and the debt securities.

Terms

The indebtedness represented by the senior securities will rank equally with all our other unsecured and unsubordinated indebtedness. The indebtedness represented by subordinated securities will be subordinated in right of payment to the prior payment in full of our senior securities. The particular terms of the debt securities offered by us will be described in one or more supplements to this prospectus, along with any applicable federal income tax considerations unique to such debt securities. Accordingly, for a description of the terms of any series of debt securities, reference must be made to both the prospectus supplement relating to that series and the description of the debt securities set forth in this prospectus.

Except as set forth in any prospectus supplement, our debt securities may be issued without limits as to aggregate principal amount, in one or more series, in each case as established from time to time by us or as set forth in the applicable indenture. The terms of each series of our debt securities will be established by or pursuant to a resolution of the Board of Managers of Greystone Manager and set forth or determined in the manner provided in a resolution of the Board of Managers, in an officer's certificate or by a supplemental indenture. All debt securities of one series need not be issued at the same time and, unless otherwise provided, a series may be reopened, without the consent of the holders of the debt securities of that series, for issuance of additional debt securities of that series.

Any indenture trustee under an indenture may resign or be removed with respect to one or more series of debt securities as provided in the applicable indenture and a successor indenture trustee will be appointed to act with respect to such series.

The following sets forth certain general terms and provisions of the indentures and the debt securities. The prospectus supplement relating to the series of debt securities being offered will contain further terms of those debt securities, including the following specific terms:

- the title of the debt securities and whether the debt securities are secured, unsecured, senior securities or subordinated securities;
- the aggregate principal amount of the debt securities and any limit on such aggregate principal amount;
- the price (expressed as a percentage of the principal amount of the series) at which the debt securities will be issued and, if other than the principal amount of the debt securities, the portion of the principal amount of the debt securities payable upon declaration of the maturity of the debt securities, or (if applicable) the portion of the principal amount of the debt securities that is convertible into depositary units or preferred units, or the method by which any such portion shall be determined;
- if convertible, the terms on which such debt securities are convertible, including the initial conversion price or rate and the conversion period and any applicable limitations on the ownership or transferability of the Units receivable on conversion;
- the date or dates, or the method for determining the date or dates, on which the principal of the debt securities will be payable;
- the rate or rates (which may be fixed or variable), or the method by which the rate or rates shall be determined, at which the debt securities will bear interest, if any;
- the date or dates, or the method for determining the date or dates, from which any interest will accrue, the dates on which any interest will be payable, the record dates for interest payment dates, or the method by which the record dates shall be determined, the persons to whom interest shall be payable, and the basis upon which interest shall be calculated if other than that of a 360-day year of twelve 30-day months;

- the place or places where the principal of (and premium, if any) and interest, if any, on the debt securities will be payable, where the debt securities may be surrendered for conversion or registration of transfer or exchange and where notices or demands to or upon us with respect to the debt securities and the applicable indenture may be served;
- the period or periods, if any, within which, the price or prices at which and the other terms and conditions upon which the debt securities may, pursuant to any optional or mandatory redemption provisions, be redeemed, as a whole or in part, at our option;
- our obligation, if any, to redeem, repay or purchase the debt securities pursuant to any sinking fund or analogous provision or at the option of a holder of the debt securities, and the period or periods within which, the price or prices at which and the other terms and conditions upon which the debt securities will be redeemed, repaid or purchased, as a whole or in part, pursuant to such obligation;
- whether the amount of payments of principal of (and premium, if any) or interest, if any, on such debt securities may be determined with reference to an index, formula, or other method (which index, formula, or method may, but need not, be based on a currency, currencies, currency unit or units, or composite currency or currencies) and the manner in which such amounts shall be determined;
- whether the debt securities will be issued in certificated or book-entry form and, if so, the identity of the depositary for such securities;
- whether such debt securities will be in registered form and, if in registered form, the denominations thereof if other than minimum denominations of \$1,000 and any integral multiple thereof;
- the applicability, if any, of the defeasance and covenant defeasance provisions described in this prospectus or set forth in the applicable prospectus supplement and indenture, or any modification thereof;
- whether and under what circumstances we will pay any additional amounts on the debt securities in respect of any tax, assessment or governmental charge and, if so, whether we will have the option to redeem the debt securities in lieu of making such payment;
- any deletions from, modifications of, or additions to the events of default or our covenants, to the extent different from those described in this prospectus, and any change in the right of any trustee or any of the holders to declare the principal amount of any debt securities due and payable;
- the provisions, if any, relating to the security provided for the debt securities; and
- any other terms of the debt securities not inconsistent with the provisions of the applicable indenture.

If so provided in the applicable prospectus supplement, our debt securities may be issued at a discount below their principal amount and provide for less than their entire principal amount to be payable upon declaration of acceleration of the maturity of such debt securities. In such cases, any special U.S. federal income tax, accounting and other considerations applicable to the securities will be described in the applicable prospectus supplement.

Except as may be set forth in any prospectus supplement, neither our debt securities nor the applicable indenture will contain any provisions that would limit our ability to incur indebtedness or that would afford holders of our debt securities protection in the event of a highly leveraged or similar transaction involving us or in the event of a change of control, regardless of whether the indebtedness, transaction or change of control is initiated or supported by us, any of our affiliates or any other party.

Reference is made to the applicable prospectus supplement for information with respect to any deletions from, modifications of, or additions to, the events of default or covenants that are described below, including any addition of a covenant or other provision providing event risk or similar protection.

Denomination, Interest, Registration and Transfer

Unless otherwise described in the applicable prospectus supplement, our debt securities of any series will be issuable in minimum denominations of \$1,000 and integral multiples thereof.

Unless otherwise specified in the applicable prospectus supplement, the principal of (and applicable premium, if any) and interest on any series of debt securities will be payable at the corporate trust office of the applicable indenture trustee, except, that, at our option, payment of interest may be made by check mailed to the address of the person entitled to payment of interest as it appears in the applicable register for the debt securities.

Our debt securities of any series will be exchangeable for any authorized denomination of other debt securities of the same series and of a like aggregate principal amount and tenor upon surrender of the debt securities at the corporate trust office of the applicable indenture trustee or at the office of any registrar designated by us for such purpose. In addition, subject to certain limitations imposed upon debt securities issued in book-entry form, our debt securities of any series may be surrendered for conversion or registration of transfer or exchange thereof at the corporate trust office of the applicable indenture trustee or at the office of any registrar designated by us for such purpose. Every debt security surrendered for conversion, registration of transfer or exchange must be duly endorsed or accompanied by a written instrument of transfer, and the person requesting such action must provide evidence of title and identity satisfactory to the applicable indenture trustee or registrar. Except as may be set forth in any prospectus supplement, no service charge will be made for any registration of transfer or exchange of any debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the registration of any transfer or exchange. If the applicable prospectus supplement refers to any registrar (in addition to the applicable indenture trustee) initially designated by us with respect to any series of debt securities, we may at any time rescind the designation of any such registrar or approve a change in the location through which any registrar acts, except that we will be required to maintain a transfer agent in each place of payment for such series.

We may at any time designate additional registrars with respect to any series of debt securities.

Neither we nor any indenture trustee shall be required (1) to issue, register the transfer of, or exchange debt securities of any series during a period beginning at the opening of business 15 days before the day of the delivery of a notice of redemption of any debt securities that may be selected for redemption and ending at the close of business on the day of the delivery, or (2) to register the transfer of or exchange any debt security, or portion of the debt security, selected for redemption, in whole or in part, except the unredeemed portion of any debt security being redeemed in part.

Merger, Consolidation, or Sale of Assets

The applicable indenture will provide that we may, without the consent of the holders of any outstanding debt securities, consolidate with, or sell, lease or convey all or substantially all of our or its assets to, or merge with or into, any other entity provided that (a) either we shall be the continuing entity, or the successor entity (if other than the Partnership) formed by or resulting from any such consolidation or merger or which shall have received the transfer of such assets, is organized under the laws of any domestic jurisdiction and expressly assumes by supplemental indenture our obligations to pay principal of (and premium, if any) and interest on all of the debt securities and the due and punctual performance and observance of all of the covenants and conditions contained in the indenture; (b) immediately after the transaction, no event of default under the applicable indenture, and no event which, after notice or the lapse of time, or both, would become an event of default, exists; and (c) an officers' certificate and legal opinion covering these conditions shall be delivered to the applicable indenture trustee.

Unless otherwise provided in the applicable indenture and set forth in the applicable prospectus supplement, the applicable indenture will provide that these conditions will not apply or be required to be complied with in connection with any merger or consolidation or sale, assignment, transfer, conveyance of all or substantially all of our assets to a wholly owned subsidiary, provided that if we are not the surviving entity of the transaction, the surviving entity complies with clauses (a) and (c) of the immediately preceding paragraph.

Covenants

Covenants with respect to any series of debt securities will be set forth in the applicable prospectus supplement.

Subordination of Subordinated Debt Securities

Unless the prospectus supplement indicates otherwise, the following provisions will apply to the subordinated debt securities. To the extent we issue subordinated debt securities, they will also be contractually subordinated to any senior debt securities or other senior indebtedness that we may issue. The indebtedness underlying the subordinated debt securities will be payable only if all payments due under our senior indebtedness, including any outstanding senior debt securities, have been made. If we distribute our assets to creditors upon any dissolution, winding-up, liquidation or reorganization or in bankruptcy, insolvency, receivership or similar proceedings, we must first pay all amounts due or to become due on all senior indebtedness before we pay the principal of, or any premium or interest on, the subordinated debt securities. In the event the subordinated debt securities are accelerated because of any event of default, we may not make any payment on the subordinated debt securities until either we have paid all senior indebtedness or the acceleration is rescinded.

If we experience a bankruptcy, dissolution, or reorganization, holders of senior indebtedness may receive more, ratably, and holders of subordinated debt securities may receive less, ratably, than our other creditors.

Events of Default, Notice and Waiver

Unless otherwise set forth in the applicable prospectus supplement, each indenture will provide that the following events are “Events of Default” with respect to any series of debt securities:

- (1) default for 30 days in the payment of any installment of interest on any debt security of that series or in the performance of certain covenants contained in the indenture;
- (2) default in the payment of principal of (or premium, if any, on) any debt security of the series at its maturity upon redemption or otherwise;
- (3) default in the performance or breach of any other covenant contained in the indenture (other than a covenant added to the indenture solely for the benefit of a series of debt securities issued under the indenture other than such series), continued for 60 days after written notice as provided in the applicable indenture has been given;
- (4) certain events of bankruptcy, insolvency, or reorganization, or court appointment of a receiver, liquidator, or trustee of our company or any guarantor that is a significant subsidiary, as defined; and
- (5) any other event of default provided with respect to a particular series of debt securities.

If an event of default under any indenture with respect to debt securities of any series at the time outstanding occurs and is continuing, then in every such case the applicable indenture trustee or the holders of not less than 25% in principal amount of the debt securities of that series will have the right to declare the principal amount (or, if the debt securities of that series are original issue discount securities or indexed securities, such portion of the principal amount as may be specified in the terms of those debt securities) of all the debt securities of that series to be due and payable immediately by written notice thereof to us (and to the applicable indenture trustee if given by the holders). However, at any time after such a declaration of acceleration with respect to debt securities of any series (or of all debt securities then outstanding under any indenture, as the case may be) has been made, but before a judgment or decree for payment of the money due has been obtained by the applicable indenture trustee, the holders of not less than a majority in principal amount of outstanding debt securities of that series (or of all debt securities then outstanding under the applicable indenture, as the case may be) may rescind and annul the declaration and its consequences subject to certain conditions provided in the applicable indenture. The indentures also will provide that the holders of not less than a majority in principal amount of the outstanding debt securities of any

series (or of all debt securities then outstanding under the applicable indenture, as the case may be) may waive any past default with respect to that series and its consequences, except a default in the payment of the principal of (or premium, if any) or interest on any debt security of that series or in respect of a covenant or provision which under the indenture cannot be modified or amended without the consent of each holder affected by such modification or amendment.

The indentures will require each indenture trustee to give notice to the holders of debt securities within the later of 90 days of a default or a responsible officer of the trustee obtaining actual notice of such default under the applicable indenture unless the default shall have been cured or waived; provided, however, that the indenture trustee may withhold notice to the holders of any series of debt securities of any default with respect to the series if specified responsible officers of such indenture trustee consider withholding of notice to be in the interest of the holders.

Except as may be set forth in any prospectus supplement, each indenture will provide that no holder of debt securities of any series may institute any proceeding, judicial or otherwise, with respect to such indenture or for any remedy under it, except in the case of failure of the applicable indenture trustee, for 60 days, to act after it has received a written request to institute proceedings in respect of an event of default from the holders of not less than 25% in principal amount of the outstanding debt securities of that series, as well as an indemnity reasonably satisfactory to it, and the holders of a majority in aggregate principal amount of the outstanding securities of that series have not given the trustee a direction inconsistent with the request. This provision will not prevent, however, any holder of debt securities from instituting suit for the enforcement of payment of the principal of (and premium, if any) and interest on the debt securities on or after the respective due dates thereof.

The indentures will provide that an indenture trustee will be under no obligation to exercise any of its rights or powers under an indenture at the request or direction of any holders of any series of debt securities then outstanding under that indenture, unless the holders shall have offered and provided to the indenture trustee under that indenture security or indemnity satisfactory to it. The holders of not less than a majority in principal amount of the outstanding debt securities of any series (or of all debt securities then outstanding under an indenture, as the case may be) shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the applicable indenture trustee, or of exercising any trust or power conferred upon the indenture trustee. However, an indenture trustee may refuse to follow any direction which is in conflict with any law or the applicable indenture, which may involve the indenture trustee in personal liability or which may be prejudicial to the holders of debt securities of such series not joining therein (provided, however, that the trustee shall have no duty to determine whether any such direction is prejudicial to any holder).

Within 90 days after the close of each fiscal year, we will be required to deliver to each indenture trustee a certificate, signed by one of several of our specified officers, stating among other things whether or not the officer has knowledge of any default under the applicable indenture and, if so, specifying each default and the nature and status of the default.

Modification of the Indentures

Except as may be set forth in any prospectus supplement, modifications and amendments of an indenture will be permitted to be made only with the consent of the holders of not less than a majority in principal amount of all outstanding debt securities issued under the indenture affected by the modification or amendment; provided, however, that no modification or amendment may, without the consent of the holder of each debt security affected thereby, (1) extend the stated maturity of the principal of, or any installment of interest (or premium, if any) on, any the debt security; (2) reduce the principal amount of, or the rate or amount of interest on, or any premium payable on redemption of, any such debt security, or reduce the amount of principal of an original issue discount security that would be due and payable upon declaration of acceleration of its maturity or would be provable in bankruptcy, or adversely affect any right of repayment of the holder of any such debt security; (3) change the coin or currency for payment of principal of, premium, if any, or interest on any the debt security; or (4) modify any of the foregoing provisions or any of the provisions relating to the waiver of certain past defaults or covenants or modify certain covenants.

The holders of a majority in aggregate principal amount of the outstanding debt securities of each series may, on behalf of all holders of debt securities of that series, waive, insofar as that series is concerned, compliance by us with certain restrictive covenants of the applicable indenture.

Modifications and amendments of an indenture will be permitted to be made by us and the respective indenture trustee without the consent of any holder of debt securities for any of the following purposes among certain others:

- (1) to evidence the succession of another person to our company as obligor under the indenture;
- (2) to add to the covenants of our company for the benefit of the holders of all or any series of debt securities or to surrender any right or power conferred upon us in such indenture;
- (3) to change or eliminate any provisions of the indenture restricting the payment of principal or premium with respect to securities in registered form, provided that the action shall not adversely affect the interest of the holders of the debt securities of any series in any material respect;
- (4) in the case of subordinated securities, to make any change to the provisions of an indenture that would limit or terminate the benefits available to any holder of senior indebtedness, but only if each such holder of senior indebtedness consents to such change;
- (5) to add guarantees with respect to the securities or to secure the securities;
- (6) to convey, transfer, assign, mortgage, or pledge any property to the indenture trustee;
- (7) to modify an indenture so as to permit its qualification under the Trust Indenture Act;
- (8) to make any change that does not adversely affect the rights of any holder;
- (9) to add to, change or eliminate any provisions of an indenture; provided that any such addition, change or elimination not otherwise permitted under the indenture (i) shall be effective only when there are no debt securities outstanding of any series created prior thereto which are entitled to the benefit of such provision, or (ii) does not apply to nor modify the rights of the holders of any such debt securities;
- (10) to establish the form or terms of securities and coupons of any series of securities;
- (11) to provide for the acceptance of appointment by a successor indenture trustee or facilitate the administration of the trusts under an indenture by more than one indenture trustee; or
- (12) to cure any ambiguity, defect or inconsistency in an indenture.

The indentures will provide that, in determining whether the holders of the requisite principal amount of outstanding debt securities of a series have given any request, demand, authorization, direction, notice, consent, or waiver under the applicable indenture or whether a quorum is present at a meeting of holders of debt securities, the principal amount of an original issue discount security that shall be deemed to be outstanding shall be the amount of principal that would be due and payable as of the date of the determination upon declaration of acceleration of the maturity of the original discount issue security pursuant to the indenture.

Unless otherwise set forth in the applicable prospectus supplement, we will be permitted, at our option, to discharge certain obligations to holders of any series of debt securities issued under any indenture that have not already been delivered to the applicable indenture trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the applicable indenture trustee, in trust, funds in the currency or currencies, currency unit or units or composite currency or currencies in which the debt securities are payable in an amount sufficient to pay the entire indebtedness on the debt securities with respect to principal (and premium, if any) and interest to the

date of the deposit (if such debt securities have become due and payable) or to the stated maturity or redemption date, as the case may be.

Unless otherwise indicated in the applicable prospectus supplement, the indentures will provide that we may elect either:

- (1) to defease and be discharged from any and all obligations with respect to such debt securities; or
- (2) to be released from our obligations with respect to covenants under the applicable indenture;

in either case upon the irrevocable deposit by us with the applicable indenture trustee, in trust, of an amount sufficient to pay the principal of (and premium, if any) and interest on the debt securities on the stated maturity or on the applicable redemption date.

Such a trust will only be permitted to be established if, among other things, we have delivered to the applicable indenture trustee an opinion of counsel (as specified in the applicable indenture) and to the effect that the holders of the outstanding debt securities will not recognize income, gain, or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred. In the event of defeasance, the holders of debt securities would thereafter be able to look only to the trust fund for payment of principal (and premium, if any) and interest.

The applicable prospectus supplement may further describe the provisions, if any, permitting such defeasance or covenant defeasance, including any modifications to the provisions described above, with respect to the debt securities of or within a particular series.

Conversion Rights

The terms and conditions, if any, upon which the debt securities are convertible into Units will be set forth in the applicable prospectus supplement relating thereto. Such terms will include whether such debt securities are convertible into BUCs or preferred units, the conversion price (or manner of calculation thereof), the conversion period, provisions as to whether conversion will be at our option or the option of the holders, the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of such debt securities and any restrictions on conversion.

Payment

Unless otherwise set forth in the applicable prospectus supplement, the principal of (and applicable premium, if any) and interest on any series of debt securities will be payable at the office of the paying agent, which shall be the corporate trust office of the indenture trustee, the address of which will be stated in the applicable prospectus supplement; provided that, at our option payment of interest may be made by check mailed to the address of the person entitled thereto as it appears in the applicable register for such debt securities or by wire transfer of funds to such person at an account maintained within the United States.

All moneys paid by us to a paying agent or an indenture trustee for the payment of the principal of or any premium or interest on any debt security which remain unclaimed at the end of one year after such principal, premium or interest has become due and payable will be repaid to us, and the holder of such debt security thereafter may look only to us for payment thereof.

Global Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depository identified in the applicable prospectus supplement relating to such series. Global securities will be issued in registered form and in either temporary or permanent form. The specific terms of the depository arrangement with respect to a series of debt securities will be described in the applicable prospectus supplement relating to such series.

MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

This section is a summary of the material U.S. federal income tax considerations that may be relevant to prospective BUC Holders who are individual citizens or residents of the United States. A description of the material U.S. federal income tax consequences of the acquisition, ownership, and disposition of preferred units and debt securities will be set forth in a prospectus supplement relating to the offering of such securities. This section is based upon current provisions of the IRC, existing and proposed Treasury regulations promulgated under the IRC (the “Treasury Regulations”), and current administrative rulings and court decisions, all of which are subject to change. Later changes in these authorities may cause the tax consequences to vary substantially from the consequences described below. The tax consequences to you of an investment in our BUCs will depend in part on your own tax circumstances. Unless the context otherwise requires, references in this section to “us” or “we” are references to Greystone Housing Impact Investors LP, and our consolidated subsidiaries.

The following discussion does not comment on all U.S. federal income tax matters affecting us or our Unitholders and does not describe the application of the alternative minimum tax that may be applicable to certain Unitholders. Moreover, the discussion focuses on Unitholders who are individual citizens or residents of the United States and has only limited application to corporations, estates, entities treated as partnerships for U.S. federal income tax purposes, trusts, nonresident aliens, U.S. expatriates and former citizens or long-term residents of the United States or other BUC Holders subject to specialized tax treatment, such as banks, insurance companies and other financial institutions, tax-exempt institutions, foreign persons (including, without limitation, controlled foreign corporations, passive foreign investment companies and foreign persons eligible for the benefits of an applicable income tax treaty with the United States), individual retirement accounts (IRAs), real estate investment trusts (REITs) or mutual funds, dealers in securities or currencies, traders in securities, U.S. persons whose “functional currency” is not the U.S. dollar, persons holding their units as part of a “straddle,” “hedge,” “conversion transaction” or other risk reduction transaction, persons subject to special tax accounting rules as a result of any item of gross income with respect to our units being taken into account in an applicable financial statement and persons deemed to sell their Units under the constructive sale provisions of the IRC. In addition, the discussion only comments, to a limited extent, on state, local and foreign tax consequences, and does not address the Medicare 3.8% net investment income tax. Accordingly, we encourage each prospective Unitholder to consult his, her, or its own tax advisor in analyzing the state, local and foreign tax consequences particular to such holder of the ownership or disposition of BUCs and potential changes in applicable laws.

All statements of law and legal conclusions, but not any statements of fact, contained in this section, except as described below or otherwise noted, are the opinion of Barnes & Thornburg LLP and are based on the accuracy of representations made by us to Barnes & Thornburg LLP for this purpose. Barnes & Thornburg LLP is unable to opine that interest on any mortgage revenue bond held by the Partnership is currently excludable from gross income of a bondholder for U.S. federal income tax purposes because the facts necessary to provide such an opinion are unknown and not reasonably available to the Partnership or counsel, such facts cannot be obtained by the Partnership or counsel without unreasonable effort or expense, and because such facts rest peculiarly within the knowledge of other persons not affiliated with the Partnership. Specifically, such opinion would require detailed information and calculations from the respective issuer, borrower, bond trustee, and guarantors of each mortgage revenue bond regarding eligibility under and compliance with the applicable provisions of the IRC and Treasury Regulations, including without limitation, information and computations relating to the investment of bond proceeds, use of bond proceeds, occupancy of bond-financed properties and rebate payments to the United States. Both the Partnership and its counsel have determined it is not possible to obtain this information and computations for all mortgage revenue bonds.

No ruling on the U.S. federal, state, or local tax considerations relevant to the purchase, ownership and disposition of the Partnership's Units, or the statements or conclusions in this description, has been or will be requested from the Internal Revenue Service ("IRS") or from any other tax authority, and a taxing authority, including the IRS, may not agree with the statements and conclusions expressed herein. In the opinion of Barnes & Thornburg LLP, based upon the IRC, the Treasury Regulations, published revenue rulings and court decisions, and the representations described below, the Partnership will be classified as a partnership for U.S. federal income tax purposes. However, no assurance can be given that any opinion of counsel would be accepted by the IRS or, if challenged by the IRS, sustained in court. Any contest of this sort with the IRS may materially and adversely impact the market for our Units, including the prices at which our BUCs trade. In addition, the costs of any contest with the IRS, principally legal, accounting and related fees, will result in a reduction in cash available for distribution to our Unitholders and our General Partner and thus will be borne indirectly by our Unitholders and our General Partner. Furthermore, the tax treatment of us, or of an investment in us, may be significantly modified by future legislative or administrative changes or court decisions. Any modifications may or may not be retroactively applied.

In rendering its opinion set forth in the preceding paragraph, Barnes & Thornburg LLP has relied on factual representations made by us and the General Partner. The representations made by us and the General Partner upon which Barnes & Thornburg LLP has relied include:

- We have not elected to be, will not elect to be, and are not otherwise treated as a corporation for U.S. federal income tax purposes; and
- For each taxable year, more than 90% of our gross income has been and will be income of the type that is "qualifying income" within the meaning of Section 7704(d) of the IRC.

We urge you to consult your own tax advisors about the specific tax consequences to you of purchasing, holding, and disposing of our BUCs, including the application and effect of U.S. federal, state, local and foreign income and other tax laws.

Taxation of the Partnership

Partnership Status

An entity that is treated as a partnership for U.S. federal income tax purposes generally will not be liable for entity-level federal income taxes. Instead, as described below, each partner of the partnership (and in our case, our Unitholders) will take into account its respective share of the items of income, gain, loss and deduction of the partnership in computing its federal income tax liability as if the partner (and in our case, the Unitholder) had earned such income directly, regardless of whether cash distributions are made to the partner by the partnership. Distributions by a partnership to a partner generally are not taxable to the partnership or the partner unless the amount of cash distributed to the partner is in excess of the partner's adjusted tax basis in his, her, or its partnership interest. Please read "*Allocation of Income, Gain, Loss and Deduction*" and "*Treatment of Distributions on BUCs*."

Section 7704 of the IRC generally provides that publicly traded partnerships will be treated as corporations for federal income tax purposes. However, if 90% or more of a partnership's gross income for every taxable year it is publicly traded consists of "qualifying income," the partnership may continue to be treated as a partnership for federal income tax purposes (the "Qualifying Income Exception"). Qualifying income includes income and gains derived from the exploration, development, mining or production, processing, transportation, and marketing of certain natural resources, including crude oil, natural gas and products thereof, as well as other types of income such as interest (other than from a financial business) and dividends. We estimate that less than 2% of our current gross income is not qualifying income; however, this estimate could change from time to time.

No ruling has been or will be sought from the IRS and the IRS has made no determination as to our status or the status of our operating subsidiaries for federal income tax purposes or whether our operations generate "qualifying income" under Section 7704 of the IRC. However, as noted above, Barnes & Thornburg LLP, as

described and qualified above, is of the opinion that we will be classified as a partnership for U.S. federal income tax purposes.

If we fail to meet the Qualifying Income Exception, other than a failure that is determined by the IRS to be inadvertent and that is cured within a reasonable time after discovery (in which case the IRS may also require us to make adjustments with respect to our Unitholders or pay other amounts), we will be treated as transferring all of our assets, subject to liabilities, to a newly formed corporation, on the first day of the year in which we fail to meet the Qualifying Income Exception, in return for stock in that corporation and then as distributing that stock to our Unitholders in liquidation. This deemed contribution and liquidation should not result in the recognition of taxable income by our Unitholders or us so long as our liabilities do not exceed the tax basis of our assets. Thereafter, we would be treated as an association taxable as a corporation for federal income tax purposes.

The present federal income tax treatment of publicly traded partnerships, including us, or an investment in our units may be modified by administrative or legislative action or judicial interpretation at any time. For example, from time to time, members of the U.S. Congress propose and consider substantive changes to the existing federal income tax laws that affect publicly traded partnerships, and which may affect a Unitholder's investment.

At the state level, several states have been evaluating ways to subject partnerships to entity-level taxation through the imposition of state income, franchise, or other forms of taxation. Imposition of a similar tax on us in the jurisdictions in which we operate or in other jurisdictions to which we may expand could substantially reduce our cash available for distribution to our Unitholders.

If for any reason we are taxable as a corporation in any taxable year, our items of income, gain, loss and deduction would be taken into account by us in determining the amount of our liability for federal income tax, rather than being passed through to our Unitholders. Our taxation as a corporation would materially reduce the cash available for distribution to Unitholders and thus would likely substantially reduce the value of our units. Any distribution made to a Unitholder at a time we are treated as a corporation would be (i) a taxable dividend to the extent of our current or accumulated earnings and profits, then (ii) a nontaxable return of capital to the extent of the Unitholder's tax basis in its units, and thereafter (iii) taxable capital gain.

The remainder of this discussion is based on the opinion of Barnes & Thornburg LLP that we will be treated as a partnership for federal income tax purposes.

Tax Consequences of Unit Ownership

BUC Holder Status

We will treat BUC Holders as partners in the Partnership and distributions paid to BUC Holders as being made to such holders in their capacity as partners for U.S. federal income tax purposes. Also, BUC Holders whose BUCs are held in street name or by a nominee and who have the right to direct the nominee in the exercise of all substantive rights attendant to the ownership of their BUCs will be treated as partners of the Partnership for U.S. federal income tax purposes.

A beneficial owner of BUCs whose BUCs have been transferred to a short seller to complete a short sale would appear to lose such owner's status as a partner with respect to those Units for federal income tax purposes. See below under "*Treatment of Securities Loans.*"

Income, gains, deductions, or losses, would not appear to be reportable by a BUC Holder who is not a partner for U.S. federal income tax purposes, and any cash distributions received by a BUC Holder who is not a partner for U.S. federal income tax purposes would therefore appear to be fully taxable as ordinary income.

For a discussion related to the risks of losing partner status as a result of securities loans, please read "*Tax Consequences of Units Ownership – Treatment of Securities Loans.*" BUC Holders who are not treated as partners of the Partnership as described above or who may be at risk of such treatment are urged to consult their own tax advisors with respect to the tax consequences applicable to them under their particular circumstances.

The remainder of this discussion assumes that BUC Holders are treated as partners in the Partnership and that distributions to BUC Holders will be made to such holders in their capacity as partners.

Flow-Through of Taxable Income

Subject to the discussion below under “– *Entity-Level Collections of Unitholder Taxes*” with respect to payments we may be required to make on behalf of our Unitholders, we do not pay any federal income tax. Rather, each Unitholder will be required to report on its federal income tax return each year the income, gains, losses and deductions allocated to such holder for our taxable year or years ending with or within its taxable year. Consequently, we may allocate income to a Unitholder even if that Unitholder has not received a cash distribution.

We will treat distributions that are declared to BUC Holders as distributions by the Partnership to the BUC Holders in connection with their interests in the Partnership.

Basis of Units

A Unitholder’s tax basis in its units (including BUCs) initially will be the amount paid for those units. A BUC Holder’s basis will be increased by the holder’s initial allocable share of our liabilities. A BUC Holder’s basis will be (i) increased by the BUC Holder’s share of our income and any increases in such holder’s share of our liabilities, and (ii) decreased, but not below zero, by the amount of all distributions to the BUC Holder, such holder’s share of our losses, any decreases in the BUC Holder’s share of our liabilities, and certain other items.

The IRS has ruled that a partner who acquires interests in a partnership in separate transactions must combine those interests and maintain a single adjusted tax basis for all of those interests. If you own BUCs and preferred units, please consult your tax advisor with respect to determining the consequences on your basis in your units.

Treatment of Distributions on BUCs

Distributions by us to a BUC Holder generally will not be taxable to the BUC Holder for U.S. federal income tax purposes, except to the extent the amount of any such cash distribution exceeds the holder’s tax basis in its units immediately before the distribution. Our cash distributions in excess of a BUC Holder’s tax basis generally will be considered to be gain from the sale or exchange of the units, taxable in accordance with the rules described under “– *Disposition of Units*.” Any reduction in a Unitholder’s share of our liabilities for which no partner, including the General Partner, bears the economic risk of loss, known as “nonrecourse liabilities,” will be treated as a distribution by us of cash to that Unitholder. To the extent our distributions cause a Unitholder’s “at-risk” amount to be less than zero at the end of any taxable year, the Unitholder must recapture any losses deducted in previous years. See below “– *Limitations on Deductibility of Losses*.”

A non-pro rata distribution of money or property may result in ordinary income to a Unitholder, regardless of the Unitholder’s tax basis in its units, if the distribution reduces the Unitholder’s share of our “unrealized receivables,” including depreciation recapture and/or substantially appreciated “inventory items,” each as defined in the IRC, and collectively, “Section 751 Assets.” Please see “– *Disposition of Units – Recognition of Gain or Loss*” for more discussion of Section 751 Assets.

Limitations on Deductibility of Losses

A Unitholder may not be entitled to deduct the full amount of loss we allocate to it because its share of our losses will be limited to the lesser of (i) the Unitholder’s adjusted tax basis in its units, and (ii) in the case of a Unitholder that is an individual, estate, trust or certain types of closely-held corporations, the amount for which the Unitholder is considered to be “at risk” with respect to our activities. A Unitholder will be at risk to the extent of its adjusted tax basis in its units, reduced by (1) any portion of that basis attributable to the Unitholder’s share of our nonrecourse liabilities, (2) any portion of that basis representing amounts otherwise protected against loss because of a guarantee, stop loss agreement or similar arrangement and (3) any amount of money the Unitholder borrows to

acquire or hold its units, if the lender of those borrowed funds owns an interest in us, is related to another Unitholder or can look only to the units for repayment.

A Unitholder subject to the at risk limitation must recapture losses deducted in previous years to the extent that distributions (including distributions deemed to result from a reduction in a Unitholder's share of nonrecourse liabilities) cause the Unitholder's at risk amount to be less than zero at the end of any taxable year. Losses disallowed to a Unitholder or recaptured as a result of the basis or at risk limitations will carry forward and will be allowable as a deduction in a later year to the extent that the Unitholder's adjusted tax basis or at risk amount, whichever is the limiting factor, is subsequently increased. Upon a taxable disposition of units, any gain recognized by a Unitholder can be offset by losses that were previously suspended by the at risk limitation but not losses suspended by the basis limitation. Any loss previously suspended by the at risk limitation in excess of that gain can no longer be used and will not be available to offset a Unitholder's salary or active business income.

In addition to the basis and at risk limitations, a passive activity loss limitation limits the deductibility of losses incurred by individuals, estates, trusts, some closely held corporations and personal service corporations from "passive activities" (such as, trade or business activities in which the taxpayer does not materially participate). The passive loss limitations are applied separately with respect to each publicly traded partnership. Consequently, any passive losses we generate will be available to offset only passive income generated by us. Passive losses that exceed a Unitholder's share of the passive income we generate may be deducted in full when a Unitholder disposes of all of its units in a fully taxable transaction with an unrelated party. The passive activity loss rules are applied after other applicable limitations on deductions, including the at risk and basis limitations.

For taxpayers other than corporations in taxable years beginning after December 31, 2020 (as revised by the Coronavirus Aid, Relief, and Economic Security Act, or CARES Act, of 2020), an "excess business loss" limitation further limits the deductibility of losses by such taxpayers. The limitation originally would not have applied to tax years beginning after 2025, but the One Big Beautiful Bill Act, which was signed into law on July 4, 2025 (the "OBBBA"), made the limitation permanent. An excess business loss is the excess (if any) of a taxpayer's aggregate deductions for the taxable year that are attributable to the trades or businesses of such taxpayer (determined without regard to the excess business loss limitation) over the aggregate gross income or gain of such taxpayer for the taxable year that is attributable to such trades or businesses plus a threshold amount. Disallowed excess business losses are treated as a net operating loss carryover to the following tax year. Any losses we generate that are allocated to a Unitholder and not otherwise limited by the basis, at risk, or passive loss limitations will be included in the determination of such Unitholder's aggregate trade or business deductions. Consequently, any losses we generate that are not otherwise limited and that are subject to this limitation will only be available to offset a Unitholder's other trade or business income plus an amount of non-trade or business income equal to the applicable threshold amount. Thus, except to the extent of the threshold amount, our losses that are not otherwise limited may not offset a Unitholder's non-trade or business income (such as salaries, fees, interest, dividends and capital gains). This excess business loss limitation will be applied after the passive activity loss limitation.

Limitations on Interest Deductions

Commencing with taxable years beginning after December 31, 2017, the Tax Cuts and Jobs Act of 2017 restricts the amount of interest expense that may be deducted. Generally, "business interest" expenses are now deductible only to the extent of business interest income plus 30% of "adjusted taxable income." Any disallowed amount may be carried forward indefinitely.

"Business interest" is interest paid or accrued with respect to indebtedness allocable to a trade or business. It does not include investment interest expense. The 30% limit applies to "adjusted taxable income." For the first four years of this new limitation, a person's "adjusted taxable income" means taxable income from trade or business activities, computed before any deductions for interest, depreciation, amortization, net operating losses and the new pass-through deduction. Originally, in the case of taxable years beginning on or after January 1, 2022, depreciation and amortization deductions were not added back to income. As a result, there was a lower limit on the amount of interest that could have been deducted. However, the OBBBA changed the limitation back to allow the addback of depreciation and amortization for tax years beginning after December 31, 2024. The Partnership does not expect to have a trade or business that would cause interest allocated to Unitholders to be treated as business interest.

The deductibility of a non-corporate taxpayer's "investment interest expense" generally is limited to the amount of that taxpayer's "net investment income." Investment interest expense includes interest on indebtedness properly allocable to property held for investment, our interest expense attributed to portfolio income, and the portion of interest expense incurred to purchase or carry an interest in a passive activity to the extent attributable to portfolio income.

The computation of a BUC Holder's investment interest expense will take into account interest on any margin account borrowing or other loan incurred to purchase or carry a unit. Net investment income includes gross income from property held for investment and amounts treated as portfolio income under the passive loss rules, less deductible expenses, other than interest, directly connected with the production of investment income, but generally does not include gains attributable to the disposition of property held for investment or (if applicable) qualified dividend income. The IRS has indicated that the net passive income earned by a publicly traded partnership will be treated as investment income to its Unitholders. In addition, the BUC Holder's share of our portfolio income will be treated as investment income.

Prospective investors are urged to consult their own tax advisors with respect to the interest expense limitation rules.

Entity-Level Collections of Unitholder Taxes

If we are required or elect under applicable law to pay any federal, state, local or non-U.S. tax on behalf of any current or former Unitholder, we are authorized to treat the payment as a distribution of cash to the relevant Unitholder. Where the tax is payable on behalf of all Unitholders or we cannot determine the specific Unitholder on whose behalf the tax is payable, we are authorized to treat the payment as a distribution to all current Unitholders. We are authorized to amend our partnership agreement in the manner necessary to maintain uniformity of intrinsic tax characteristics of units and to adjust later distributions, so that after giving effect to these distributions, the priority and characterization of distributions otherwise applicable under our partnership agreement is maintained as nearly as is practicable. Payments by us as described above could give rise to an overpayment of tax on behalf of a Unitholder, in which event the Unitholder may be entitled to claim a refund of the overpayment amount. Unitholders are urged to consult their tax advisors to determine the consequences to them of any tax payment we make on their behalf.

Limitation on Miscellaneous Itemized Deductions

A non-corporate taxpayer is prohibited from taking itemized deductions for miscellaneous expenses, or "miscellaneous itemized deductions." Prior to the OBBBA, it was provided that for taxable years beginning on or after January 1, 2026, these expenses (i) would be deductible by a non-corporate Unitholder for regular U.S. federal income tax purposes only to the extent that the Unitholder's share of such expenses, when combined with other "miscellaneous itemized deductions," exceeded 2% of its adjusted gross income for the particular year, (ii) would not be deductible by a non-corporate Unitholder for U.S. federal alternative minimum tax purposes, and (iii) would be subject to certain other limitations on deductibility. However, the OBBBA made the disallowance permanent. These limitations would apply to non-corporate BUC Holders if the proposed activities of the Partnership do not constitute a trade or business. There is a risk that the IRS may contend, in any taxable year, that each non-corporate BUC Holder's share of each of the Partnership's otherwise deductible expenses constitutes a miscellaneous expense, potentially subject to disallowance.

Allocation of Income, Gain, Loss and Deduction

In preparing the Partnership's tax returns, and in determining the BUC Holders' allocable share of the Partnership's items of income, gain, loss and deduction, the Partnership will utilize various accounting and reporting conventions, some of which are discussed herein. There is no assurance that the use of such conventions will produce a result that conforms to the requirements of the IRC, Treasury Regulations, or IRS administrative pronouncements, and there is no assurance that the IRS will not successfully challenge the Partnership's use of such conventions.

The Partnership generally allocates each item of its income, gain, loss or deduction among the General Partner and Unitholders in accordance with their respective percentage interests in the Partnership. However, the Partnership will make certain special allocations in connection with the issuance of new BUCs in accordance with the principles of Section 704(c) of the IRC. Upon the issuance of additional BUCs, including BUCs issued in this offering, the Partnership expects that it will restate the “book” capital accounts of the existing BUC Holders under applicable Treasury Regulations in order to reflect the fair market value of the Partnership’s assets at the time additional BUCs are issued. This restatement of the existing BUC Holders’ book capital accounts measures any gain or loss inherent in Partnership assets at the time new BUC Holders are admitted to the Partnership. Section 704(c) requires the Partnership to specially allocate certain items of gain or loss among the BUC Holders in order to eliminate differences between their book capital accounts (which now reflect the fair market value of Partnership property on the date the new BUCs are issued) and their tax capital accounts (which reflect the Partnership’s tax basis in these assets). The effect of the allocations under Section 704(c) to a BUC Holder purchasing BUCs in the offering will be essentially the same as if the tax basis of our assets were equal to the fair market value of our assets at the time of the offering.

Treatment of Securities Loans

A Unitholder whose units are loaned (for example, a loan to “short seller” to cover a short sale of units) may be treated as having disposed of those units. If so, such Unitholder would no longer be treated for tax purposes as a partner with respect to those units during the period of the loan and may recognize gain or loss from the disposition. As a result, during this period (i) any of our income, gain, loss or deduction allocated to those units would not be reportable by the lending Unitholder, and (ii) any cash distributions received by the Unitholder as to those units may be treated as ordinary taxable income.

Due to a lack of controlling authority, Unitholders desiring to assure their status as partners and avoid the risk of income recognition from a loan of their units are urged to consult their tax advisors regarding possible alternatives. The IRS has announced that it is studying issues relating to the tax treatment of short sales of partnership interests. Please read “– *Disposition of Units – Recognition of Gain or Loss.*”

Tax Treatment of Operations

Accounting Method and Taxable Year

We use the year ending December 31 as our taxable year and the accrual method of accounting for federal income tax purposes. Each Unitholder will be required to include in its tax return its allocable share of items of income, gain, loss and deduction of the Partnership for the Partnership’s taxable year ending within or with the holder’s taxable year. A Unitholder that has a taxable year ending on a date other than December 31 and that disposes of all its units following the close of our taxable year but before the close of its taxable year will be required to include in income for its taxable year its allocable share of items of income, gain, loss and deduction, which will correspond to the amount of distributions received from more than one year.

Tax Basis, Depreciation and Amortization

The tax basis of each of our assets will be used for purposes of computing depreciation and cost recovery deductions and, ultimately, gain or loss on the disposition of these assets. If we dispose of depreciable property by sale, foreclosure or otherwise, all or a portion of any gain, determined by reference to the amount of depreciation deductions previously taken, may be subject to the recapture rules and taxed as ordinary income rather than capital gain. Similarly, a Unitholder who has taken cost recovery or depreciation deductions with respect to property we own will likely be required to recapture some or all of those deductions as ordinary income upon a sale of its interest in us. Please read “– *Tax Consequences of Unit Ownership – Allocation of Income, Gain, Loss and Deduction.*”

The costs we incur in offering and selling our units (called “syndication expenses”) generally must be capitalized and cannot be deducted currently, ratably or upon our termination. While there are uncertainties regarding the classification of certain costs as organization expenses, which may be amortized by us, and as

syndication expenses, which may not be amortized by us, the underwriting discounts and commissions we incur will be treated as syndication expenses. Please read “*Disposition of Units – Recognition of Gain or Loss.*”

We were allowed a first-year bonus depreciation deduction equal to 100% of the adjusted basis of certain depreciable property acquired and placed in service after September 27, 2017 and before January 1, 2023. Prior to the OBBBA, bonus depreciation was in a scheduled phase down post-2022. The OBBBA reinstated and made permanent 100% depreciation for qualified property placed in service on or after January 19, 2025. This depreciation deduction applies to both new and used property. However, use of the deduction with respect to used property is subject to certain anti-abuse restrictions, including the requirement that the property be acquired from an unrelated party. We can elect to forgo the depreciation bonus and use the alternative depreciation system for any class of property for a taxable year. Given this relatively new change in the law, we will consider our options accordingly.

Disposition of Units

Recognition of Gain or Loss

A Unitholder will be required to recognize gain or loss on a sale of such units equal to the difference between the Unitholder’s amount realized and tax basis in the units sold. A Unitholder’s amount realized generally will equal the sum of the cash and the fair market value of other property it receives for the unit. Gain or loss recognized by a Unitholder on the sale or exchange of a unit held for more than one year generally will be taxable as long-term capital gain or loss. However, a portion of this gain or loss, which may be substantial, will be separately computed and taxed as ordinary income or loss under Section 751 of the IRC to the extent attributable to Section 751 Assets, such as depreciation recapture and our “inventory items,” regardless of whether such inventory item has substantially appreciated in value. Ordinary income attributable to Section 751 Assets may exceed net taxable gain realized on the sale or exchange of a unit and may be recognized even if there is a net taxable loss realized on the sale or exchange of a unit. Thus, a Unitholder may recognize both ordinary income and a capital gain or loss upon a sale or exchange of a unit. Net capital loss may offset capital gains and, in the case of individuals, up to \$3,000 of ordinary income per year.

Furthermore, as described above, the IRS has ruled that a partner who acquires interests in a partnership in separate transactions must combine those interests and maintain a single adjusted tax basis for all of those interests (presumably including both BUCs and preferred units).

Special rules apply to determining basis and holding period of a Unitholder’s units where less than all of a Unitholder’s interest is sold. A Unitholder considering the purchase of additional units or a sale of units purchased in separate transactions is urged to consult its tax advisor as to the possible consequences of this ruling and application of the Treasury Regulations.

Specific provisions of the IRC affect the taxation of some financial products and securities, including partnership interests, by treating a taxpayer as having sold an “appreciated” financial position, including a partnership interest with respect to which gain would be recognized if it were sold, assigned or terminated at its fair market value, in the event the taxpayer or a related person enters into:

- a short sale;
- an offsetting notional principal contract; or
- a futures or forward contract with respect to the partnership interest or substantially identical property.

Moreover, if a taxpayer has previously entered into a short sale, an offsetting notional principal contract or a futures or forward contract with respect to the partnership interest, the taxpayer will be treated as having sold that position if the taxpayer or a related person then acquires the partnership interest or substantially identical property. The Secretary of the Treasury is authorized to issue Treasury Regulations that treat a taxpayer that enters into transactions or positions that have substantially the same effect as the preceding transactions as having

constructively sold the financial position. Prospective investors should consult their own tax advisors regarding the application of these rules governing the taxation of financial products to their particular investment in the Partnership.

Allocations Between Transferors and Transferees

Unitholders owning units on the record date of any declared distribution (the “Allocation Date”) will be entitled to receive the distribution payable with respect to their units. Purchasers of units after the Allocation Date will therefore not be entitled to a cash distribution on their units until the next Allocation Date.

Notification Requirements

A Unitholder who sells or purchases any of its units generally is required to notify us in writing of that transaction within 30 days after the transaction (or, if earlier, January 15 of the year following the transaction in the case of a seller). Upon receiving such notifications, we are required to notify the IRS of that transaction and to furnish specified information to the transferor and transferee. Failure to notify us of a transfer of units may, in some cases, lead to the imposition of penalties. However, these reporting requirements do not apply to a sale by an individual who is a citizen of the United States and who effects the sale through a broker who will satisfy such requirements.

Uniformity of Units

Because we cannot match transferors and transferees of units, we must maintain uniformity of the economic and tax characteristics of the units to a purchaser of these units. In the absence of uniformity, we may be unable to completely comply with a number of U.S. federal income tax requirements, both statutory and regulatory. A lack of uniformity can result from the application of certain depreciation and amortization methods. Any non-uniformity could have a negative impact on the value of the units. Barnes & Thornburg LLP has not rendered an opinion with respect to our specific methods of depreciation and amortization, and the IRS may challenge these methods. If this challenge were sustained, the uniformity of units might be affected, and the gain from the sale of units might be increased without the benefit of additional deductions. Please read “– *Disposition of Units – Recognition of Gain or Loss.*”

Tax-Exempt Organizations and Other Investors

Ownership of units by employee benefit plans and other tax-exempt organizations as well as by non-resident alien individuals, non-U.S. corporations and other non-U.S. persons (collectively, “Non-U.S. Unitholders”) raises issues unique to those investors and, as described below, may have substantially adverse tax consequences to them. Prospective Unitholders that are tax-exempt entities or non-U.S. Unitholders should consult their tax advisors before investing in our units. Employee benefit plans and most other tax-exempt organizations, including IRAs and other retirement plans, are subject to federal income tax on unrelated business taxable income (“UBTI”). A portion of our income allocated to the Unitholders may be UBTI and, accordingly, will be taxable to a tax-exempt Unitholder. This could include “unrelated debt finance income” (“UDFI”), which can result in certain situations where (i) the tax-exempt Unitholder incurs indebtedness to finance its purchase of units and (ii) we borrow or incur indebtedness to finance the acquisition of certain investments.

Non-U.S. Unitholders are taxed by the United States on income effectively connected with the conduct of a U.S. trade or business (“effectively connected income” or “ECI”) and on certain types of U.S.-source non-effectively connected income (such as dividends and guaranteed payments), unless exempted or further limited by an income tax treaty will be considered to be engaged in business in the United States because of their ownership of our units. Furthermore, is it probable that they will be deemed to conduct such activities through permanent establishments in the United States within the meaning of applicable tax treaties. Consequently, they will be required to file federal tax returns to report their share of our income, gain, loss or deduction and pay federal income tax on their share of our net income or gain in a manner similar to a taxable U.S. Unitholder. Moreover, under rules applicable to publicly traded partnerships, distributions to non-U.S. Unitholders are subject to withholding at the highest applicable effective tax rate. Each non-U.S. Unitholder must obtain a taxpayer identification number from

the IRS and submit that number to our transfer agent on a Form W-8BEN or applicable substitute form in order to obtain credit for these withholding taxes.

In addition, because a non-U.S. Unitholder classified as a corporation will be treated as engaged in a United States trade or business, that corporation may be subject to the U.S. branch profits tax at a rate of 30%, in addition to regular federal income tax, on its share of our income and gain as adjusted for changes in the foreign corporation's "U.S. net equity" to the extent reflected in the corporation's effectively connected earnings and profits. That tax may be reduced or eliminated by an income tax treaty between the United States and the country in which the foreign corporate Unitholder is a "qualified resident." In addition, this type of Unitholder may be subject to special information reporting requirements under Section 6038C of the IRC.

Under Section 864(c)(8) and Section 1446(f) of the IRC, all or a portion of a non-U.S. Unitholder's gain from the sale or other disposition of its units will be treated as effectively connected with a Unitholder's indirect U.S. trade or business constituted by its investment in us. Furthermore, under regulations issued under Section 1446(f), amounts paid to a non-U.S. Unitholder in exchange for units are subject to withholding unless the Unitholder qualifies for an exemption and, where applicable, can furnish required certifications. Moreover, under the Foreign Investment in Real Property Tax Act ("FIRPTA"), a non-U.S. Unitholder generally will be subject to federal income tax and withholding upon the sale or disposition of a unit if (i) it owned (directly or indirectly or constructively applying certain attribution rules) more than 5% of our units at any time during the five-year period ending on the date of such disposition and (ii) 50% or more of the fair market value of our worldwide real property interests and our other assets used or held for use in a trade or business consisted of U.S. real property interests (which include U.S. real estate (including land, improvements, and certain associated personal property) and interests in certain entities holding U.S. real estate) at any time during the shorter of the period during which such Unitholder held the units or the 5-year period ending on the date of disposition. More than 50% of our assets may consist of U.S. real property interests. Therefore, non-U.S. Unitholders may be subject to federal income tax on gain and withholding from the sale or disposition of their units. If both FIRPTA and Section 1446(f) of the IRC require withholding, Section 1446(f) withholding generally takes precedence. Non-U.S. Unitholders strongly are urged to consult their own tax advisors regarding an investment in the Partnership, including the application of withholding tax rules on the sale or other disposition of units.

Administrative Matters

Information Returns and Audit Procedures

We intend to furnish to each Unitholder, within 90 days after the close of each taxable year, specific tax information, including a Schedule K-1, which describes its share of our income, gain, loss and deduction for our preceding taxable year. In preparing this information, which will not be reviewed by counsel, we will take various accounting and reporting positions, some of which have been mentioned earlier, to determine each Unitholder's share of income, gain, loss and deduction. We cannot assure our Unitholders that those positions will yield a result that conforms to all of the requirements of the IRC, Treasury Regulations or administrative interpretations of the IRS.

The IRS may audit our federal income tax information returns. We cannot assure prospective Unitholders that the IRS will not successfully challenge the positions we adopt, and such a challenge could adversely affect the value of our units. Adjustments resulting from an IRS audit may require each Unitholder to adjust a prior year's tax liability, and possibly may result in an audit of the Unitholder's own return. Any audit of a Unitholder's return could result in adjustments unrelated to our returns.

Pursuant to the Bipartisan Budget Act of 2015, for taxable years beginning after December 31, 2017, if the IRS makes audit adjustments to our income tax returns, it may assess and collect any taxes (including any applicable penalties and interest) resulting from such audit adjustment directly from us, unless we elect to have our General Partner, Unitholders and former Unitholders take any audit adjustment into account in accordance with their interests in us during the taxable year under audit. Similarly, for such taxable years, if the IRS makes audit adjustments to income tax returns filed by an entity in which we are a member or partner, it may assess and collect any taxes (including penalties and interest) resulting from such audit adjustment directly from such entity.

Our Partnership Representative may, but is not required to, elect to have our General Partner, Unitholders and former Unitholders take an audit adjustment into account in accordance with their interests in us during the taxable year under audit. If this election is not made, or if other adjustments are made with respect to an entity in which we are a partner or member and that does not similarly elect, our then current Unitholders may bear some or all of the tax liability resulting from such audit adjustment, even if such Unitholders did not own our units during the taxable year under audit. If, as a result of any such audit adjustment, we are required to make payments of taxes, penalties or interest, our cash available for distribution to our Unitholders might be substantially reduced. These rules still are relatively new, and the manner in which they may apply to us in the future is uncertain.

For taxable years beginning after December 31, 2017, we will designate a partner, or other person, with a substantial presence in the United States as the partnership representative (“Partnership Representative”). The Partnership Representative will have the sole authority to act on our behalf for purposes of, among other things, federal income tax audits and judicial review of administrative adjustments by the IRS. If we do not make such a designation, the IRS can select any person as the Partnership Representative. We have designated our General Partner as the Partnership Representative, and we currently anticipate that we will continue to designate our General Partner as the Partnership Representative for the foreseeable future. Further, any actions taken by us or by the Partnership Representative on our behalf with respect to, among other things, federal income tax audits and judicial review of administrative adjustments by the IRS, will be binding on us and all of our Unitholders.

Accuracy-Related Penalties

Certain penalties may be imposed as a result of an underpayment of tax that is attributable to one or more specified causes, including negligence or disregard of rules or regulations, substantial understatements of income tax and substantial valuation misstatements. No penalty will be imposed, however, for any portion of an underpayment if it is shown that there was a reasonable cause for the underpayment of that portion and that the taxpayer acted in good faith regarding the underpayment of that portion. We do not anticipate that any accuracy-related penalties will be assessed against us.

State, Local, Foreign and Other Tax Considerations

In addition to federal income taxes, Unitholders may be subject to other taxes, including state and local income taxes, unincorporated business taxes and estate, inheritance or intangibles taxes that may be imposed by the various jurisdictions in which we conduct business or own property now or in the future or in which the Unitholder is a resident. We conduct business or own property in many states in the United States. Some of these states may impose an income tax on individuals, corporations and other entities. As we make acquisitions or expand our business, we may own property or conduct business in additional states that impose a personal income tax. Although an analysis of those various taxes is not presented here, each prospective Unitholder should consider the potential impact of such taxes on its investment in us.

A Unitholder may be required to file income tax returns and pay income taxes in some or all of the jurisdictions in which we do business or own property, though such Unitholder may not be required to file a return and pay taxes in certain jurisdictions because its income from such jurisdictions falls below the jurisdiction’s filing and payment requirement. Further, a Unitholder may be subject to penalties for a failure to comply with any filing or payment requirement applicable to such Unitholder. Some of the jurisdictions may require us, or we may elect, to withhold a percentage of income from amounts to be distributed to a Unitholder who is not a resident of the jurisdiction. Withholding, the amount of which may be greater or less than a particular Unitholder’s income tax liability to the jurisdiction, generally does not relieve a nonresident Unitholder from the obligation to file an income tax return.

Under Sections 1471 through 1474 of the IRC, applicable Treasury regulations and additional guidance (“FATCA”), the Partnership generally will be required to withhold a 30% tax from any “withholdable payments” it makes, or is treated as making, to any non-U.S. Unitholder that is an entity unless such non-U.S. Unitholder provides certain certifications and other information to the Partnership sufficient to establish that it qualifies for an exemption from, or an appropriate reduction of, the FATCA tax (including information generally relating to its U.S. owners, if any). For purposes of FATCA, “withholdable payments” are defined, in relevant part, as payments of U.S.-source fixed, determinable annual or periodical income.

Moreover, Treasury and the IRS have issued proposed regulations that (i) provide that the FATCA tax will not be imposed on gross proceeds from the disposition of property that can produce U.S. source dividends or interest, as otherwise would have been the case after December 31, 2018, (ii) delay the time for the application of the FATCA tax to foreign passthru payments (which are attributable to withholdable payments) to a date no earlier than two years after the date of publication of final Treasury regulations applicable to foreign passthru payments and (iii) state that taxpayers may rely on these provisions of the proposed regulations until final regulations are issued.

IT IS THE RESPONSIBILITY OF EACH UNITHOLDER TO INVESTIGATE THE LEGAL AND TAX CONSEQUENCES, UNDER THE LAWS OF PERTINENT JURISDICTIONS, OF THEIR INVESTMENT IN US. WE STRONGLY RECOMMEND THAT EACH PROSPECTIVE UNITHOLDER CONSULT, AND DEPEND UPON, ITS OWN TAX COUNSEL OR OTHER ADVISOR WITH REGARD TO THOSE MATTERS. FURTHER, IT IS THE RESPONSIBILITY OF EACH UNITHOLDER TO FILE ALL STATE, LOCAL AND NON-U.S., AS WELL AS U.S. FEDERAL TAX RETURNS THAT MAY BE REQUIRED OF IT. BARNES & THORNBURG LLP HAS NOT RENDERED AN OPINION ON THE STATE TAX, LOCAL TAX, ALTERNATIVE MINIMUM TAX, OR FOREIGN TAX CONSEQUENCES OF AN INVESTMENT IN US.

ERISA CONSIDERATIONS

The Employee Retirement Income Security Act of 1974, as amended, or ERISA, and the Internal Revenue Code impose restrictions on (a) employee benefit plans (as defined in Section 3(3) of ERISA); (b) plans described in Section 4975(e)(1) of the Internal Revenue Code, including individual retirement accounts or Keogh plans; (c) any entities whose underlying assets include plan assets by reason of a plan's investment in such entities (each item described in (a), (b) or (c) being a "plan"); and (d) persons who have specified relationships to those plans, i.e., "parties-in-interest" under ERISA, and "disqualified persons" under the Internal Revenue Code. ERISA also imposes certain duties on persons who are fiduciaries of plans subject to ERISA and prohibits certain transactions between a plan and parties-in-interest or disqualified persons with respect to such plans. Certain federal, state, local, and non-U.S. or other laws or regulations that are similar to the relevant provisions of ERISA or the IRC ("Similar Laws") may also impose restrictions on employee benefit plans and/or persons who are fiduciaries of plans subject to the Similar Laws.

This summary is based on the provisions of ERISA and the IRC (and related regulations and administrative and judicial interpretations) as of the date of this prospectus. This summary does not purport to be complete and future legislation, court decisions, administrative regulations, rulings or administrative pronouncements could significantly modify the requirements summarized below. Any of these changes may be retroactive and, therefore, may apply to transactions entered into prior to the date of their enactment or release.

General Fiduciary Matters

ERISA and the IRC impose certain duties on persons who are fiduciaries of an employee benefit plan that is subject to Title I of ERISA or Section 4975 of the IRC, which we refer to as an "ERISA Plan," and prohibit certain transactions involving the assets of an ERISA Plan and its fiduciaries or other interested parties. Under ERISA and the IRC, any person who exercises any discretionary authority or control over the administration of such an ERISA Plan or the management or disposition of the assets of an ERISA Plan, or who renders investment advice for a fee or other compensation to an ERISA Plan, is generally considered to be a fiduciary of the ERISA Plan. In considering an investment in our BUCs, preferred units, or debt securities with any portion of the assets of an employee benefit plan, a fiduciary of the employee benefit plan should consider, among other things, whether the investment is in accordance with the documents and instruments governing the employee benefit plan and the applicable provisions of ERISA, the IRC or any applicable Similar Law relating to the fiduciary's duties to the employee benefit plan, including, without limitation:

- (a) whether the investment is prudent under Section 404(a)(1)(B) of ERISA and any other applicable Similar Laws;

- (b) whether, in making the investment, the employee benefit plan will satisfy the diversification requirements of Section 404(a)(1)(C) of ERISA and any other applicable Similar Laws;
- (c) whether making the investment will comply with the delegation of control and prohibited transaction provisions under Section 406 of ERISA, Section 4975 of the Internal Revenue Code and any other applicable Similar Laws (see “– *Prohibited Transaction Issues*” below);
- (d) whether in making the investment, the employee benefit plan will be considered to hold, as plan assets, (1) only the investment in our securities, or (2) an undivided interest in our underlying assets (see “– *Plan Asset Issues*” below); and
- (e) whether the investment will result in recognition of unrelated business taxable income by the employee benefit plan and, if so, the potential after-tax investment return. See “*Material U.S. Federal Income Tax Considerations*” above.

Prohibited Transaction Issues

Section 406 of ERISA and Section 4975 of the IRC prohibit employee benefit plans (and certain IRAs that are not considered part of an employee benefit plan) from engaging in certain transactions involving “plan assets” with parties that are “parties in interest” under ERISA or “disqualified persons” under the IRC with respect to the employee benefit plan or IRA, unless an exemption is applicable. A party in interest or disqualified person who engages in a non-exempt prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the IRC. In addition, the fiduciary of the ERISA Plan that engaged in such a non-exempt prohibited transaction may be subject to excise taxes, penalties and liabilities under ERISA and the IRC.

The acquisition and/or holding of the debt securities by an ERISA Plan with respect to which we or the initial purchasers are considered a party in interest or a disqualified person, may constitute or result in a direct or indirect prohibited transaction under Section 406 of ERISA and/or Section 4975 of the IRC, unless the debt securities are acquired and held in accordance with an applicable statutory, class, or individual prohibited transaction exemption. In this regard, the U.S. Department of Labor has issued prohibited transaction class exemptions, or PTCEs, that may apply to the acquisition, holding and, if applicable, conversion of the debt securities. These class exemptions include, without limitation, PTCE 84-14 respecting transactions determined by independent qualified professional asset managers, PTCE 90-1 respecting insurance company pooled separate accounts, PTCE 91-38 respecting bank collective investment funds, PTCE 95-60 respecting life insurance company general accounts, and PTCE 96-23 respecting transactions determined by in-house asset managers. There can be no assurance that all of the conditions of any such exemptions will be satisfied.

Because of the foregoing, our BUCs, preferred units, and/or the debt securities may not be purchased or held (or converted to equity securities, in the case of any convertible debt) by any person investing “plan assets” of any employee benefit plan, unless such purchase and holding (or conversion, if any) will not constitute a non-exempt prohibited transaction under ERISA or the IRC or similar violation of any applicable Similar Laws.

Plan Asset Issues

In connection with an investment in the BUCs, preferred units, or debt securities with any portion of the assets of an employee benefit plan, in addition to considering whether the purchase of our BUCs, preferred units, and/or debt securities is a prohibited transaction, a fiduciary of an employee benefit plan should consider whether the plan will, by investing in our securities, be deemed to own an undivided interest in our assets, with the result that our General Partner also would be a fiduciary of the plan and our operations would be subject to the regulatory restrictions of ERISA, including its prohibited transaction rules, as well as the prohibited transaction rules of the IRC and any other applicable Similar Laws. In addition, if our assets are deemed to be “plan assets” under ERISA, this would result, among other things, in (a) the application of the prudence and other fiduciary responsibility standards of ERISA to investments made by us, and (b) the possibility that certain transactions in which we seek to engage could constitute “prohibited transactions” under the IRC, ERISA, and any other applicable Similar Laws.

The Department of Labor regulations, as modified by Section 3(42) of ERISA, provide guidance with respect to whether, in certain circumstances, the assets of an entity in which employee benefit plans acquire equity interests would be deemed “plan assets.” Under these regulations, an entity’s underlying assets generally would not be considered to be “plan assets” if, among other things:

- (a) the equity interests acquired by the employee benefit plan are “publicly offered securities” – i.e., the equity interests are part of a class of securities that are widely held by 100 or more investors independent of the issuer and each other, “freely transferable” (as defined in the applicable Department of Labor regulations), and either part of a class of securities registered pursuant to certain provisions of the federal securities laws or sold to the plan as part of a public offering under certain conditions;
- (b) the entity is an “operating company” – i.e., it is primarily engaged in the production or sale of a product or service other than the investment of capital either directly or through a majority-owned subsidiary or subsidiaries, or it qualifies as a “venture capital operating company” or a “real estate operating company,” or
- (c) there is no “significant” investment by benefit plan investors (as defined in Section 3(42) of ERISA), which is defined to mean that, immediately after the most recent acquisition of an equity interest in any entity by an employee benefit plan, less than 25% of the total value of each class of equity interest, (disregarding certain interests held by our General Partner, its affiliates, and certain other persons who have discretionary authority or control with respect to the assets of the entity or provide investment advice for a fee with respect to such assets) is held by the employee benefit plans that are subject to part 4 of Title I of ERISA (which excludes governmental plans and non-electing church plans) and/or Section 4975 of the IRC, IRAs, and certain other employee benefit plans not subject to ERISA (such as electing church plans).

With respect to an investment in our BUCs, we believe that our assets should not be considered “plan assets” under these regulations because it is expected that the investment will satisfy the requirements in (a) above and may also satisfy the requirements in (b) and/or (c) above (although there is little applicable Department of Labor guidance with respect to whether we may qualify as an “operating company” as required for compliance with (b), and we do not monitor the level of investment by benefit plan investors as required for compliance with (c)).

The foregoing discussion of issues arising for employee benefit plan investments under ERISA, the IRC and applicable Similar Laws is general in nature and is not intended to be all inclusive, nor should it be construed as legal advice. Plan fiduciaries and other persons contemplating a purchase of our BUCs, preferred units, and/or debt securities should consult with their own counsel regarding the potential applicability of and consequences of such purchase under ERISA, the IRC, and other Similar Laws in light of the complexity of these rules and the serious penalties, excise taxes and liabilities imposed on persons who engage in non-exempt prohibited transactions or other violations. The sale of any BUCs, preferred units, and/or debt securities by or to any employee benefit plan is in no respect a representation by us or any of our affiliates or representatives that such an investment meets all relevant legal requirements with respect to investments by such employee benefit plans generally or any particular employee benefit plan, or that such an investment is appropriate for such employee benefit plans generally or any particular employee benefit plan.

Representation

By purchase or acceptance of the BUCs, preferred units, and/or debt securities, each purchaser and subsequent transferee of such securities will be deemed to have represented and warranted that either (i) no portion of the assets used by such purchaser or transferee to acquire and hold the securities constitutes assets of any employee benefit plan, or (ii) the purchase and holding (and any conversion, if applicable) of the securities by such purchaser or transferee will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the IRC or similar violation under any applicable Similar Laws.

PLAN OF DISTRIBUTION

We may sell the securities offered pursuant to this prospectus and any accompanying prospectus supplements to or through one or more underwriters, brokers, or dealers, or we may sell the securities to investors directly or through agents, or through a combination of any of these methods of sale. Any underwriter or agent involved in the offer and sale of our securities will be named in the applicable prospectus supplement. We may sell securities directly to investors on our own behalf in those jurisdictions where we are authorized to do so.

Underwriters may offer and sell our securities at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to the prevailing market prices, or at negotiated prices. We also may, from time to time, authorize dealers or agents to offer and sell securities on the terms and conditions described in the applicable prospectus supplement. In connection with the sale of our securities, underwriters may receive compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of the securities for whom they may act as agent. Underwriters may sell these securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions, or commissions from the underwriters or commissions from the purchasers for which they may act as agents.

Our securities may also be sold in one or more of the following transactions: (a) block transactions (which may involve crosses) in which a broker-dealer may sell all or a portion of the securities as agent but may position and resell all or a portion of the block as principal to facilitate the transaction; (b) purchases by a broker-dealer as principal and resale by the broker-dealer for its own account pursuant to a prospectus supplement; (c) a special offering, an exchange distribution, or a secondary distribution in accordance with applicable NYSE or other stock exchange rules; (d) ordinary brokerage transactions and transactions in which a broker-dealer solicits purchasers; (e) sales “at the market” to or through a market maker or into an existing trading market, on an exchange or otherwise, for securities; and (f) sales in other ways not involving market makers or established trading markets, including direct sales to purchasers. Broker-dealers may also receive compensation from purchasers of our securities which is not expected to exceed customary compensation in the types of transactions involved.

Any underwriting compensation paid by us to underwriters or agents in connection with the offering of securities, and any discounts or concessions or commissions allowed by underwriters to participating dealers, will be set forth in the applicable prospectus supplement. Dealers and agents participating in the distribution of our securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the securities may be deemed to be underwriting discounts and commissions.

Underwriters, dealers, and agents may be entitled, under agreements entered into with us, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act. Unless otherwise set forth in the accompanying prospectus supplement, the obligations of any underwriters to purchase any of our securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all of the securities then being sold, if any is purchased.

Underwriters, dealers, and agents may engage in transactions with, or perform services for, us and our affiliates in the ordinary course of business.

In connection with the offering of securities described in this prospectus and any accompanying prospectus supplement, certain underwriters, selling group members, and their respective affiliates may engage in transactions that stabilize, maintain, or otherwise affect the market price of the security being offered. These transactions may include stabilization transactions effected in accordance with Rule 104 of Regulation M promulgated by the SEC pursuant to which these persons may bid for or purchase securities for the purpose of stabilizing their market price. The underwriters in an offering of our securities may also create a “short position” for their account by selling more securities in connection with the offering than they are committed to purchase from us. In that case, the underwriters could cover all or a portion of the short position by either purchasing the securities in the open market following completion of the offering or by exercising any over-allotment option granted to them by us. In addition, the managing underwriter may impose “penalty bids” under contractual arrangements with other underwriters, which means that they can reclaim from an underwriter (or any selling group member participating in the offering) for the account of the other underwriters, the selling concession for the securities that are distributed in the offering but subsequently purchased for the account of the underwriters in the open market. Any of the transactions described in

this paragraph or comparable transactions that are described in any accompanying prospectus supplement may result in the maintenance of the price of our securities at a level above that which might otherwise prevail in the open market. None of the transactions described in this paragraph or in an accompanying prospectus supplement are required to be taken by any underwriters and, if they are undertaken, may be discontinued at any time.

Our BUCs are listed on the NYSE under the symbol “GHI.” Any underwriters or agents to or through which BUCs are sold by us may make a market in our BUCs, but these underwriters or agents will not be obligated to do so and any of them may discontinue any market making at any time without notice. None of our Existing Preferred Units are listed on any national securities exchange. No assurance can be given as to the liquidity of or trading market for any of our securities.

Because the Financial Industry Regulatory Authority, Inc. (“FINRA”) views our BUCs as interests in a direct participation program, any offering of BUCs under the registration statement of which this prospectus forms a part will be made in compliance with Rule 2310 of the FINRA Conduct Rules.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. The place and time of delivery for the securities in respect of which this prospectus is delivered will be set forth in the prospectus supplement relating thereto.

LEGAL MATTERS

Unless otherwise indicated in the applicable prospectus supplement, the validity of the securities offered hereby will be passed upon for us by Barnes & Thornburg LLP, Indianapolis, Indiana. The description of federal income tax consequences in “*Material U.S. Federal Income Tax Considerations*” is based on the opinion of Barnes & Thornburg LLP. Legal counsel to any underwriters may pass upon legal matters for such underwriters and will be named in the applicable prospectus supplement.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(1) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(2) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(3) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(g) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

- (c) the date or dates on which the principal and premium, if any, of the Securities of the Series are payable;
- (d) the rate or rates (which may be fixed or variable) at which the Securities of the Series shall bear interest, if any, or the method of determining such rate or rates, the date or dates from which such interest, if any, shall accrue, the Interest Payment Dates on which such interest, if any, shall be payable or the method by which the Interest Payment Dates will be determined, the record dates for the determination of Holders thereof to whom interest is payable (in the case of Securities in registered form), and the basis upon which such interest will be calculated if other than that of a 360-day year of twelve 30-day months;
- (e) the currency or currencies, including composite currencies, in which Securities of the Series shall be denominated, if other than Dollars, the place or places, if any, in addition to or instead of the Corporate Trust Office of the Trustee (in the case of Securities in registered form), where the principal, premium, if any, and interest with respect to Securities of such Series shall be payable or the method of such payment, if by wire transfer, mail or other means;

(f) the price or prices at which, the period or periods within which, and the terms and conditions upon which, Securities of the Series may be redeemed, in whole or in part, at the option of the Partnership or otherwise;

(i) if other than minimum denominations of one thousand U.S. dollars (\$1,000) or any integral multiple thereof, the denominations in which the Securities of the Series shall be issuable;

(k) if the principal amount payable at the Stated Maturity of Securities of the Series will not be determinable as of any one or more dates prior to such Stated Maturity, the amount that will be deemed to be such principal amount as of any such date for any purpose, including the principal amount thereof which will be due and payable upon any Maturity other than the Stated Maturity and which will be deemed to be outstanding as of any such date (or, in any such case, the manner in which such deemed principal amount is to be determined), and, if necessary, the manner of determining the equivalent thereof in Dollars;

(l) the applicability of, if any, and any changes or additions to Article 8;

(p) if the Securities of the Series shall be issued in whole or in part in the form of a Global Security, the terms and conditions, if any, upon which such Global Security may be exchanged in whole or in part for other individual Definitive Securities of such Series, the Depositary for such Global Security and the form of any legend or legends to be borne by any such Global Security in addition to or in lieu of the Global Securities Legend;

(q) any Trustee, authenticating agent, Paying Agent, transfer agent, Service Agent or Registrar;

(r) the applicability of, and any addition to or change in, the covenants (and the related definitions) set forth in Articles 4 or 5 which applies to the Securities of the Series;

(t) any United States Federal income tax consequences applicable to the Securities;

(u) the terms applicable to Original Issue Discount Securities, including the rate or rates at which original issue discount will accrue; and

(v) any other terms of Securities of the Series (which terms shall not be inconsistent with the provisions of this Indenture, except as permitted by Section 9.01, but which may modify or delete any provision of this Indenture insofar as it applies to such Series).

All Securities of any one Series need not be issued at the same time and may be issued from time to time, consistent with the terms of this Indenture, if so provided by or pursuant to the Board Resolution, supplemental indenture or Officers' Certificate referred to above, and the authorized principal amount of any Series may not be increased to provide for issuances of additional Securities of such Series, unless otherwise provided in such Board Resolution, supplemental indenture or Officers' Certificate.

Section 2.03 Execution and Authentication. One Officer shall sign the Securities for the Partnership by manual, electronic or facsimile signature. If an Officer whose signature is on a Security no longer holds that office at the time the Security is authenticated, the Security shall nevertheless be valid. A Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in the principal amount provided in the Board Resolution, supplemental indenture or Officers' Certificate, upon receipt by the Trustee of a Partnership Order. Each Security shall be dated the date of its authentication.

The aggregate principal amount of Securities of any Series outstanding at any time may not exceed any limit upon the maximum principal amount for such Series set forth in the Board Resolution, supplemental indenture or Officers' Certificate delivered pursuant to Section 2.02, except as provided in Section 2.08.

Prior to the issuance of Securities of any Series, the Trustee shall have received and (subject to Section 7.02) shall be fully protected in relying on:

(a) the Board Resolution, supplemental indenture or Officers' Certificate establishing the form of the Securities of that Series or of Securities within that Series and the terms of the Securities of that Series or Securities within that Series; (b) an Officers' Certificate complying with Section 11.05; and (c) an Opinion of Counsel complying with Section 11.05 and also stating:

(i) if the form or forms of such Securities has been established by or pursuant to a Board Resolution or Officers' Certificate, that each such form has been established in conformity with the provisions of this Indenture;

(ii) if the terms of such Securities have been, or will be, established by or pursuant to a Board Resolution or Officers' Certificate, that such terms have been or will be, established in conformity with the provisions of this Indenture; and

(iii) that such Securities when authenticated and delivered by the Trustee and issued by the Partnership will constitute valid and legally binding obligations of the Partnership and, if applicable, the Guarantees will constitute valid, and legally binding obligations of the Guarantors, enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, moratorium, reorganization, liquidation, fraudulent conveyance or transfer and other similar laws of general applicability relating to or affecting the enforcement of creditors' rights, or to general equity principles.

The Trustee shall have the right to decline to authenticate and deliver any Securities of such Series: (a) if the Trustee, being advised by counsel, determines that such action may not lawfully be taken; (b) if the Trustee in good faith by its board of directors or trustees, executive committee or a trust committee of directors and/or vice-presidents shall determine that such action would expose the Trustee to personal liability to Holders of any then outstanding Series of Securities, or (c) the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under this Indenture or otherwise.

The Trustee may appoint an authenticating agent acceptable to the Partnership to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Partnership or an Affiliate.

Any Global Securities (i) shall be registered in the name of the Depositary or the nominee of the Depositary and (ii) shall be delivered by the Trustee to the Depositary or pursuant to the Depositary's instructions or held by the Trustee as Custodian. Participants shall have no rights

either under this Indenture with respect to any Global Security held on their behalf by the Depositary or by the Custodian or under such Global Security, and the Depositary may be treated by the Partnership, the Trustee and any agent of the Partnership or Trustee as the owner of such Global Security for all purposes. Notwithstanding the foregoing, nothing herein shall prevent the Partnership, the Trustee or any Agent or other agent of the Partnership or the Trustee from giving effect to any written certificate, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Participants, the operation of customary practices of such Depositary governing the exercise of the rights of an owner of a beneficial interest in any Global Security.

The Trustee shall have no responsibility or obligation to any Holder, any member or Participant of the Depositary or any other Person with respect to the accuracy of the records of the Depositary (or its nominee) or of any Participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery of any notice (including without limitation any notice of redemption) or the payment of any amount or delivery of any Securities (or other security or property) under which or with respect to the Securities. The Trustee may rely (and shall be fully protected in relying) upon information furnished by the Depositary with respect to its members and Participants.

Section 2.04 Registrar and Paying Agent. The Partnership shall maintain, with respect to each Series of Securities, at the place or places specified with respect to such Series pursuant to Section 2.02, an office or agency where Securities of such Series may be presented or surrendered for payment (“Paying Agent”) and where Securities of such Series may be presented for registration of transfer or for exchange (“Registrar”). The Registrar shall keep a register with respect to each Series of Securities and to their transfer and exchange. The Partnership will give prompt written notice to the Trustee of the name and address, and any change in the name and address, of each Registrar or Paying Agent. If at any time the Partnership shall fail to maintain any such required Registrar or Paying Agent or shall fail to furnish the Trustee with the name and address thereof, such presentations or surrenders may be made at the Corporate Trust Office of the Trustee, and the Partnership hereby appoints the Trustee as its agent to receive all such presentations and surrenders. In no case will any service of legal process be made against the Partnership at the office of the Trustee.

The Partnership may also from time to time designate one or more co-registrars or additional paying agents and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Partnership of its obligations to maintain a Registrar or Paying Agent in each place so specified pursuant to Section 2.02 for Securities of any Series for such purposes. The Partnership will give prompt written notice to the Trustee of any such designation or rescission and of any change in the name or address of any such co-registrar or additional paying agent. The term “Registrar” includes any co-registrar, and the term “Paying Agent” includes any additional paying agent.

The Partnership hereby appoints the Trustee as the initial Registrar and Paying Agent for each Series unless another Registrar or Paying Agent, as the case may be, is appointed prior to the time the Securities of that Series are first issued.

Section 2.05 Paying Agent to Hold Money in Trust. The Partnership shall require each Paying Agent, other than the Trustee, to agree in writing that the Paying Agent will hold in trust, for the benefit of Holders of any Series of Securities, or the Trustee, all money held by the Paying Agent for the payment of principal of or interest on the Series of Securities, and will notify the Trustee of any default by the Partnership in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Partnership at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Partnership or a Subsidiary) shall have no further liability for the money. If the Partnership or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders of any Series of Securities all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Partnership, the Trustee shall serve as Paying Agent for the Securities.

Section 2.06 Holders Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders of each Series of Securities and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Partnership shall furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of each Series of Securities and the Partnership shall otherwise comply with TIA Section 312(a).

Section 2.07 Transfer and Exchange. When Securities of a Series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Securities of the same Series, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Trustee shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Partnership may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.11, 3.06, or 9.05).

Neither the Partnership nor the Registrar shall be required (a) to issue, register the transfer of, or exchange Securities of any Series for the period beginning at the opening of business fifteen days immediately preceding the delivery of a notice of redemption of Securities of that Series selected for redemption and ending at the close of business on the day of such delivery or (b) to register the transfer or exchange of any Security of any Series selected, called or being called for redemption as a whole or the portion being redeemed of any such Securities selected, called or being called for redemption in part.

Section 2.08 Mutilated, Destroyed, Lost and Stolen Securities. If any mutilated Security is surrendered to the Trustee, the Partnership shall execute and the Trustee, upon receipt of a Partnership Order, shall authenticate and deliver in exchange therefor a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding. If there shall be delivered to the Partnership and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as

may be required by them in their judgment to save each of them and any agent of either of them harmless, then, in the absence of notice to the Partnership or the Trustee that such Security has been acquired by a bona fide purchaser, the Partnership shall execute and upon receipt of a Partnership Order, the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Partnership in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Partnership may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any Series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Partnership, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 2.09 Outstanding Securities. The Securities outstanding at any time are all the Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Security effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.09 as not outstanding. Except as set forth in Section 2.10 hereof, a Security does not cease to be outstanding because the Partnership or an Affiliate of the Partnership holds the Security; however, Securities held by the Partnership or a Subsidiary of the Partnership shall not be deemed to be outstanding for purposes of Section 9.02 hereof.

If a Security is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser.

If the Paying Agent (other than the Partnership, a Subsidiary or an Affiliate of any thereof) holds, on the Maturity of Securities of a Series money sufficient to pay such Securities of the Series payable on that date, then on and after that date such Securities of the Series shall be deemed to be no longer outstanding and shall cease to accrue interest.

In determining whether the Holders of the requisite principal amount of outstanding Securities have given any request, demand, authorization, direction, notice, consent or waiver hereunder, the principal amount of an Original Issue Discount Security that shall be deemed to be outstanding for such purposes shall be the amount of the principal thereof that would be due and

payable as of the date of such determination upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02.

Section 2.10 Treasury Securities. In determining whether the Holders of the required principal amount of Securities of a Series have concurred in any request, demand, authorization, notice, direction, waiver or consent, Securities of a Series owned by the Partnership or an Affiliate shall be disregarded, except that for the purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, notice, direction, waiver or consent, only Securities of a Series that the Trustee knows are so owned shall be disregarded.

Section 2.11 Temporary Securities. Until Definitive Securities are ready for delivery, the Partnership may prepare and the Trustee shall, upon receipt of a Partnership Order, authenticate temporary Securities upon a Partnership Order. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Partnership considers appropriate for temporary Securities. Without unreasonable delay, the Partnership shall prepare and the Trustee shall, upon receipt of a Partnership Order, authenticate Definitive Securities of the same Series and date of maturity in exchange for temporary Securities. Until so exchanged, temporary Securities shall be entitled to the same rights under this Indenture as the Definitive Securities.

Section 2.12 Cancellation. The Partnership at any time may deliver Securities to the Trustee for cancellation. The Registrar and Paying Agent and any other Person shall forward to the Trustee any Securities surrendered to them for cancellation, registration of transfer, exchange or payment. The Trustee will dispose of canceled Securities in accordance with its customary practice (subject to the record retention requirement of the Exchange Act). Evidence of cancellation of all canceled Securities, or confirmation of the reduction in the aggregate principal amount outstanding represented by a Global Security, as applicable, will be delivered to the Partnership upon written request. The Partnership may not issue new Securities to replace Securities that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13 Defaulted Interest. If the Partnership defaults in a payment of interest on a Series of Securities, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, any interest payable on the defaulted interest, to the Persons who are Holders of the Series on a subsequent special record date. The Partnership will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date of the proposed payment. The Partnership shall fix each such special record date and payment date. At least 15 days before the special record date, the Partnership (or upon the written request of the Partnership, the Trustee, in the name and at the expense of the Partnership) shall mail or cause to be mailed (or send or cause to be sent by electronic transmission in the case of Global Securities) to Holders of the Series a notice that states the special record date, the related payment date and the amount of such interest to be paid. The Partnership may pay defaulted interest in any other lawful manner.

Section 2.14 Global Securities.

(a) Terms of Securities. A Board Resolution, a supplemental indenture hereto or an Officers' Certificate shall establish whether the Securities of a Series shall be issued in whole or in part in the form of one or more Global Securities and the Depositary for such Global Security or Securities.

(b) Transfer and Exchange. Notwithstanding any provisions to the contrary contained in Section 2.07 and in addition thereto, any Global Security shall be exchangeable pursuant to Section 2.07 for Securities registered in the names of Holders other than the Depositary for such Security or its nominee only if:

(i) such Depositary notifies the Partnership that it is unwilling or unable to continue as Depositary for such Global Security or if at any time such Depositary ceases to be a clearing agency registered under the Exchange Act, and in either case, the Partnership fails to appoint a successor Depositary within 90 days of such event;

(ii) the Partnership executes and delivers to the Trustee an Officers' Certificate to the effect that such Global Security shall be so exchangeable; or

(iii) an Event of Default with respect to the Securities represented by such Global Security shall have happened and be continuing. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as the Depositary shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

Except as provided in this Section 2.14(b), a Global Security may not be transferred except as a whole by the Depositary with respect to such Global Security to a nominee of such Depositary, by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such a successor Depositary.

(c) Legend. Any Global Security issued hereunder shall bear a legend in substantially the following form:

“THIS GLOBAL SECURITY IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS SECURITY) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (I) THIS GLOBAL SECURITY MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.07 OF THE INDENTURE, (II) THIS GLOBAL SECURITY MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.12 OF THE INDENTURE AND (III) THIS GLOBAL SECURITY MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF GREYSTONE HOUSING IMPACT INVESTORS LP.”

(d) Acts of Holders.

(i) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall

become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Partnership. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Partnership, if made in the manner provided in this Section.

(ii) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer’s individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer’s authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(iii) The ownership of registered securities shall be proved by the register maintained by the Registrar.

(iv) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Partnership in reliance thereon, whether or not notation of such action is made upon such Security.

(v) If the Partnership shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Partnership may, at its option, by or pursuant to a Board Resolution, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Partnership shall have no obligation to do so if such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of outstanding Securities have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the outstanding Securities shall be computed as of such record date; provided that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

(e) Payments. Notwithstanding the other provisions of this Indenture, unless otherwise specified as contemplated by Section 2.02, payment of the principal of and interest, if any, on any Global Security shall be made to the Holder thereof.

(f) Consents, Declaration and Directions. Except as provided in Section 2.14(e), the Partnership, the Trustee and any Agent shall treat a person as the Holder of such principal amount of outstanding Securities of such Series represented by a Global Security as shall be specified in a written statement of the Depositary with respect to such Global Security, for purposes of obtaining any consents, declarations, waivers or directions required to be given by the Holders pursuant to this Indenture.

Section 2.15 CUSIP Numbers. The Partnership in issuing the Securities may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other elements of identification printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Partnership shall promptly notify the Trustee of any change in CUSIP Numbers.

ARTICLE 3 REDEMPTION AND PREPAYMENT

Section 3.01 Notices to Trustee. The Partnership may, with respect to any Series of Securities, reserve the right to redeem and pay the Series of Securities or may covenant to redeem and pay the Series of Securities or any part thereof prior to the Stated Maturity thereof at such time and on such terms as provided for in such Series of Securities. If a Series of Securities is redeemable and the Partnership wants or is obligated to redeem prior to the Stated Maturity thereof all or part of the Series of Securities pursuant to the terms of such Securities, it shall notify the Trustee of the redemption date and the principal amount of Securities of the Series to be redeemed and the redemption price. The Partnership shall give such notice to the Trustee at least 45 but no more than 60 days before the redemption date (or such shorter notice as may be acceptable to the Trustee).

Section 3.02 Selection of Securities to be Redeemed. Unless otherwise indicated for a particular Series by a Board Resolution, supplemental indenture or an Officers' Certificate, if less than all of the Securities are to be redeemed or purchased in an offer to purchase at any time, the Securities to be redeemed or purchased will be selected as follows: (a) if the Securities are in the form of Global Securities, in accordance with the procedures of the Depositary, and (b) if the Securities are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange, if any, on which the Securities are listed. No Securities of \$1,000 principal amount or less will be redeemed in part. Except as provided in the preceding sentence, provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption.

If any Security is to be redeemed in part only, the notice of redemption that relates to such Security shall state the portion of the principal amount of that Security to be redeemed. A new Security in principal amount equal to the unredeemed portion of the original Security presented for redemption will be issued in the name of the Holder thereof upon cancellation of the original Security. Securities called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue or accrete on Securities or portions of them called for redemption.

Section 3.03 Notice of Redemption. Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officers' Certificate, at least 30 days but not more than 60 days before a redemption date, the Partnership shall send, by first class mail, or electronically in accordance with the procedures of the Depositary, a notice of redemption to each Holder whose Securities are to be redeemed at its registered address, except that a notice of redemption may be given more than 60 days prior to a redemption date if the notice is used in connection with Article 8 hereof.

The notice shall identify the Securities to be redeemed and shall state:

- (a) the redemption date;
- (b) the Redemption Price (as defined in the Indenture for the Series of Securities);
- (c) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the redemption date upon surrender of such Security, a new Security or Securities in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Security;
- (d) the name and address of the Paying Agent;
- (e) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Partnership defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on the Securities called for redemption ceases to accrue on and after the redemption date;
- (g) the paragraph of the Securities and/or provision of this Indenture or any supplemental indenture or Board Resolution pursuant to which the Securities called for redemption are being redeemed;
- (h) the CUSIP number, if any, printed on the Securities being redeemed; and
- (i) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities.

At the Partnership's written request, the Trustee shall give the notice of redemption in the Partnership's name and at its expense; provided, however, that the Partnership shall have delivered to the Trustee, at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. If any of the Securities to be redeemed is in the form of a Global Security, then the Partnership shall modify such notice to the extent necessary to conform with the procedures of the Depositary applicable to such redemption.

Section 3.04 Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 3.03, Securities called for redemption become irrevocably due and payable on the redemption date at the redemption price, plus accrued and unpaid interest to such date. A notice of redemption may not be conditional. Failure to give notice or any defect in the notice to the Holder of any Security shall not affect the validity of the notice to any other Holder.

Section 3.05 Deposit of Redemption Price. On or before 11:00 a.m. (New York City time) on the redemption date, the Partnership shall deposit with the Trustee or with the Paying Agent (or if the Partnership or any Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price, of and accrued interest on, all Securities to be redeemed on that date, other than Securities or portions of Securities called for redemption that have been delivered to the Trustee for cancellation. The Trustee or the Paying Agent shall as promptly as practicable return to the Partnership any money deposited with the Trustee or the Paying Agent by the Partnership in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Securities to be redeemed. If such money is then held by the Partnership or a Subsidiary in trust and is not required for such purpose, it shall be discharged from such trust.

If the Partnership complies with the provisions of the preceding paragraph, on and after the redemption, interest shall cease to accrue on the Securities called for redemption. If a Security is redeemed on or after an interest record date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Person in whose name such Security was registered at the close of business on such record date. If any Security called for redemption shall not be so paid upon surrender for redemption because of the failure of the Partnership to comply with the preceding paragraph, interest shall be paid on the unpaid principal from the redemption date until such principal is paid, and to the extent lawful, on any interest not paid on such unpaid principal, in each case at the rate provided in the Securities.

Section 3.06 Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Partnership shall execute and, upon receipt of a Partnership Order, the Trustee shall authenticate for the Holder at the expense of the Partnership a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE 4
COVENANTS

Section 4.01 Payment of Securities. The Partnership covenants and agrees for the benefit of the Holders of each Series of Securities that it will duly and punctually make all payments in respect of each Series of Securities on the dates and in the manner provided in such Series of Securities and this Indenture. Such payments shall be considered made on the date the Trustee or the Paying Agent, if other than the Partnership or a Subsidiary thereof, holds, as of 10:00 a.m. New York City time, in accordance with this Indenture, funds sufficient to make all payments with respect to such Securities then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 Reports. Unless otherwise indicated in a Board Resolution, a supplemental indenture or an Officers' Certificate, whether or not required by the rules and regulations of the Commission so long as any Securities are outstanding, the Partnership shall furnish to the Trustee and the Holders of the Securities the following:

(a) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Partnership were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report thereon by the Partnership's certified independent accountants;

(b) all current reports that would be required to be filed with the Commission on Form 8-K if the Partnership were required to file such reports; and

(c) any other information, reports and documents that the Partnership is required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act.

in each case, within the time periods specified in the Commission's rules and regulations; provided that such information and reports need not be furnished to the Holders if they are generally available on the Internet free of charge.

In addition, whether or not required by the rules and regulations of the Commission, the Partnership shall file a copy of all such information and reports with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission shall not accept such a filing) and make such information available to securities analysts and prospective investors upon request.

Reports by the Partnership delivered to the Trustee should be considered for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Partnership's compliance with any of its covenants hereunder (as to which the Trustee is entitled

to rely exclusively on Officers' Certificates). The Trustee shall have no duty to determine whether any reports have been posted or filed.

Notwithstanding the foregoing, if the Partnership files with the Commission the reports required by the preceding paragraphs electronically via the EDGAR filing system (or any successor filing system) within such specified time periods and such reports are publicly available, the Partnership shall not be required under this Indenture to furnish such reports to the Trustee or the Holders.

Section 4.03 Compliance Certificate.

(a) The Partnership and each Guarantor (to the extent that such Guarantor is so required under the TIA) shall deliver to the Trustee, within 90 days after the end of each fiscal year of the Partnership, an Officers' Certificate stating that a review of the activities of the Partnership and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether each of the Partnership and any other obligors has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge each entity has fulfilled all of its obligations under this Indenture throughout such year and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Partnership is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest on, the Securities is prohibited or if such event has occurred, a description of the event and what action the Partnership is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.02(a) above shall be accompanied by a written statement of the Partnership's independent public accountants (who shall be a firm of established national reputation, reasonably satisfactory to the Trustee) that in making the examination necessary for certification of such financial statements, nothing has come to their attention that would lead them to believe that a Default or an Event of Default has occurred and is continuing or, if any such Default or Event of Default has occurred and is continuing, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such Default or Event of Default. In the event that such written statement of the Partnership's independent public accountants cannot be obtained, the Partnership shall deliver an Officers' Certificate certifying that it has used its best efforts to obtain such statements and was unable to do so.

(c) The Partnership shall, so long as any Securities are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default

that is then continuing, an Officers' Certificate specifying such Default or Event of Default and what action the Partnership is taking or proposes to take with respect thereto.

Section 4.04 Corporate Existence. Subject to Article 5, the Partnership shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate, partnership or other existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Partnership or any such Subsidiary; and

(b) the rights (charter and statutory), licenses and franchises of the Partnership and its Subsidiaries; provided, however, that the Partnership shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Partnership and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Securities.

Section 4.05 Calculation of Original Issue Discount. The Partnership shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on outstanding Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

ARTICLE 5 SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of Assets. Unless otherwise provided for in a particular Series by a Board Resolution, a supplemental indenture or an Officers' Certificate, the Partnership shall not consolidate with or merge into (whether or not the Partnership is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of (collectively, "Transfer") all or substantially all of its properties or assets to, another Person unless:

(a) the resulting, surviving or transferee Person (the "Successor Company") shall be a corporation, limited liability company or limited partnership organized or existing under the laws of the United States, any state thereof or the District of Columbia;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Partnership) or the Person to which such Transfer has been made assumes all the obligations of the Partnership under the Securities and this Indenture pursuant to a supplemental indenture or amendment, in a form reasonably satisfactory to the Trustee;

(c) immediately after such transaction, no Default exists; and

(d) the Partnership shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or Transfer and such supplemental indenture or amendment complies with this Indenture, and such Opinion of Counsel shall also state that such supplemental indenture or amendment has been duly authorized, executed and delivered by such Person and that it is valid and binding upon such Person in accordance with its terms.

The Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Partnership under this Indenture (as modified by a Board Resolution, supplemental indenture or Officers' Certificate), and the predecessor Partnership, except in the case of a lease of all or substantially all of its assets, shall be released from the obligation to pay the principal of and interest on the Securities. The foregoing will not prohibit a consolidation or merger between the Partnership and a Wholly Owned Subsidiary, the transfer of all or substantially all of the properties or assets of the Partnership to a Wholly Owned Subsidiary or the transfer of all or substantially all of the properties or assets of a Wholly Owned Subsidiary to the Partnership; provided, that if the Partnership is not the surviving entity of such transaction or the Person to which such transfer is made, the surviving entity or the Person to which such transfer is made shall comply with clauses (b) and (d) of this paragraph.

ARTICLE 6

DEFAULTS AND REMEDIES

Section 6.01 Events of Default. Unless otherwise indicated for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officers' Certificate, each of the following constitutes an "Event of Default" with respect to each Series of Securities:

- (a) default for 30 days in the payment of interest when due with respect to the Securities;
- (b) default in payment when due of principal or premium, if any, on the Securities at maturity, upon redemption or otherwise;
- (c) failure by the Partnership for 30 days after receipt of notice (as specified below) to comply with the provisions described under Section 2.04, 4.02, 4.03 or 5.01;
- (d) failure by the Partnership for 60 days after notice (as specified below) to comply with its other agreements in this Indenture or the Securities;
- (e) the Partnership or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (i) commences a voluntary case;
 - (ii) consents to the entry of an order for relief against it in an involuntary case in which it is the debtor;

- (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or
- (iv) makes a general assignment for the benefit of its creditors;
- (f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (i) is for relief against the Partnership or any Significant Subsidiary in an involuntary case in which it is the debtor;
 - (ii) appoints a custodian of the Partnership or any Significant Subsidiary or for all or substantially all of its property; or
 - (iii) orders the liquidation of the Partnership or any Significant Subsidiary;

and the order or decree contemplated in clause (i), (ii) or (iii), remains unstayed and in effect for 60 consecutive days;

A Default under paragraph (c) or (d) is not an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities notify the Partnership of the Default and the Partnership does not cure such Default within the time specified after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default".

To the extent that the last day of the period referred to in paragraph (a), (c), (d), (e) or (f) of this Section 6.01 is not a Business Day, then the first Business Day following such day shall be deemed to be the last day of the period referred to in such clauses. Any "day" will be deemed to end as of 11:59 p.m., New York City time.

Section 6.02 Acceleration. If an Event of Default with respect to any Series of Securities at the time outstanding (other than an Event of Default with respect to the Partnership specified in paragraph (e) and (f) of Section 6.01) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Securities of that Series may declare the unpaid principal of, (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security) premium, if any, and accrued and unpaid interest on all the Securities of that Series to be due and payable by notice in writing to the Partnership (and the Trustee, if given by the Holders) specifying the respective Event of Default and that it is a "notice of acceleration." Upon such a declaration, such amounts shall be due and payable immediately. If an Event of Default with respect to the Partnership specified in paragraph (e) or (f) of Section 6.01 occurs, the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of each Series of Security shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of a majority in principal amount of the then outstanding Securities of any Series of Securities by written notice to the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all

existing Events of Default have been cured or waived with respect to such Series of Securities (except nonpayment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of that Series that has become due solely because of the acceleration).

Section 6.03 Other Remedies. If an Event of Default with respect to any Series of Securities occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of that Series or to enforce the performance of any provision of the Securities of that Series or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities of a Series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default with respect to any Series of Securities shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults. Holders of at least a majority in principal amount of the Securities of any Series (including consents obtained in connection with a tender offer or exchange for Securities) by notice to the Trustee may on behalf of the Holders of all of Securities of that Series waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default (i) in the payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of that Series, or (ii) in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of each Holder affected by such modification or amendment. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon. The Partnership shall deliver to the Trustee an Officers' Certificate stating that the requisite percentage of Holders has consents to such waiver and shall attach copies of such consents.

Section 6.05 Control By Majority. Holders of a majority in principal amount of the then outstanding Securities of any Series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it with respect to that Series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, that the Trustee determines may be prejudicial to the rights of any other Holder of Securities of that Series (*provided*, that the Trustee shall not have an affirmative duty to determine whether any such direction is prejudicial to the rights of any Holder) or that may involve the Trustee in personal liability.

Section 6.06 Limitation on Suits. Except to enforce the right to receive payment of the principal amount of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on a

Security of Series when due, no Holder of a Security of that Series may pursue any remedy with respect to this Indenture or the Securities of that Series unless:

- (a) the Holder previously gave to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of the then outstanding Securities of that Series have made a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders of that Series has offered and provided to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee has not complied with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (e) during such 60-day period the Holders of a majority in aggregate principal amount of the outstanding Securities of that Series have not given the Trustee a direction inconsistent with the request.

A Holder of Securities of any Series may not use this Indenture to prejudice the rights of another Holder of that Series or to obtain a preference or priority over another Holder of that Series.

Section 6.07 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of the principal amount of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on the Securities held by such Holder, on or after their Maturity, or to bring suit for the enforcement of any such payment on or after their Maturity, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Partnership or any other obligor under the Securities for the whole amount then due and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including without limitation any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Partnership (or any other obligor under the Securities), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable

compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Section 6.10 Priorities. If the Trustee or any Agent collects any money or property pursuant to this Article 6 with respect to any Series of Securities, it shall pay out the money or property in the following order:

First: to the Trustee, such Agent, their agents and attorneys for amounts due under Section 7.07,; Second: to Holders for amounts due and unpaid on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, respectively; and Third: to the Partnership or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking For Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Securities of any Series.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default of which a Responsible Officer of the Trustee has actual knowledge has occurred and is continuing with respect to any Series of Securities, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default with respect to any Series of Securities of which a Responsible Officer of the Trustee has actual knowledge or of which written notice shall have been given to the Trustee in accordance with the terms of this Indenture:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture, with respect to the Securities of that Series, as modified or supplemented by a Board Resolution, a supplemental indenture or an Officers' Certificate, and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may with respect to Securities of that Series, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, with respect to certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 and the Trustee shall be entitled from time to time to request such direction.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) Notwithstanding anything to the contrary in this Indenture, no provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Partnership. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely on the truth of the statements and correctness of the opinions contained in, and shall be protected from acting or refraining from acting upon, any document. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Partnership, personally or by agent or attorney, to the extent reasonably required by such inquiry or investigation at the sole cost of the Partnership and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. Prior to taking, suffering or admitting any action, the Trustee may consult with counsel of the Trustee's own choosing and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct, negligence or failure to act of any attorney or agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Partnership shall be sufficient if signed by an Officer of the Partnership.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction. In no event shall the Trustee be liable or responsible for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including but not limited to lost profits) for any action it takes or omits to take,

even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default with respect to Securities of any Series unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee from the Issuer or the Holders of 25% in aggregate principal amount of the outstanding Securities of all series affected thereby, and such notice references the specific Default or Event of Default, the Notes of such series and this Indenture

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder as Registrar and Paying Agent, and each Agent and other Person employed to act hereunder.

(i) The Trustee may request that the Partnership deliver an Officers' Certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(j) Notwithstanding any provision herein to the contrary, in no event shall the Trustee be liable for any failure or delay in the performance of its obligations under this Indenture because of circumstances beyond its control, including, but not limited to, nuclear or natural catastrophes or acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of the services contemplated by this Indenture, inability to obtain material, equipment, or communications or computer (software and hardware) facilities, or the failure of equipment or interruption of utilities, communications or computer (software and hardware) facilities, and other causes beyond its control whether or not of the same class or kind as specifically named above

(k) If at any time Trustee is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process which in any way affects any property held by it hereunder (including, but not limited to, orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any property), Trustee is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate in good faith; and if Trustee complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, Trustee shall not be liable to any of the parties hereto or to any other person or entity even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The permissive rights of the Trustee shall not be construed as duties.

Section 7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Partnership or any Affiliate of the Partnership with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Partnership's use of the proceeds from the Securities or any money paid to the Partnership or upon the Partnership's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Securities or any other document in connection with the sale of the Securities or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults. If a Default or Event of Default with respect to Securities of any Series occurs and is continuing and if it is known to the Trustee, the Trustee shall send to Holders of that Series a notice of the Default or Event of Default within the later of 90 days after it occurs or a Responsible Officer of the Trustee obtains actual knowledge of such Default or Event of Default. Except in the case of a Default or Event of Default in payment on any Security pursuant to Section 6.01(a) or (b), the Trustee may withhold the notice if and so long as a Responsible Officer in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.06 Reports By Trustee to Holders. Unless otherwise specified in the applicable Board Resolution, supplemental indenture or Officers' Certificate, within 60 days after each [] beginning with the [] following the date of this Indenture, and for so long as Securities remain outstanding, the Trustee shall send to the Holders of the Securities a brief report dated as of such reporting date that complies with TIA Section 313(a) (but if no event described in TIA Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA Section 313(b)(2). The Trustee shall also send all reports as required by TIA Section 313(c).

A copy of each report at the time it is sent to the Holders shall be sent to the Partnership and filed with the Commission and each stock exchange on which the Partnership has informed the Trustee in writing the Securities are listed in accordance with TIA Section 313(d). The Partnership shall promptly notify the Trustee in writing when the Securities are listed on any stock exchange and of any delisting thereof.

Section 7.07 Compensation and Indemnity. The Partnership shall pay to the Trustee from time to time reasonable compensation, as may be agreed by the Partnership and the Trustee in writing, for its acceptance of this Indenture and services hereunder. To the extent lawful, the Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Partnership shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Partnership shall indemnify the Trustee and hold it harmless against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the reasonable costs and expenses of enforcing this Indenture against the Partnership or any other obligors under the Securities (including this Section 7.07) and defending itself against any claim (whether asserted by the Partnership or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct. The Trustee shall notify the Partnership promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Partnership shall not relieve the Partnership of its obligations hereunder. The Partnership shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Partnership shall pay the reasonable fees and expenses of such counsel. The Partnership need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Partnership under this Section 7.07 constitute additional Indebtedness hereunder and shall survive the satisfaction and discharge of this Indenture, including without limitation any termination or rejection hereof under any Bankruptcy Law.

To secure the Partnership's payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay principal, premium, if any, and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee. The Trustee's right to receive payment of any amounts due under this Section 7.07 shall not be subordinate to any other Indebtedness of the Partnership.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(e) or (f) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of TIA Section 313(b)(2) to the extent applicable.

Section 7.08 Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time and be discharged from the trust hereby created with respect to the Securities of any Series by so notifying the Partnership. The Holders of a majority in principal amount of the then outstanding Securities of any Series may remove the Trustee with respect to such Series of Securities by so notifying the Trustee and the Partnership in writing. The Partnership may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a Custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns, is removed by the Partnership or by the Holders of a majority in principal amount of the Securities of any Series and such Holders do not reasonably promptly appoint a successor Trustee or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Partnership shall promptly appoint a successor Trustee with respect to the Securities of such Series.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Partnership, or the Holders of at least 10% in principal amount of Securities of that Series may petition any court of competent jurisdiction at the expense of the Partnership for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Security who has been a Holder of a Security for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

The successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Partnership. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, provided that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Partnership's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger, Etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee; provided, such corporation or association shall be otherwise eligible and qualified under this Article 7 and shall notify the Partnership of its successor hereunder.

Section 7.10 Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA Section 310(a)(1), (2) and (5). The Trustee is subject to TIA Section 310(b).

Section 7.11 Preferential Collection of Claims Against the Partnership. The Trustee is subject to TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated therein.

ARTICLE 8

DISCHARGE; LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Discharge; Option to Effect Legal Defeasance or Covenant Defeasance.

(a) When (i) the Partnership has delivered to the Trustee all outstanding Securities of a Series (other than Securities replaced pursuant to Section 2.08) for cancellation or (ii) all Securities of a Series that have not been delivered to the Trustee for cancellation (1) have become due and payable by reason of the sending of a notice of redemption or otherwise, (2) will become due and payable at their Stated Maturity within one year or (3) are to be called for redemption within 12 months under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the reasonable expense of the Partnership, and, in case of (1), (2) and (3) above, the Partnership has irrevocably deposited with the Trustee in cash in United States dollars in trust for such purpose funds sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable or to the Stated Maturity or Redemption Date, as the case may be, together with instructions from the Issuer irrevocably directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; and if in either the case of (i) or (ii), (A) the Partnership pays all other sums payable hereunder by the Partnership, and (B) the Partnership has delivered an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such Securities have been complied with, then this Indenture shall cease to be of further effect with respect to the Securities of such Series except as set out in Section 8.01(b). The Trustee shall acknowledge satisfaction and discharge of this Indenture with respect to such Securities upon the written request and at the cost and expense of the Partnership.

(b) Notwithstanding Section 8.01(a), the Partnership's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08 and 2.11 and the rights, powers, trusts, duties and

immunities of the Trustee, including without limitation, under Sections 7.07, 8.05 and 8.07, and the Partnership's obligations in connection therewith, shall survive until the Securities of a Series have been paid in full. The rights of outstanding Securities to receive solely from the trust funds described in Section 8.05 payments in respect of principal of, premium, if any, and interest on such Securities when such payments are due shall also survive until the Securities have been paid in full. Thereafter, the Partnership's obligations in Sections 7.07 and 8.06 shall survive.

(c) The Partnership may, at the option of its Board of Directors evidenced by a Board Resolution set forth in an Officers' Certificate, at any time, elect to have all of its obligations discharged with respect to all outstanding Securities of any Series pursuant to Section 8.02 or 8.03 and upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge. Upon the Partnership's exercise under Section 8.01(c) of the option applicable to this Section 8.02, the Partnership shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from its obligations with respect to all outstanding Securities of that Series on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Partnership shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Securities of that Series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other obligations under such Securities and this Indenture (and the Trustee, upon the written request and at the expense of the Partnership, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Securities of that Series to receive solely from the trust fund described in Section 8.04(a), payments in respect of the principal of, premium, if any, and interest on such Securities of that Series when such payments are due;

(b) the Partnership's obligations with respect to such Securities of that Series under Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08 and 2.11;

(c) the rights, powers, trusts, duties and immunities of the Trustee, including without limitation, under Sections 7.07, 8.05 and 8.07, and the Partnership's obligations in connection therewith; and

(d) the provisions of this Article 8.

Subject to compliance with this Article 8, the Partnership may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 Covenant Defeasance. Upon the Partnership's exercise under Section 8.01(c) of the option applicable to this Section 8.03 with respect to the Securities of a Series, the Partnership shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from its obligations under the covenants contained in a Board Resolution, a supplemental indenture

or an Officers' Certificate and Section 5.01 with respect to the outstanding Securities of that Series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that Series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of that Series, the Partnership and its Subsidiaries may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. In addition, upon the Partnership's exercise under Section 8.01(c) of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, any event specified in Section 6.01 (other than Section 6.01(e) and (f)) shall not constitute an Event of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Securities:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to any Series of Securities:

(a) the Partnership must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of that Series of Securities, (i) cash in United States dollars, (ii) non-callable Government Securities or (iii) a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants to pay the principal of, premium, if any, and interest on the outstanding Securities of such Series on the stated maturity or on the applicable redemption date, as the case may be, and the Partnership must specify whether the Securities of such Series are being defeased to maturity or to a particular redemption date;

(b) in the case of an election under Section 8.02, the Partnership shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that (i) the Partnership has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date hereof, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Securities of such Series shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 8.03, the Partnership shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of the outstanding Securities of such Series shall

not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default with respect to that Series of Securities shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) or insofar as Sections 6.01(e) and (f) are concerned, at any time in the period ending on the 91st day after the date of deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period);

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Partnership is a party or by which the Partnership is bound;

(f) the Partnership shall have delivered to the Trustee an Opinion of Counsel to the effect that after the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(g) the Partnership shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Partnership with the intent of preferring the Holders over the other creditors of the Partnership with the intent of defeating, hindering, delaying or defrauding any other creditors of the Partnership or others; and

(h) the Partnership shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Securities of that Series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Partnership acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest but such money need not be segregated from other funds except to the extent required by law.

The Partnership shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Securities of that Series.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Partnership from time to time upon the written request of the Partnership, and be relieved of all liability with respect to, any money or non-callable Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Partnership. Any money deposited with the Trustee or any Paying Agent, or then held by the Partnership, in trust for the payment of the principal of, premium, if any, and interest on any Security and remaining unclaimed for one year after such principal, and premium, if any, or interest, has become due and payable shall be paid to the Partnership on its written request or (if then held by the Partnership) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Partnership for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Partnership as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Partnership cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Partnership.

Section 8.07 Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations of the Partnership under this Indenture, and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; provided, however, that, if the Partnership makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Partnership shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders. Without the consent of any Holder, the Partnership and the Trustee may amend or supplement this Indenture or the Securities:

- (a) to evidence the succession of another Person to the Partnership pursuant to Article 5 and the assumption by such successor of the Partnership's covenants, agreements and obligations in this Indenture and in the Securities;

(b) to surrender any right or power conferred upon the Partnership by this Indenture, to add to the covenants of the Partnership such further covenants, restrictions, conditions or provisions for the protection of the Holders of all or any Series of Securities as the Board of Directors of the Partnership shall consider to be for the protection of the Holders of such Securities, and to make the occurrence, or the occurrence and continuance, of a default in respect of any such additional covenants, restrictions, conditions or provisions a Default or an Event of Default under this Indenture; provided, however, that with respect to any such additional covenant, restriction, condition or provision, such amendment may provide for a period of grace after default, which may be shorter or longer than that allowed in the case of other Defaults, may provide for an immediate enforcement upon such Default, may limit the remedies available to the Trustee upon such Default or may limit the right of Holders of a majority in aggregate principal amount of the Securities of any Series to waive such default;

(c) to cure any ambiguity or correct or supplement any provision contained in this Indenture, in any supplemental indenture or in any Securities that may be defective or inconsistent with any other provision contained therein;

(d) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee, or to make such other provisions in regard to matters or questions arising under this Indenture as shall not adversely affect the interests of any Holders of Securities of any Series;

(e) to modify or amend this Indenture in such a manner as to permit the qualification of this Indenture or any supplemental indenture hereto under the TIA as then in effect;

(f) to change or eliminate any restrictions on the payment of principal or premium with respect to Securities in registered form, so as to not adversely affect the interests of the Holders or any coupons of any Series in any material respect or permit or facilitate the issuance of Securities of any Series in uncertificated form;

(g) to add guarantees with respect to the Securities or to secure the Securities;

(h) to make any change that does not adversely affect the rights of any Holder;

(i) to add to, change or eliminate any of the provisions of this Indenture with respect to one or more Series of Securities, so long as any such addition, change or elimination not otherwise permitted under this Indenture shall (x) neither apply to any Security of any Series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor modify the rights of the Holders of any such Security with respect to the benefit of such provision or (y) become effective only when there is no such Security outstanding;

(j) to conform the text of this Indenture to any provision of this description of debt securities or any description of debt securities contained in the prospectus supplement to the extent that such provision was intended to be a verbatim recitation of the Indenture;

(k) to evidence and provide for the acceptance of appointment by a successor or separate Trustee with respect to the Securities of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of this Indenture by more than one Trustee; or

(l) to establish the form or terms of Securities and coupons of any Series pursuant to Article 2.

Upon the request of the Partnership accompanied by Board Resolution authorizing the execution of any such amended or supplemental Indenture, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall join with the Partnership in the execution of any amended or supplemental Indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental Indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 With Consent of Holders of Securities. The Partnership and the Trustee may amend or supplement this Indenture or the Securities of any Series with the consent of the Holders of at least a majority in principal amount of the Securities of such Series then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for Securities), and, subject to Sections 6.02, 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Securities (except a payment default resulting from an acceleration that has been rescinded)) or compliance with any provision of this Indenture or the Securities of any Series may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Securities of such Series voting as a single class (including consents obtained in connection with or a tender offer or exchange offer for the Securities).

Upon the request of the Partnership accompanied by a Board Resolution authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Securities as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall join with the Partnership in the execution of such amended or supplemental Indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Securities under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Partnership shall mail to the Holders of Securities affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Partnership to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental Indenture or waiver. However, without the consent of the Holders of all of the

affected Securities, an amendment, supplement or waiver may not (with respect to any Security of any Series held by a non-consenting Holder):

- (a) reduce the principal amount of Securities whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal amount of or extend the Stated Maturity of any Security, or alter the provisions with respect to the redemption of the Securities;
- (c) reduce the rate of or extend the time for payment of interest on any Securities;
- (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Securities (except a rescission of acceleration of the Securities by the Holders of at least a majority in aggregate principal amount of the Securities then outstanding and a waiver of the payment default that resulted from such acceleration);
- (e) make any Security payable in money other than that stated in the Securities;
- (f) make any change in Section 6.04 or 6.07;
- (g) waive a redemption payment with respect to any Security; or
- (h) make any change in the foregoing amendment and waiver provisions of this Article 9.

Section 9.03 Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Securities shall comply with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective once both (i) the requisite number of consents have been received by the Partnership or the Trustee and (ii) such amendment or waiver has been executed by the Partnership and the Trustee.

The Partnership may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such

Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.05 Notation on or Exchange of Securities. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Security thereafter authenticated. The Partnership in exchange for all Securities may issue and the Trustee upon receipt of a Partnership Order shall authenticate new Securities that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Security shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, Etc. The Trustee shall sign any amended or supplemental Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Partnership may not sign an amendment or supplemental Indenture until the Board of Directors approves it. In executing any amended or supplemental indenture the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 10.04, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture, that it is not inconsistent herewith, that it has been duly authorized, executed and delivered by the Partnership and any Guarantor and that it will be valid and binding upon the Partnership and any Guarantor in accordance with its terms.

ARTICLE 10

NOTE GUARANTEES

Section 10.01 Guarantee.

(a) Subject to this Article 10, the Guarantor hereby unconditionally guarantees to each Holder of Securities issued by the Partnership, authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Securities or the obligations of the Partnership hereunder or thereunder, that:

(1) the principal of, premium and liquidated damages, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of premium on, if any and interest on the Notes, if any, if lawful, and all other obligations of the Partnership to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, that same will be promptly paid in full when due

or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantor will pay the same immediately. The Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Securities or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Securities with respect to any provisions hereof or thereof, the recovery of any judgment against the Partnership, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. The Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Partnership, any right to require a proceeding first against the Partnership, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Securities and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Partnership, the Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either the Partnership or the Guarantor, any amount paid by either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) The Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. The Guarantor further agrees that, as between the Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantor for the purpose of this Guarantee.

Section 10.02 Limitation on Guarantor Liability.

The Guarantor, and by its acceptance of Securities, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantor hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of the Guarantor that are relevant under such laws.

Section 10.03 Execution and Delivery of Guarantee.

To evidence its Guarantee set forth in Section 10.01 hereof, the Guarantor hereby agrees that a notation of such Note Guarantee will be endorsed by an Officer of the Guarantor on each Security authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of the Guarantor by one of its Officers.

- (c) the date or dates on which the principal and premium, if any, of the Securities of the Series are payable;
- (d) the rate or rates (which may be fixed or variable) at which the Securities of the Series shall bear interest, if any, or the method of determining such rate or rates, the date or dates from which such interest, if any, shall accrue, the Interest Payment Dates on which such interest, if any, shall be payable or the method by which the Interest Payment Dates will be determined, the record dates for the determination of Holders thereof to whom interest is payable (in the case of Securities in registered form), and the basis upon which such interest will be calculated if other than that of a 360-day year of twelve 30-day months;
- (e) the currency or currencies, including composite currencies, in which Securities of the Series shall be denominated, if other than Dollars, the place or places, if any, in addition to or instead of the Corporate Trust Office of the Trustee (in the case of Securities in registered form), where the principal, premium, if any, and interest with respect to Securities of such Series shall be payable or the method of such payment, if by wire transfer, mail or other means;
- (f) the price or prices at which, the period or periods within which, and the terms and conditions upon which, Securities of the Series may be redeemed, in whole or in part, at the option of the Partnership or otherwise;

(h) the terms, if any, upon which the Securities of the Series may be convertible into or exchanged for any of the Partnership's BUCs, preferred units, other securities or warrants to purchase the Partnership's BUCs, preferred units or other securities and the terms and conditions upon which such conversion or exchange shall be effected, including the initial conversion or exchange price or rate, the conversion or exchange period and any other additional provisions;

(i) if other than minimum denominations of one thousand U.S. dollars (\$1,000) or any integral multiple thereof, the denominations in which the Securities of the Series shall be issuable;

(j) if the amount of principal, premium, if any, or interest with respect to the Securities of the Series may be determined with reference to an index or pursuant to a formula, the manner in which such amounts will be determined;

(k) if the principal amount payable at the Stated Maturity of Securities of the Series will not be determinable as of any one or more dates prior to such Stated Maturity, the amount that will be deemed to be such principal amount as of any such date for any purpose, including the principal amount thereof which will be due and payable upon any Maturity other than the Stated Maturity and which will be deemed to be outstanding as of any such date (or, in any such case, the manner in which such deemed principal amount is to be determined), and, if necessary, the manner of determining the equivalent thereof in Dollars;

(l) the applicability of, if any, and any changes or additions to Article 8;

(m) if other than the principal amount thereof, the portion of the principal amount of the Securities of the Series that shall be payable upon declaration of acceleration of the maturity thereof pursuant to Section 6.02;

(p) if the Securities of the Series shall be issued in whole or in part in the form of a Global Security, the terms and conditions, if any, upon which such Global Security may be exchanged in whole or in part for other individual Definitive Securities of such Series, the Depositary for such Global Security and the form of any legend or legends to be borne by any such Global Security in addition to or in lieu of the Global Securities Legend;

- (q) any Trustee, authenticating agent, Paying Agent, transfer agent, Service Agent or Registrar;
- (r) the applicability of, and any addition to or change in, the covenants (and the related definitions) set forth in Articles 4 or 5 which applies to the Securities of the Series;

- (w) any other terms of Securities of the Series (which terms shall not be inconsistent with the provisions of this Indenture, except as permitted by Section 9.01, but which may modify or delete any provision of this Indenture insofar as it applies to such Series).

All Securities of any one Series need not be issued at the same time and may be issued from time to time, consistent with the terms of this Indenture, if so provided by or pursuant to the Board Resolution, supplemental indenture or Officers' Certificate referred to above, and the authorized principal amount of any Series may not be increased to provide for issuances of additional Securities of such Series, unless otherwise provided in such Board Resolution, supplemental indenture or Officers' Certificate.

Section 2.03 Execution and Authentication. One Officer shall sign the Securities for the Partnership by manual, electronic or facsimile signature. If an Officer whose signature is on a Security no longer holds that office at the time the Security is authenticated, the Security shall nevertheless be valid. A Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in the principal amount provided in the Board Resolution, supplemental indenture or Officers' Certificate, upon receipt by the Trustee of a Partnership Order. Each Security shall be dated the date of its authentication.

The aggregate principal amount of Securities of any Series outstanding at any time may not exceed any limit upon the maximum principal amount for such Series set forth in the Board Resolution, supplemental indenture or Officers' Certificate delivered pursuant to Section 2.02, except as provided in Section 2.08.

Prior to the issuance of Securities of any Series, the Trustee shall have received and (subject

to Section 7.02) shall be fully protected in relying on:

(a) the Board Resolution, supplemental indenture or Officers' Certificate establishing the form of the Securities of that Series or of Securities within that Series and the terms of the Securities of that Series or Securities within that Series; (b) an Officers' Certificate complying with Section 12.05; and (c) an Opinion of Counsel complying with Section 12.05 and also stating:

(i) if the form or forms of such Securities has been established by or pursuant to a Board Resolution or Officers' Certificate, that each such form has been established in conformity with the provisions of this Indenture;

(ii) if the terms of such Securities have been, or will be, established by or pursuant to a Board Resolution or Officers' Certificate, that such terms have been or will be, established in conformity with the provisions of this Indenture; and

(iii) that such Securities when authenticated and delivered by the Trustee and issued by the Partnership will constitute valid and legally binding obligations of the Partnership and, if applicable, the Guarantees will constitute valid, and legally binding obligations of the Guarantors, enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, moratorium, reorganization, liquidation, fraudulent conveyance or transfer and other similar laws of general applicability relating to or affecting the enforcement of creditors' rights, or to general equity principles.

The Trustee shall have the right to decline to authenticate and deliver any Securities of such Series: (a) if the Trustee, being advised by counsel, determines that such action may not lawfully be taken; (b) if the Trustee in good faith by its board of directors or trustees, executive committee or a trust committee of directors and/or vice-presidents shall determine that such action would expose the Trustee to personal liability to Holders of any then outstanding Series of Securities, or (c) the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under this Indenture or otherwise.

The Trustee may appoint an authenticating agent acceptable to the Partnership to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Partnership or an Affiliate.

Any Global Securities (i) shall be registered in the name of the Depositary or the nominee of the Depositary and (ii) shall be delivered by the Trustee to the Depositary or pursuant to the Depositary's instructions or held by the Trustee as Custodian. Participants shall have no rights either under this Indenture with respect to any Global Security held on their behalf by the Depositary or by the Custodian or under such Global Security, and the Depositary may be treated by the Partnership, the Trustee and any agent of the Partnership or Trustee as the owner of such Global Security for all purposes. Notwithstanding the foregoing, nothing herein shall prevent the Partnership, the Trustee or any Agent or other agent of the Partnership or the Trustee from giving

effect to any written certificate, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Participants, the operation of customary practices of such Depositary governing the exercise of the rights of an owner of a beneficial interest in any Global Security.

The Trustee shall have no responsibility or obligation to any Holder, any member or Participant of the Depositary or any other Person with respect to the accuracy of the records of the Depositary (or its nominee) or of any Participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery of any notice (including without limitation any notice of redemption) or the payment of any amount or delivery of any Securities (or other security or property) under which or with respect to the Securities. The Trustee may rely (and shall be fully protected in relying) upon information furnished by the Depositary with respect to its members and Participants.

Section 2.04 Registrar and Paying Agent. The Partnership shall maintain, with respect to each Series of Securities, at the place or places specified with respect to such Series pursuant to Section 2.02, an office or agency where Securities of such Series may be presented or surrendered for payment (“Paying Agent”) and where Securities of such Series may be presented for registration of transfer or for exchange (“Registrar”). The Registrar shall keep a register with respect to each Series of Securities and to their transfer and exchange. The Partnership will give prompt written notice to the Trustee of the name and address, and any change in the name and address, of each Registrar or Paying Agent. If at any time the Partnership shall fail to maintain any such required Registrar or Paying Agent or shall fail to furnish the Trustee with the name and address thereof, such presentations or surrenders may be made at the Corporate Trust Office of the Trustee, and the Partnership hereby appoints the Trustee as its agent to receive all such presentations and surrenders. In no case will any service of legal process be made against the Partnership at the office of the Trustee.

The Partnership may also from time to time designate one or more co-registrars or additional paying agents and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Partnership of its obligations to maintain a Registrar or Paying Agent in each place so specified pursuant to Section 2.02 for Securities of any Series for such purposes. The Partnership will give prompt written notice to the Trustee of any such designation or rescission and of any change in the name or address of any such co-registrar or additional paying agent. The term “Registrar” includes any co-registrar, and the term “Paying Agent” includes any additional paying agent.

The Partnership hereby appoints the Trustee as the initial Registrar and Paying Agent for each Series unless another Registrar or Paying Agent, as the case may be, is appointed prior to the time the Securities of that Series are first issued.

Section 2.05 Paying Agent to Hold Money in Trust. The Partnership shall require each Paying Agent, other than the Trustee, to agree in writing that the Paying Agent will hold in trust, for the benefit of Holders of any Series of Securities, or the Trustee, all money held by the Paying Agent for the payment of principal of or interest on the Series of Securities, and will notify the Trustee of any default by the Partnership in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The

Partnership at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Partnership or a Subsidiary) shall have no further liability for the money. If the Partnership or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders of any Series of Securities all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Partnership, the Trustee shall serve as Paying Agent for the Securities.

Section 2.06 Holders Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders of each Series of Securities and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Partnership shall furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of each Series of Securities and the Partnership shall otherwise comply with TIA Section 312(a).

Section 2.07 Transfer and Exchange. When Securities of a Series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Securities of the same Series, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Trustee shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Partnership may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.11, 3.06, or 9.05).

Neither the Partnership nor the Registrar shall be required (a) to issue, register the transfer of, or exchange Securities of any Series for the period beginning at the opening of business fifteen days immediately preceding the delivery of a notice of redemption of Securities of that Series selected for redemption and ending at the close of business on the day of such delivery or (b) to register the transfer or exchange of any Security of any Series selected, called or being called for redemption as a whole or the portion being redeemed of any such Securities selected, called or being called for redemption in part.

Section 2.08 Mutilated, Destroyed, Lost and Stolen Securities. If any mutilated Security is surrendered to the Trustee, the Partnership shall execute and the Trustee, upon receipt of a Partnership Order, shall authenticate and deliver in exchange therefor a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding. If there shall be delivered to the Partnership and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them in their judgment to save each of them and any agent of either of them harmless, then, in the absence of notice to the Partnership or the Trustee that such Security has been acquired by a bona fide purchaser, the Partnership shall execute and upon receipt of a Partnership Order, the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Partnership in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Partnership may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any Series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Partnership, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 2.09 Outstanding Securities. The Securities outstanding at any time are all the Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Security effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.09 as not outstanding. Except as set forth in Section 2.10 hereof, a Security does not cease to be outstanding because the Partnership or an Affiliate of the Partnership holds the Security; however, Securities held by the Partnership or a Subsidiary of the Partnership shall not be deemed to be outstanding for purposes of Section 9.02 hereof.

If a Security is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser.

If the Paying Agent (other than the Partnership, a Subsidiary or an Affiliate of any thereof) holds, on the Maturity of Securities of a Series money sufficient to pay such Securities of the Series payable on that date, then on and after that date such Securities of the Series shall be deemed to be no longer outstanding and shall cease to accrue interest.

In determining whether the Holders of the requisite principal amount of outstanding Securities have given any request, demand, authorization, direction, notice, consent or waiver hereunder, the principal amount of an Original Issue Discount Security that shall be deemed to be outstanding for such purposes shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02.

Section 2.10 Treasury Securities. In determining whether the Holders of the required principal amount of Securities of a Series have concurred in any request, demand, authorization, notice, direction, waiver or consent, Securities of a Series owned by the Partnership or an Affiliate shall be disregarded, except that for the purposes of determining whether the Trustee shall be

protected in relying on any such request, demand, authorization, notice, direction, waiver or consent, only Securities of a Series that the Trustee knows are so owned shall be disregarded.

Section 2.11 Temporary Securities. Until Definitive Securities are ready for delivery, the Partnership may prepare and the Trustee shall, upon receipt of a Partnership Order, authenticate temporary Securities upon a Partnership Order. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Partnership considers appropriate for temporary Securities. Without unreasonable delay, the Partnership shall prepare and the Trustee shall, upon receipt of a Partnership Order, authenticate Definitive Securities of the same Series and date of maturity in exchange for temporary Securities. Until so exchanged, temporary Securities shall be entitled to the same rights under this Indenture as the Definitive Securities.

Section 2.12 Cancellation. The Partnership at any time may deliver Securities to the Trustee for cancellation. The Registrar and Paying Agent and any other Person shall forward to the Trustee any Securities surrendered to them for cancellation, registration of transfer, exchange or payment. The Trustee will dispose of canceled Securities in accordance with its customary practice (subject to the record retention requirement of the Exchange Act). Evidence of cancellation of all canceled Securities, or confirmation of the reduction in the aggregate principal amount outstanding represented by a Global Security, as applicable, will be delivered to the Partnership upon written request. The Partnership may not issue new Securities to replace Securities that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13 Defaulted Interest. If the Partnership defaults in a payment of interest on a Series of Securities, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, any interest payable on the defaulted interest, to the Persons who are Holders of the Series on a subsequent special record date. The Partnership will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date of the proposed payment. The Partnership shall fix each such special record date and payment date. At least 15 days before the special record date, the Partnership (or upon the written request of the Partnership, the Trustee, in the name and at the expense of the Partnership) shall mail or cause to be mailed (or send or cause to be sent by electronic transmission in the case of Global Securities) to Holders of the Series a notice that states the special record date, the related payment date and the amount of such interest to be paid. The Partnership may pay defaulted interest in any other lawful manner.

Section 2.14 Global Securities.

(a) Terms of Securities. A Board Resolution, a supplemental indenture hereto or an Officers' Certificate shall establish whether the Securities of a Series shall be issued in whole or in part in the form of one or more Global Securities and the Depositary for such Global Security or Securities.

(b) Transfer and Exchange. Notwithstanding any provisions to the contrary contained in Section 2.07 and in addition thereto, any Global Security shall be exchangeable pursuant to Section 2.07 for Securities registered in the names of Holders other than the Depositary for such Security or its nominee only if:

(i) such Depositary notifies the Partnership that it is unwilling or unable to continue as Depositary for such Global Security or if at any time such Depositary ceases to be a clearing agency registered under the Exchange Act, and in either case, the Partnership fails to appoint a successor Depositary within 90 days of such event;

(ii) the Partnership executes and delivers to the Trustee an Officers' Certificate to the effect that such Global Security shall be so exchangeable; or

(iii) an Event of Default with respect to the Securities represented by such Global Security shall have happened and be continuing. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as the Depositary shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

Except as provided in this Section 2.14(b), a Global Security may not be transferred except as a whole by the Depositary with respect to such Global Security to a nominee of such Depositary, by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such a successor Depositary.

(iv) Legend. Any Global Security issued hereunder shall bear a legend in substantially the following form:

“THIS GLOBAL SECURITY IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS SECURITY) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (I) THIS GLOBAL SECURITY MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.07 OF THE INDENTURE, (II) THIS GLOBAL SECURITY MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.12 OF THE INDENTURE AND (III) THIS GLOBAL SECURITY MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF GREYSTONE HOUSING IMPACT INVESTORS LP.”

(c) Acts of Holders.

(i) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Partnership. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of Holders signing such instrument or

instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Partnership, if made in the manner provided in this Section.

(ii) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(iii) The ownership of registered securities shall be proved by the register maintained by the Registrar.

(iv) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Partnership in reliance thereon, whether or not notation of such action is made upon such Security.

(v) If the Partnership shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Partnership may, at its option, by or pursuant to a Board Resolution, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Partnership shall have no obligation to do so if such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of outstanding Securities have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the outstanding Securities shall be computed as of such record date; provided that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

(vi) Payments. Notwithstanding the other provisions of this Indenture, unless otherwise specified as contemplated by Section 2.02, payment of the principal of and interest, if any, on any Global Security shall be made to the Holder thereof.

(vii) Consents, Declaration and Directions. Except as provided in Section 2.14(e), the Partnership, the Trustee and any Agent shall treat a person as the Holder of such principal amount of outstanding Securities of such Series represented by a Global Security as shall be specified in a written statement of the Depositary with respect to such Global Security, for purposes of obtaining any consents, declarations, waivers or directions required to be given by the Holders pursuant to this Indenture.

Section 2.15 CUSIP Numbers. The Partnership in issuing the Securities may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other elements of identification printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Partnership shall promptly notify the Trustee of any change in CUSIP Numbers.

ARTICLE 3

REDEMPTION AND PREPAYMENT

Section 3.01 Notices to Trustee. The Partnership may, with respect to any Series of Securities, reserve the right to redeem and pay the Series of Securities or may covenant to redeem and pay the Series of Securities or any part thereof prior to the Stated Maturity thereof at such time and on such terms as provided for in such Series of Securities. If a Series of Securities is redeemable and the Partnership wants or is obligated to redeem prior to the Stated Maturity thereof all or part of the Series of Securities pursuant to the terms of such Securities, it shall notify the Trustee of the redemption date and the principal amount of Securities of the Series to be redeemed and the redemption price. The Partnership shall give such notice to the Trustee at least 45 but no more than 60 days before the redemption date (or such shorter notice as may be acceptable to the Trustee).

Section 3.02 Selection of Securities to be Redeemed. Unless otherwise indicated for a particular Series by a Board Resolution, supplemental indenture or an Officers' Certificate, if less than all of the Securities are to be redeemed or purchased in an offer to purchase at any time, the Securities to be redeemed or purchased will be selected as follows: (a) if the Securities are in the form of Global Securities, in accordance with the procedures of the Depositary, and (b) if the Securities are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange, if any, on which the Securities are listed. No Securities of \$1,000 principal amount or less will be redeemed in part. Except as provided in the preceding sentence, provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption.

If any Security is to be redeemed in part only, the notice of redemption that relates to such Security shall state the portion of the principal amount of that Security to be redeemed. A new Security in principal amount equal to the unredeemed portion of the original Security presented for redemption will be issued in the name of the Holder thereof upon cancellation of the original

Security. Securities called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue or accrete on Securities or portions of them called for redemption.

Section 3.03 Notice of Redemption. Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officers' Certificate, at least 30 days but not more than 60 days before a redemption date, the Partnership shall send, by first class mail, or electronically in accordance with the procedures of the Depositary, a notice of redemption to each Holder whose Securities are to be redeemed at its registered address, except that a notice of redemption may be given more than 60 days prior to a redemption date if the notice is used in connection with Article 8 hereof.

The notice shall identify the Securities to be redeemed and shall state:

- (a) the redemption date;
- (b) the Redemption Price (as defined in the Indenture for the Series of Securities);
- (c) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the redemption date upon surrender of such Security, a new Security or Securities in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Security;
- (d) the name and address of the Paying Agent;
- (e) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Partnership defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on the Securities called for redemption ceases to accrue on and after the redemption date;
- (g) the paragraph of the Securities and/or provision of this Indenture or any supplemental indenture or Board Resolution pursuant to which the Securities called for redemption are being redeemed;
- (h) the CUSIP number, if any, printed on the Securities being redeemed; and
- (i) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities.

At the Partnership's written request, the Trustee shall give the notice of redemption in the Partnership's name and at its expense; provided, however, that the Partnership shall have delivered to the Trustee, at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. If

any of the Securities to be redeemed is in the form of a Global Security, then the Partnership shall modify such notice to the extent necessary to conform with the procedures of the Depositary applicable to such redemption.

Section 3.04 Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 3.03, Securities called for redemption become irrevocably due and payable on the redemption date at the redemption price, plus accrued and unpaid interest to such date. A notice of redemption may not be conditional. Failure to give notice or any defect in the notice to the Holder of any Security shall not affect the validity of the notice to any other Holder.

Section 3.05 Deposit of Redemption Price. On or before 11:00 a.m. (New York City time) on the redemption date, the Partnership shall deposit with the Trustee or with the Paying Agent (or if the Partnership or any Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price, of and accrued interest on, all Securities to be redeemed on that date, other than Securities or portions of Securities called for redemption that have been delivered to the Trustee for cancellation. The Trustee or the Paying Agent shall as promptly as practicable return to the Partnership any money deposited with the Trustee or the Paying Agent by the Partnership in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Securities to be redeemed. If such money is then held by the Partnership or a Subsidiary in trust and is not required for such purpose, it shall be discharged from such trust.

If the Partnership complies with the provisions of the preceding paragraph, on and after the redemption, interest shall cease to accrue on the Securities called for redemption. If a Security is redeemed on or after an interest record date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Person in whose name such Security was registered at the close of business on such record date. If any Security called for redemption shall not be so paid upon surrender for redemption because of the failure of the Partnership to comply with the preceding paragraph, interest shall be paid on the unpaid principal from the redemption date until such principal is paid, and to the extent lawful, on any interest not paid on such unpaid principal, in each case at the rate provided in the Securities.

Section 3.06 Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Partnership shall execute and, upon receipt of a Partnership Order, the Trustee shall authenticate for the Holder at the expense of the Partnership a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE 4 COVENANTS

Section 4.01 Payment of Securities. The Partnership covenants and agrees for the benefit of the Holders of each Series of Securities that it will duly and punctually make all payments in respect of each Series of Securities on the dates and in the manner provided in such Series of Securities and this Indenture. Such payments shall be considered made on the date the Trustee or the Paying Agent, if other than the Partnership or a Subsidiary thereof, holds, as of 10:00 a.m. New York City time, in accordance with this Indenture, funds sufficient to make all payments with

respect to such Securities then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 Reports. Unless otherwise indicated in a Board Resolution, a supplemental indenture or an Officers' Certificate, whether or not required by the rules and regulations of the Commission so long as any Securities are outstanding, the Partnership shall furnish to the Trustee and the Holders of the Securities the following:

(a) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Partnership were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report thereon by the Partnership's certified independent accountants;

(b) all current reports that would be required to be filed with the Commission on Form 8-K if the Partnership were required to file such reports; and

(c) any other information, reports and documents that the Partnership is required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act.

in each case, within the time periods specified in the Commission's rules and regulations; provided that such information and reports need not be furnished to the Holders if they are generally available on the Internet free of charge.

In addition, whether or not required by the rules and regulations of the Commission, the Partnership shall file a copy of all such information and reports with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission shall not accept such a filing) and make such information available to securities analysts and prospective investors upon request.

Reports by the Partnership delivered to the Trustee should be considered for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Partnership's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no duty to determine whether any reports have been posted or filed.

Notwithstanding the foregoing, if the Partnership files with the Commission the reports required by the preceding paragraphs electronically via the EDGAR filing system (or any successor filing system) within such specified time periods and such reports are publicly available, the Partnership shall not be required under this Indenture to furnish such reports to the Trustee or the Holders.

Section 4.03 Compliance Certificate.

(a) The Partnership and each Guarantor (to the extent that such Guarantor is so required under the TIA) shall deliver to the Trustee, within 90 days after the end of each fiscal year of the Partnership, an Officers' Certificate stating that a review of the activities of the Partnership and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether each of the Partnership and any other obligors has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge each entity has fulfilled all of its obligations under this Indenture throughout such year and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Partnership is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest on, the Securities is prohibited or if such event has occurred, a description of the event and what action the Partnership is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.02(a) above shall be accompanied by a written statement of the Partnership's independent public accountants (who shall be a firm of established national reputation, reasonably satisfactory to the Trustee) that in making the examination necessary for certification of such financial statements, nothing has come to their attention that would lead them to believe that a Default or an Event of Default has occurred and is continuing or, if any such Default or Event of Default has occurred and is continuing, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such Default or Event of Default. In the event that such written statement of the Partnership's independent public accountants cannot be obtained, the Partnership shall deliver an Officers' Certificate certifying that it has used its best efforts to obtain such statements and was unable to do so.

(c) The Partnership shall, so long as any Securities are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default that is then continuing, an Officers' Certificate specifying such Default or Event of Default and what action the Partnership is taking or proposes to take with respect thereto.

Section 4.04 Corporate Existence. Subject to Article 5, the Partnership shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate, partnership or other existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Partnership or any such Subsidiary; and

(b) the rights (charter and statutory), licenses and franchises of the Partnership and its Subsidiaries; provided, however, that the Partnership shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Partnership and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Securities.

Section 4.05 Calculation of Original Issue Discount. The Partnership shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on outstanding Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

ARTICLE 5 SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of Assets. Unless otherwise provided for in a particular Series by a Board Resolution, a supplemental indenture or an Officers' Certificate, the Partnership shall not consolidate with or merge into (whether or not the Partnership is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of (collectively, "Transfer") all or substantially all of its properties or assets to, another Person unless:

(a) the resulting, surviving or transferee Person (the "Successor Company") shall be a corporation, limited liability company or limited partnership organized or existing under the laws of the United States, any state thereof or the District of Columbia;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Partnership) or the Person to which such Transfer has been made assumes all the obligations of the Partnership under the Securities and this Indenture pursuant to a supplemental indenture or amendment, in a form reasonably satisfactory to the Trustee;

(c) immediately after such transaction, no Default exists; and

(d) the Partnership shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or Transfer and such supplemental indenture or amendment complies with this Indenture, and such Opinion of Counsel shall also state that such supplemental indenture or amendment has been duly authorized, executed and delivered by such Person and that it is valid and binding upon such Person in accordance with its terms.

The Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Partnership under this Indenture (as modified by a Board Resolution, supplemental indenture or Officers' Certificate), and the predecessor Partnership, except in the case of a lease of all or substantially all of its assets, shall be released from the obligation to pay

the principal of and interest on the Securities. The foregoing will not prohibit a consolidation or merger between the Partnership and a Wholly Owned Subsidiary, the transfer of all or substantially all of the properties or assets of the Partnership to a Wholly Owned Subsidiary or the transfer of all or substantially all of the properties or assets of a Wholly Owned Subsidiary to the Partnership; provided, that if the Partnership is not the surviving entity of such transaction or the Person to which such transfer is made, the surviving entity or the Person to which such transfer is made shall comply with clauses (b) and (d) of this paragraph.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 Events of Default. Unless otherwise indicated for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officers' Certificate, each of the following constitutes an "Event of Default" with respect to each Series of Securities:

- (a) default for 30 days in the payment of interest when due with respect to the Securities;
- (b) default in payment when due of principal or premium, if any, on the Securities at maturity, upon redemption or otherwise;
- (c) failure by the Partnership for 30 days after receipt of notice (as specified below) to comply with the provisions described under Section 2.04, 4.02, 4.03 or 5.01;
- (d) failure by the Partnership for 60 days after notice (as specified below) to comply with its other agreements in this Indenture or the Securities;
- (e) the Partnership or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (i) commences a voluntary case;
 - (ii) consents to the entry of an order for relief against it in an involuntary case in which it is the debtor;
 - (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or
 - (iv) makes a general assignment for the benefit of its creditors;
- (f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (i) is for relief against the Partnership or any Significant Subsidiary in an involuntary case in which it is the debtor;

(ii) appoints a custodian of the Partnership or any Significant Subsidiary or for all or substantially all of its property; or

(iii) orders the liquidation of the Partnership or any Significant Subsidiary;

and the order or decree contemplated in clause (i), (ii) or (iii), remains unstayed and in effect for 60 consecutive days;

A Default under paragraph (c) or (d) is not an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities notify the Partnership of the Default and the Partnership does not cure such Default within the time specified after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a “Notice of Default”.

To the extent that the last day of the period referred to in paragraph (a), (c), (d), (e) or (f) of this Section 6.01 is not a Business Day, then the first Business Day following such day shall be deemed to be the last day of the period referred to in such clauses. Any “day” will be deemed to end as of 11:59 p.m., New York City time.

Section 6.02 Acceleration. If an Event of Default with respect to any Series of Securities at the time outstanding (other than an Event of Default with respect to the Partnership specified in paragraph (e) and (f) of Section 6.01) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Securities of that Series may declare the unpaid principal of, (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security) premium, if any, and accrued and unpaid interest on all the Securities of that Series to be due and payable by notice in writing to the Partnership (and the Trustee, if given by the Holders) specifying the respective Event of Default and that it is a “notice of acceleration.” Upon such a declaration, such amounts shall be due and payable immediately. If an Event of Default with respect to the Partnership specified in paragraph (e) or (f) of Section 6.01 occurs, the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of each Series of Security shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of a majority in principal amount of the then outstanding Securities of any Series of Securities by written notice to the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived with respect to such Series of Securities (except nonpayment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of that Series that has become due solely because of the acceleration).

Section 6.03 Other Remedies. If an Event of Default with respect to any Series of Securities occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued

and unpaid interest on all the Securities of that Series or to enforce the performance of any provision of the Securities of that Series or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities of a Series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default with respect to any Series of Securities shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults. Holders of at least a majority in principal amount of the Securities of any Series (including consents obtained in connection with a tender offer or exchange for Securities) by notice to the Trustee may on behalf of the Holders of all of Securities of that Series waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default (i) in the payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of that Series, or (ii) in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of each Holder affected by such modification or amendment. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon. The Partnership shall deliver to the Trustee an Officers' Certificate stating that the requisite percentage of Holders has consents to such waiver and shall attach copies of such consents.

Section 6.05 Control By Majority. Holders of a majority in principal amount of the then outstanding Securities of any Series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it with respect to that Series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, that the Trustee determines may be prejudicial to the rights of any other Holder of Securities of that Series (provided, that the Trustee shall not have an affirmative duty to determine whether any such direction is prejudicial to the rights of any Holder) or that may involve the Trustee in personal liability.

Section 6.06 Limitation on Suits. Except to enforce the right to receive payment of the principal amount of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on a Security of Series when due, no Holder of a Security of that Series may pursue any remedy with respect to this Indenture or the Securities of that Series unless:

- (a) the Holder previously gave to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of the then outstanding Securities of that Series have made a written request to the Trustee to pursue the remedy;

(c) such Holder or Holders of that Series has offered and provided to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee has not complied with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and

(e) during such 60-day period the Holders of a majority in aggregate principal amount of the outstanding Securities of that Series have not given the Trustee a direction inconsistent with the request.

A Holder of Securities of any Series may not use this Indenture to prejudice the rights of another Holder of that Series or to obtain a preference or priority over another Holder of that Series.

Section 6.07 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of the principal amount of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on the Securities held by such Holder, on or after their Maturity, or to bring suit for the enforcement of any such payment on or after their Maturity, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Partnership or any other obligor under the Securities for the whole amount then due and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including without limitation any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Partnership (or any other obligor under the Securities), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Section 6.10 Priorities. If the Trustee or any Agent collects any money or property pursuant to this Article 6 with respect to any Series of Securities, it shall pay out the money or property in the following order:

First: to the Trustee, such Agent, their agents and attorneys for amounts due under Section 7.07; Second: to the payment of all Senior Indebtedness if and to the extent required by Article 10 of this Indenture or other subordination provisions applicable with respect to a Series of Securities; Third: to Holders for amounts due and unpaid on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, respectively; and Fourth: to the Partnership or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking For Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Securities of any Series.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default of which a Responsible Officer of the Trustee has actual knowledge has occurred and is continuing with respect to any Series of Securities, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default with respect to any Series of Securities of which a Responsible Officer of the Trustee has actual knowledge or of which written notice shall have been given to the Trustee in accordance with the terms of this Indenture:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture, with respect to the Securities of that Series, as modified

or supplemented by a Board Resolution, a supplemental indenture or an Officers' Certificate, and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may with respect to Securities of that Series, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, with respect to certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 and the Trustee shall be entitled from time to time to request such direction.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) Notwithstanding anything to the contrary in this Indenture, no provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Partnership. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent or other paper or documents.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely on the truth of the statements and correctness of the opinions contained in, and shall be protected from acting or refraining from acting upon, any document. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Partnership, personally or by agent or attorney, to the extent reasonably required by such inquiry or investigation at the sole cost of the Partnership and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. Prior to taking, suffering or admitting any action, the Trustee may consult with counsel of the Trustee's own choosing and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct, negligence or failure to act of any attorney or agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Partnership shall be sufficient if signed by an Officer of the Partnership.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction. In no event shall the Trustee be liable or responsible for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including but not limited to lost profits) for any action it takes or omits to take, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default with respect to Securities of any Series unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee from the Issuer or the Holders of 25% in aggregate

principal amount of the outstanding Securities of all series affected thereby, and such notice references the specific Default or Event of Default, the Notes of such series and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder as Registrar and Paying Agent, and each Agent and other Person employed to act hereunder.

(i) The Trustee may request that the Partnership deliver an Officers' Certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(j) Notwithstanding any provision herein to the contrary, in no event shall the Trustee be liable for any failure or delay in the performance of its obligations under this Indenture because of circumstances beyond its control, including, but not limited to, nuclear or natural catastrophes or acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of the services contemplated by this Indenture, inability to obtain material, equipment, or communications or computer (software and hardware) facilities, or the failure of equipment or interruption of utilities, communications or computer (software and hardware) facilities, and other causes beyond its control whether or not of the same class or kind as specifically named above.

(k) If at any time Trustee is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process which in any way affects any property held by it hereunder (including, but not limited to, orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any property), Trustee is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate in good faith; and if Trustee complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, Trustee shall not be liable to any of the parties hereto or to any other person or entity even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The permissive rights of the Trustee shall not be construed as duties.

Section 7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Partnership or any Affiliate of the Partnership with the same rights it would have if it were not

Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Partnership's use of the proceeds from the Securities or any money paid to the Partnership or upon the Partnership's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Securities or any other document in connection with the sale of the Securities or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults. If a Default or Event of Default with respect to Securities of any Series occurs and is continuing and if it is known to the Trustee, the Trustee shall send to Holders of that Series a notice of the Default or Event of Default within the later of 90 days after it occurs or a Responsible Officer of the Trustee obtains actual knowledge of such Default or Event of Default. Except in the case of a Default or Event of Default in payment on any Security pursuant to Section 6.01(a) or (b), the Trustee may withhold the notice if and so long as a Responsible Officer in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.06 Reports By Trustee to Holders. Unless otherwise specified in the applicable Board Resolution, supplemental indenture or Officers' Certificate, within 60 days after each [] beginning with the [] following the date of this Indenture, and for so long as Securities remain outstanding, the Trustee shall send to the Holders of the Securities a brief report dated as of such reporting date that complies with TIA Section 313(a) (but if no event described in TIA Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA Section 313(b)(2). The Trustee shall also send all reports as required by TIA Section 313(c).

A copy of each report at the time it is sent to the Holders shall be sent to the Partnership and filed with the Commission and each stock exchange on which the Partnership has informed the Trustee in writing the Securities are listed in accordance with TIA Section 313(d). The Partnership shall promptly notify the Trustee in writing when the Securities are listed on any stock exchange and of any delisting thereof.

Section 7.07 Compensation and Indemnity. The Partnership shall pay to the Trustee from time to time reasonable compensation, as may be agreed by the Partnership and the Trustee in writing, for its acceptance of this Indenture and services hereunder. To the extent lawful, the Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Partnership shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Partnership shall indemnify the Trustee and hold it harmless against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the reasonable costs and expenses of enforcing this Indenture against the Partnership or any other obligors under the Securities (including this Section 7.07) and defending itself against any claim (whether asserted by the Partnership or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct. The Trustee shall notify the Partnership promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Partnership shall not relieve the Partnership of its obligations hereunder. The Partnership shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Partnership shall pay the reasonable fees and expenses of such counsel. The Partnership need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Partnership under this Section 7.07 constitute additional Indebtedness hereunder and shall survive the satisfaction and discharge of this Indenture, including without limitation any termination or rejection hereof under any Bankruptcy Law. The obligations of the Partnership under this Section 7.07 shall not be subordinated to the payment of Senior Indebtedness.

To secure the Partnership's payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay principal, premium, if any, and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee. The Trustee's right to receive payment of any amounts due under this Section 7.07 shall not be subordinate to any other Indebtedness of the Partnership.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(e) or (f) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of TIA Section 313(b)(2) to the extent applicable.

Section 7.08 Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time and be discharged from the trust hereby created with respect to the Securities of any Series by so notifying the Partnership. The Holders of a majority in principal amount of the then outstanding Securities of any Series may remove the Trustee with respect to such Series of Securities by so notifying the Trustee and the Partnership in writing. The Partnership may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;

- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a Custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns, is removed by the Partnership or by the Holders of a majority in principal amount of the Securities of any Series and such Holders do not reasonably promptly appoint a successor Trustee or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Partnership shall promptly appoint a successor Trustee with respect to the Securities of such Series.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Partnership, or the Holders of at least 10% in principal amount of Securities of that Series may petition any court of competent jurisdiction at the expense of the Partnership for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Security who has been a Holder of a Security for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

The successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Partnership. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, provided that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Partnership's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger, Etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee; provided, such corporation or association shall be otherwise eligible and qualified under this Article 7 and shall notify the Partnership of its successor hereunder.

Section 7.10 Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA Section 310(a)(1), (2) and (5). The Trustee is subject to TIA Section 310(b).

Section 7.11 Preferential Collection of Claims Against the Partnership. The Trustee is subject to TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated therein.

ARTICLE 8

DISCHARGE; LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Discharge; Option to Effect Legal Defeasance or Covenant Defeasance.

(a) When (i) the Partnership has delivered to the Trustee all outstanding Securities of a Series (other than Securities replaced pursuant to Section 2.08) for cancellation or (ii) all Securities of a Series that have not been delivered to the Trustee for cancellation (1) have become due and payable by reason of the sending of a notice of redemption or otherwise, (2) will become due and payable at their Stated Maturity within one year or (3) are to be called for redemption within 12 months under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the reasonable expense of the Partnership, and, in case of (1), (2) and (3) above, the Partnership has irrevocably deposited with the Trustee in cash in United States dollars in trust for such purpose funds sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable or to the Stated Maturity or Redemption Date, as the case may be, together with instructions from the Issuer irrevocably directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; and if in either the case of (i) or (ii), (A) the Partnership pays all other sums payable hereunder by the Partnership, and (B) the Partnership has delivered an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such Securities have been complied with, then this Indenture shall cease to be of further effect with respect to the Securities of such Series except as set out in Section 8.01(b). The Trustee shall acknowledge satisfaction and discharge of this Indenture with respect to such Securities upon the written request and at the cost and expense of the Partnership.

(b) Notwithstanding Section 8.01(a), the Partnership's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08 and 2.11 and the rights, powers, trusts, duties and immunities of the Trustee, including without limitation, under Sections 7.07, 8.05 and 8.07, and the Partnership's obligations in connection therewith, shall survive until the Securities of a Series have been paid in full. The rights of outstanding Securities to receive solely from the trust funds described in Section 8.05 payments in respect of principal of, premium, if any, and interest on such Securities when such payments are due shall also survive until the Securities have been paid in full. Thereafter, the Partnership's obligations in Sections 7.07 and 8.06 shall survive.

(c) The Partnership may, at the option of its Board of Directors evidenced by a Board Resolution set forth in an Officers' Certificate, at any time, elect to have all of its

obligations discharged with respect to all outstanding Securities of any Series pursuant to Section 8.02 or 8.03 and upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge. Upon the Partnership's exercise under Section 8.01(c) of the option applicable to this Section 8.02, the Partnership shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from its obligations with respect to all outstanding Securities of that Series on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Partnership shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Securities of that Series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other obligations under such Securities and this Indenture (and the Trustee, upon the written request and at the expense of the Partnership, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of outstanding Securities of that Series to receive solely from the trust fund described in Section 8.04(a), payments in respect of the principal of, premium, if any, and interest on such Securities of that Series when such payments are due;
- (b) the Partnership's obligations with respect to such Securities of that Series under Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08 and 2.11;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, including without limitation, under Sections 7.07, 8.05 and 8.07, and the Partnership's obligations in connection therewith; and
- (d) the provisions of this Article 8.

Subject to compliance with this Article 8, the Partnership may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 Covenant Defeasance. Upon the Partnership's exercise under Section 8.01(c) of the option applicable to this Section 8.03 with respect to the Securities of a Series, the Partnership shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from its obligations under the covenants contained in a Board Resolution, a supplemental indenture or an Officers' Certificate and Section 5.01 with respect to the outstanding Securities of that Series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that Series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of that Series, the Partnership and its Subsidiaries may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth

in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. In addition, upon the Partnership's exercise under Section 8.01(c) of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, any event specified in Section 6.01 (other than Section 6.01(e) and (f)) shall not constitute an Event of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Securities:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to any Series of Securities:

(a) the Partnership must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of that Series of Securities, (i) cash in United States dollars, (ii) non-callable Government Securities or (iii) a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants to pay the principal of, premium, if any, and interest on the outstanding Securities of such Series on the stated maturity or on the applicable redemption date, as the case may be, and the Partnership must specify whether the Securities of such Series are being defeased to maturity or to a particular redemption date;

(b) in the case of an election under Section 8.02, the Partnership shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that (i) the Partnership has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date hereof, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Securities of such Series shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 8.03, the Partnership shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of the outstanding Securities of such Series shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default with respect to that Series of Securities shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) or insofar as Sections 6.01(e) and (f) are concerned, at any time in the period ending on the 91st day

after the date of deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period);

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Partnership is a party or by which the Partnership is bound;

(f) the Partnership shall have delivered to the Trustee an Opinion of Counsel to the effect that after the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(g) the Partnership shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Partnership with the intent of preferring the Holders over the other creditors of the Partnership with the intent of defeating, hindering, delaying or defrauding any other creditors of the Partnership or others; and

(h) the Partnership shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Securities of that Series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Partnership acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest but such money need not be segregated from other funds except to the extent required by law.

The Partnership shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Securities of that Series.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Partnership from time to time upon the written request of the Partnership, and be relieved of all liability with respect to, any money or non-callable Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Partnership. Any money deposited with the Trustee or any Paying Agent, or then held by the Partnership, in trust for the payment of the principal of,

premium, if any, and interest on any Security and remaining unclaimed for one year after such principal, and premium, if any, or interest, has become due and payable shall be paid to the Partnership on its written request or (if then held by the Partnership) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Partnership for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Partnership as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Partnership cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Partnership.

Section 8.07 Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations of the Partnership under this Indenture, and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; provided, however, that, if the Partnership makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Partnership shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders. Without the consent of any Holder, the Partnership and the Trustee may amend or supplement this Indenture or the Securities:

(a) to evidence the succession of another Person to the Partnership pursuant to Article 5 and the assumption by such successor of the Partnership's covenants, agreements and obligations in this Indenture and in the Securities;

(b) to surrender any right or power conferred upon the Partnership by this Indenture, to add to the covenants of the Partnership such further covenants, restrictions, conditions or provisions for the protection of the Holders of all or any Series of Securities as the Board of Directors of the Partnership shall consider to be for the protection of the Holders of such Securities, and to make the occurrence, or the occurrence and continuance, of a default in respect of any such additional covenants, restrictions, conditions or provisions a Default or an Event of Default under this Indenture; provided, however, that with respect to any such additional covenant, restriction, condition or provision, such amendment may provide for a period of grace after default, which may be shorter or longer than that allowed in the case of other Defaults, may provide for an immediate enforcement upon such Default, may limit the remedies available to the Trustee upon such Default or

may limit the right of Holders of a majority in aggregate principal amount of the Securities of any Series to waive such default;

(c) to cure any ambiguity or correct or supplement any provision contained in this Indenture, in any supplemental indenture or in any Securities that may be defective or inconsistent with any other provision contained therein;

(d) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee, or to make such other provisions in regard to matters or questions arising under this Indenture as shall not adversely affect the interests of any Holders of Securities of any Series;

(e) to modify or amend this Indenture in such a manner as to permit the qualification of this Indenture or any supplemental indenture hereto under the TIA as then in effect;

(f) to change or eliminate any restrictions on the payment of principal or premium with respect to Securities in registered form, so as to not adversely affect the interests of the Holders or any coupons of any Series in any material respect or permit or facilitate the issuance of Securities of any Series in uncertificated form;

(g) in the case of subordinated Securities, to make any change in the provisions of this Indenture or any supplemental indenture relating to subordination that would limit or terminate the benefits available to any holder of Senior Indebtedness (as defined in the applicable Board Resolution, supplemental indenture hereto or Officers' Certificate related to such Series of Subordinated Securities) under such provisions (but only if each such holder of Senior Indebtedness under such provisions consents to such change);

(h) to add guarantees with respect to the Securities or to secure the Securities;

(i) to make any change that does not adversely affect the rights of any Holder;

(j) to add to, change or eliminate any of the provisions of this Indenture with respect to one or more Series of Securities, so long as any such addition, change or elimination not otherwise permitted under this Indenture shall (x) neither apply to any Security of any Series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor modify the rights of the Holders of any such Security with respect to the benefit of such provision or (y) become effective only when there is no such Security outstanding;

(k) to conform the text of this Indenture to any provision of this description of debt securities or any description of debt securities contained in the prospectus supplement to the extent that such provision was intended to be a verbatim recitation of the Indenture;

(l) to evidence and provide for the acceptance of appointment by a successor or separate Trustee with respect to the Securities of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of this Indenture by more than one Trustee; or

- (m) to establish the form or terms of Securities and coupons of any Series pursuant to Article 2.

Upon the request of the Partnership accompanied by Board Resolution authorizing the execution of any such amended or supplemental Indenture, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall join with the Partnership in the execution of any amended or supplemental Indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental Indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 With Consent of Holders of Securities. The Partnership and the Trustee may amend or supplement this Indenture or the Securities of any Series with the consent of the Holders of at least a majority in principal amount of the Securities of such Series then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for Securities), and, subject to Sections 6.02, 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Securities (except a payment default resulting from an acceleration that has been rescinded)) or compliance with any provision of this Indenture or the Securities of any Series may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Securities of such Series voting as a single class (including consents obtained in connection with or a tender offer or exchange offer for the Securities).

Upon the request of the Partnership accompanied by a Board Resolution authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Securities as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall join with the Partnership in the execution of such amended or supplemental Indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Securities under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Partnership shall mail to the Holders of Securities affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Partnership to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental Indenture or waiver. However, without the consent of the Holders of all of the affected Securities, an amendment, supplement or waiver may not (with respect to any Security of any Series held by a non-consenting Holder):

- (a) reduce the principal amount of Securities whose Holders must consent to an amendment, supplement or waiver;

- (b) reduce the principal amount of or extend the Stated Maturity of any Security, or alter the provisions with respect to the redemption of the Securities;
- (c) reduce the rate of or extend the time for payment of interest on any Securities;
- (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Securities (except a rescission of acceleration of the Securities by the Holders of at least a majority in aggregate principal amount of the Securities then outstanding and a waiver of the payment default that resulted from such acceleration);
- (e) make any Security payable in money other than that stated in the Securities;
- (f) make any change in Section 6.04 or 6.07;
- (g) waive a redemption payment with respect to any Security; or
- (h) make any change in the foregoing amendment and waiver provisions of this Article 9.

Notwithstanding the foregoing, any amendment to the provisions of Article 10 of this Indenture with respect to any Series of Securities shall require the consent of the Holders of at least 75% in aggregate amount of Securities of such Series then outstanding (including consents obtained in connection with a tender offer or exchange for such Securities, if such amendment would adversely affect the rights of the Holders of the Securities of such Series).

Section 9.03 Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Securities shall comply with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective once both (i) the requisite number of consents have been received by the Partnership or the Trustee and (ii) such amendment or waiver has been executed by the Partnership and the Trustee.

The Partnership may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective

for more than 120 days after such record date.

Section 9.05 Notation on or Exchange of Securities. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Security thereafter authenticated. The Partnership in exchange for all Securities may issue and the Trustee upon receipt of a Partnership Order shall authenticate new Securities that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Security shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, Etc. The Trustee shall sign any amended or supplemental Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Partnership may not sign an amendment or supplemental Indenture until the Board of Directors approves it. In executing any amended or supplemental indenture the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 10.04, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture, that it is not inconsistent herewith, that it has been duly authorized, executed and delivered by the Partnership and any Guarantor and that it will be valid and binding upon the Partnership and any Guarantor in accordance with its terms.

ARTICLE 10 SUBORDINATION

Section 10.01 Securities Subordinated to Senior Indebtedness. The Partnership covenants and agrees, and each Holder of Securities by such Holder's acceptance thereof, likewise covenants and agrees, that the indebtedness evidenced by the Securities and the payment of the principal of, premium, if any and interest on each and all of the Securities is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, in right of payment to the prior payment in full of Senior Indebtedness.

Anything in this Indenture or in the Securities to the contrary notwithstanding, the indebtedness evidenced by the Securities shall be subordinate and junior in right of payment, to the extent and in the manner hereinafter set forth, to all Senior Indebtedness. Senior Indebtedness shall continue to be Senior Indebtedness and entitled to the benefits of these subordination provisions irrespective of any amendment, modification or waiver of any term of Senior Indebtedness or extension or renewal of Senior Indebtedness.

(a) In the event the Partnership shall default in the payment of any Senior Indebtedness when the same becomes due and payable, whether at maturity or on a date fixed for prepayment or by declaration or otherwise, then, unless and until such default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property or securities or by set-off or otherwise), except payments or distributions made by the Trustee as permitted by Section 10.03, shall be made or agreed to be made on

account of the principal of, premium, if any, or interest on the Securities, or as a sinking fund for the Securities, or in respect of any redemption, retirement, purchase or other acquisition of any of the Securities.

(b) Upon the happening of an event of default with respect to any Senior Indebtedness, permitting the holders thereof to accelerate the maturity thereof (other than under circumstances when the terms of Section 10.01(a) are applicable), then, unless and until such event of default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property or securities or by set-off or otherwise), except payments or distributions made by the Trustee as permitted by Section 10.03, shall be made or agreed to be made on account of the principal of, or premium, if any, or interest on the Securities, or as a sinking fund for the Securities, or in respect of any redemption, retirement, purchase or other acquisition of any of the Securities, during any period:

(i) of 90 days after written notice of such default shall have been given to the Partnership by any holder of Senior Indebtedness; or

(ii) in which any judicial proceeding shall be pending in respect of such event of default and a notice of acceleration of the maturity of such Senior Indebtedness shall have been transmitted to the Partnership in respect of such event of default.

(c) In the event of

(i) any insolvency, bankruptcy, receivership, liquidation, reorganization, readjustment, composition or other similar proceeding relating to the Partnership, its creditors or its property;

(ii) any proceeding for the liquidation, dissolution or other winding-up of the Partnership, voluntary or involuntary, whether or not involving insolvency or bankruptcy proceedings;

(iii) any assignment by the Partnership for the benefit of creditors; or

(iv) any other marshalling of the assets of the Partnership,

all Senior Indebtedness (including any interest accruing after the commencement of such proceedings) shall first be paid in full before any payment or distribution, whether in cash, securities or other property, shall be made to any Holder of Securities on account of the Securities. Any payment or distribution, whether in cash, securities or other property (other than securities of the Partnership or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in this Article 10 with respect to the Securities, to the payment of all Senior Indebtedness at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), which would otherwise (but for the provisions of this Article 10) be payable or deliverable in respect of the Securities shall be paid or delivered directly to the holders of Senior Indebtedness in accordance with the priorities then existing among such holders until all Senior Indebtedness (including any interest thereon accruing after the commencement of any such proceedings) shall

have been paid in full.

(d) In the event that any Security shall be declared due and payable pursuant to Section 6.01 as the result of the occurrence of any one or more Events of Default in respect thereof, under circumstances when the terms of Section 10.01(c) are not applicable, no payment shall be made in respect of any Securities unless and until all Senior Indebtedness shall have been paid in full or such declaration and its consequences shall have been rescinded in accordance with this Indenture and all such Events of Default shall have been cured or waived.

(e) If any payment or distribution of any character or any security, whether in cash, securities or other property (other than securities of the Partnership or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in the provisions of this Article 10 with respect to the Securities, to the payment of all Senior Indebtedness at the time outstanding and to any securities issued in respect thereof under any such plan or reorganization or readjustment), shall be received by any Holder of Securities in contravention of any terms hereof and before all the Senior Indebtedness shall have been paid in full, such payment or distribution or security shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of the Senior Indebtedness at the time outstanding, in accordance with the priorities then existing among such holders for application to the payment of all Senior Indebtedness remaining unpaid, or, if applicable, to any trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payment or distribution of assets of the Partnership, to the extent necessary to pay all such Senior Indebtedness in full. In the event of the failure of any Holder of Securities to endorse or assign any such payment, distribution or security, each holder of Senior Indebtedness is hereby irrevocably authorized to endorse or assign the same.

(f) Nothing contained herein shall impair, as between the Partnership and the Holder of any Securities, the obligation of the Partnership to pay to the Holder thereof the principal thereof and interest thereon as and when the same shall become due and payable in accordance with the terms of such Security, or prevent the Holder of any Securities or the Trustee from exercising all rights, powers and remedies otherwise permitted by applicable law or pursuant to the terms of this Indenture and the Security, upon a default or Event of Default under this Indenture, all subject to the rights of the holders of the Senior Indebtedness to receive cash, securities or other property otherwise payable or deliverable to the Holders of the Securities.

(g) Senior Indebtedness shall not be deemed to have been paid in full unless the holders thereof shall have received cash equal to the amount of such Senior Indebtedness then outstanding. Upon the payment in full of all Senior Indebtedness, the Holders of Securities shall be subrogated to all rights of any holders of Senior Indebtedness to receive any further payments or distributions applicable to the Senior Indebtedness until all amounts owing on the Securities shall have been paid in full, and such payments or distributions received by the holders of the Securities by reason of such subrogation, of cash, securities or other property which otherwise would be paid or distributed to the

holders of Senior Indebtedness, shall, as between the Partnership and its creditors other than the holders of Senior Indebtedness, on the one hand, and the Holders of Securities, on the other hand, be deemed to be a payment by the Partnership on account of Senior Indebtedness and not on account of Securities.

The Partnership shall give prompt written notice to the Trustee of any insolvency, bankruptcy, receivership, liquidation, reorganization, readjustment, composition or other similar proceeding relating to the Partnership within the meaning of this Section 10.01. Upon any payment or distribution of assets of the Partnership referred to in this Article 10, the Trustee, subject to the provisions of Section 7.01, and the Holders of Securities shall be entitled to conclusively rely upon a certificate of the trustee in bankruptcy, receiver, assignee for the benefit of creditors or other liquidating agent making such payment or distribution, delivered to the Trustee or to the Holders of Securities, or upon an order or decree made by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, readjustment, composition or other similar proceedings are pending, for the purpose of ascertaining the person entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of the Partnership, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 10. In the absence of any such bankruptcy trustee, receiver, assignee, or other Person, the Trustee shall be entitled to conclusively rely upon a written notice by a Person representing itself, himself or herself to be a holder of Senior Indebtedness (or a trustee or representative on behalf of such holder) as evidence that such Person is a holder of such Senior Indebtedness (or is such a trustee or representative), the amount of or payable on and the amount or amounts paid or distributed on such Senior Indebtedness or other indebtedness, and all other facts pertinent to such Senior Indebtedness or other indebtedness.

In the event that the Trustee determines, in good faith, that further evidence is required with respect to the right of any person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Section 10.01, the Trustee may request such person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such person, as to the extent to which such person is entitled to participate in such payment or distribution, and as to other facts pertinent to the rights of such person under this Section 10.01, and if such evidence is not furnished, the Trustee may defer any payment to such person pending judicial determination as to the right of such person to receive such payment.

The rights of holders of Senior Indebtedness hereunder shall not extend or apply to any payment or distribution, whether in cash, securities or other property, to the extent applied to the Trustee's rights to or claims for compensation, reimbursement of expenses, liabilities or indemnification under Section 7.07 of the Indenture or otherwise. This Section 10.01 shall be subject to the further provisions of Section 10.03.

Section 10.02 Effectuation of Subordination by Trustee. Each Holder of Securities, by such Holder's acceptance thereof, authorizes and directs the Trustee in his behalf to take such action as may be necessary or appropriate to effectuate, as between the Holders of the Securities and the holders of Senior Indebtedness, the subordination provided in this Article 10 and appoints the Trustee his attorney-in-fact for any and all such purposes.

Section 10.03 Knowledge of Trustee. Nothing contained in this Article 10 or elsewhere in this Indenture, shall (a) prevent the Partnership from setting aside in trust or depositing with the Trustee or any Paying Agent, at any time, except during the pendency of any of the proceedings or upon the happening or continuance of any of the events referred to in Section 10.01, moneys for the payment of principal of, or premium, if any, or interest on, the Securities, or (b) prevent the application by the Trustee or Paying Agent of any moneys deposited with it hereunder at any time by or on behalf of the Partnership to the payment of or on account of the principal of, or the premium, if any, or interest on the Securities, if a Responsible Officer of the Trustee or the Paying Agent, as the case may be, did not receive the written notice provided for in this Section of any event prohibiting such application at least three (3) Business Days prior to the date of such application.

The Partnership shall give prompt written notice to the Trustee in the form of an Officers' Certificate of any fact known to the Partnership that would prohibit the making of any payment to or by the Trustee in respect of the Securities pursuant to this Article 10. Notwithstanding the provisions of this Article or any other provisions of this Indenture, the Trustee shall not be charged with knowledge of the existence of any Senior Indebtedness or of any default or event of default with respect to any Senior Indebtedness or any fact or facts which would prohibit the making of any payment of moneys to or by the Trustee, or the taking of any other action by the Trustee, and shall be entitled conclusively to assume that no such facts exist, unless and until a Responsible Officer of the Trustee shall have received written notice thereof in the form of an Officers' Certificate from the Partnership, from the Holder of such Securities, or from the holder or representative of any class of Senior Indebtedness who shall have been certified by the Partnership or otherwise established to the reasonable satisfaction of the Trustee to be such holder or representative or from the trustee under any indenture pursuant to which Senior Indebtedness shall be outstanding; provided, however, that if the Trustee shall not have received the written notice provided for in this Section at least three (3) Business Days prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of or interest on any Security) then, anything herein contained to the contrary notwithstanding, the Trustee shall have all power and authority to receive such money and to apply the same to the purpose for which such money was received and shall not be affected by any notice to the contrary which may be received by it during or after such three (3) Business Day period. Notwithstanding anything in this Article 10 to the contrary, nothing shall prevent any payment by the Trustee to the Holders of monies deposited with it pursuant to Section 8.01(a), and any such payment shall not be subject to the provisions of Section 10.01 or 10.02.

Section 10.04 Trustee's Relation to Senior Indebtedness. The Trustee shall be entitled to all rights set forth in this Article 10 with respect to any Senior Indebtedness at the time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in Section 7.11 or elsewhere in this Indenture shall deprive the Trustee of any of its rights as such holder. Nothing in this Article 10 shall subordinate to Senior Indebtedness the claims of, or payments to, the Trustee under or pursuant to Section 7.07, or otherwise in connection with any compensation, reimbursement or indemnification afforded the Trustee in connection with this Indenture.

With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article 10 and no implied covenants or obligations with respect to the holders of Senior Indebtedness shall

be read into this Indenture against the Trustee and the Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness and shall not be liable to any holder of Senior Indebtedness if it shall pay over or deliver to Holders, the Partnership or any other Person monies or assets to which any holder of Senior Indebtedness shall be entitled by virtue of this Article or otherwise.

Section 10.05 Rights of Holders of Senior Indebtedness Not Impaired. No right of any present or future holder of any Senior Indebtedness to enforce the subordination herein shall at any time or in any way be prejudiced or impaired by any act or failure to act on the part of the Partnership or by any non-compliance by the Partnership with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

ARTICLE 11 NOTE GUARANTEES

Section 11.01 Guarantee.

(a) Subject to this Article 11, the Guarantor hereby unconditionally guarantees to each Holder of Securities issued by [], authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Securities or the obligations of the Partnership hereunder or thereunder, that:

(1) the principal of, premium and liquidated damages, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of premium on, if any and interest on the Notes, if any, if lawful, and all other obligations of the Partnership to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantor will pay the same immediately. The Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Securities or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Securities with respect to any provisions hereof or thereof, the recovery of any judgment against the Partnership, any action to enforce the same or any other

circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. The Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Partnership, any right to require a proceeding first against the Partnership, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Securities and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Partnership, the Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either the Partnership or the Guarantor, any amount paid by either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) The Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. The Guarantor further agrees that, as between the Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantor for the purpose of this Guarantee.

Section 11.02 Limitation on Guarantor Liability.

The Guarantor, and by its acceptance of Securities, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantor hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of the Guarantor that are relevant under such laws.

Section 11.03 Execution and Delivery of Guarantee.

To evidence its Guarantee set forth in Section 11.01 hereof, the Guarantor hereby agrees that a notation of such Note Guarantee will be endorsed by an Officer of the Guarantor on each Security authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of the Guarantor by one of its Officers.

The Guarantor hereby agrees that its Guarantee set forth in Section 11.01 hereof will remain in full force and effect notwithstanding any failure to endorse on the Securities a notation of such Guarantee.

If an Officer whose signature is on this Indenture or on the Guarantee no longer holds that office at the time the Trustee authenticates the Securities on which a Guarantee is endorsed, the

Guarantee will be valid nevertheless.

The delivery of any Securities by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantor.

Re: Greystone Housing Impact Investors LP Registration Statement on Form S-3

To The Above Addressee:

We have acted as special counsel to Greystone Housing Impact Investors LP, a Delaware limited partnership (the “*Partnership*”), in connection with the filing on the date hereof with the Securities and Exchange Commission (the “*Commission*”) of a registration statement on Form S-3 (as amended, the “*Registration Statement*”), including a base prospectus (the “*Base Prospectus*”), which provides that it will be supplemented by one or more prospectus supplements (each such prospectus supplement, together with the Base Prospectus, a “*Prospectus*”), under the Securities Act of 1933, as amended (the “*Securities Act*”), relating to the registration for the issuance and sale of up to \$200,000,000 aggregate offering price of (i) beneficial unit certificates representing assigned limited partnership interests in the Partnership (“*BUCs*”); (ii) one or more series of preferred units representing limited partnership interests in the Partnership (“*Preferred Units*”); and (iii) one or more series of the Partnership’s debt securities, including senior debt securities and subordinated debt securities of the Partnership (collectively, the “*Debt Securities*”). The BUCs, Preferred Units, and Debt Securities are referred to collectively herein as the “*Securities*.” This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinions set forth below, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of this opinion letter. In addition, in rendering the opinions set forth below we have relied upon copies, certified or otherwise identified to our satisfaction, of such documents and records of the Partnership and other instruments as we deemed necessary or advisable for purposes of the opinions expressed herein, including (i) the Certificate of Limited Partnership of the Partnership, as amended; (ii) the Second Amended and Restated Agreement of Limited Partnership of the Partnership dated December 5, 2022, as amended (the “*Partnership Agreement*”); (iii) the Registration Statement; (iv) the Base Prospectus; (v) the forms of indenture, as filed with the Commission for the respective Debt Securities (including, as exhibits, proposed forms of instruments thereunder), providing for the issuance of the respective Debt Securities from time to time on the terms of such indenture (each such indenture, the “*Indenture*”); (vi) certain resolutions adopted by the Board of Managers of Greystone AF Manager LLC (“*Greystone*”), which is the general partner of the general partner of the Partnership; and (vii) such other certificates, instruments, and documents as we have considered necessary for purposes of this opinion letter. As to certain matters of fact material to

our opinions, we have relied, to the extent that we deem such reliance proper, upon and assumed the accuracy of the statements made in certificates of public officials and officers or other representatives of the Partnership and Greystone, and we have not otherwise independently investigated or verified such facts.

In connection with rendering the opinions set forth herein, we have assumed (i) all statements and information contained in all documents reviewed by us are true and correct; (ii) all signatures on all documents examined by us are genuine; (iii) all documents submitted to us as originals are authentic and all documents submitted to us as copies conform to the originals of those documents; (iv) the legal capacity of all natural persons; (v) the Registration Statement, and any amendments thereto (including post-effective amendments), will have become effective; (vi) if required by applicable law, one or more prospectus supplements to the Base Prospectus contained in the Registration Statement will have been prepared and filed with the Commission describing the Securities offered thereby; (vii) all Securities will be offered and sold in compliance with applicable federal and state securities laws and in the manner specified in the Registration Statement, the Base Prospectus, and the applicable prospectus supplement, if any; and (viii) the authority of all persons signing all documents submitted to us on behalf of the parties to such documents.

Based upon and subject to the assumptions, limitations, and qualifications set forth herein, we are of the opinion that:

1. With respect to the BUCs, when (a) the Partnership has taken all necessary action to approve the issuance of such BUCs, and (b) such BUCs have been issued and delivered in accordance with the terms of the applicable definitive purchase, underwriting, or similar agreement approved by the Partnership upon payment of the consideration therefor provided for therein, such BUCs will be duly authorized and validly issued under the Delaware Revised Uniform Limited Partnership Act (the “**DRULPA**”), and purchasers of the BUCs will not have any obligation to make payments to the Partnership or its creditors (other than the purchase price for the BUCs) or contributions to the Partnership or its creditors solely by reason of the purchasers’ ownership of the BUCs.
2. With respect to the Preferred Units, when (a) the Partnership has taken all necessary action to approve the issuance of such Preferred Units, the terms of the offering thereof and related matters and caused the Partnership Agreement to be amended to reflect the terms of the Preferred Units, and (b) such Preferred Units have been issued and delivered in accordance with the terms of the applicable definitive purchase, underwriting, or similar agreement approved by the Partnership upon payment of the consideration therefor provided for therein, such Preferred Units will be duly authorized and validly issued under the DRULPA, and purchasers of the Preferred Units will not have any obligation to make payments to the Partnership or its creditors (other than the purchase price for the Preferred Units) or contributions to the Partnership or its creditors solely by reason of the purchasers’ ownership of the Preferred Units.

3. With respect to the Debt Securities, when (a) the terms of the applicable Debt Securities and of their issuance and sale have been duly established in conformity with the Indenture and any supplement thereto, (b) the Indenture and any supplement thereto to be entered into in connection with the issuance of such Debt Securities have been duly authorized, executed, and delivered by the Partnership and an eligible trustee, (c) such Debt Securities have been duly authorized, executed, authenticated, issued, and delivered in accordance with the Indenture and any supplement thereto, and (d) such Debt Securities have been issued and delivered in the manner contemplated by the Registration Statement, the Base Prospectus, and the applicable prospectus supplement, if any, and in accordance with the terms of the applicable definitive purchase, underwriting, or similar agreement approved by the Partnership upon payment of the consideration therefor provided for therein, the Debt Securities so issued will constitute the legally valid and binding obligations of the Partnership, enforceable against the Partnership in accordance with their terms.

Insofar as the opinions expressed above relate to the validity, binding effect, or enforceability of any agreement or obligation of the Partnership, such opinions are subject to applicable bankruptcy, reorganization, insolvency, receivership, conservatorship, moratorium, fraudulent conveyance, or other similar laws affecting the rights of creditors now or hereafter in effect, and to equitable principles that may limit the right to specific enforcement of remedies and to the application of principles of public policy.

We express no opinion herein other than as expressly stated above. The opinions set forth herein are expressed as of the date hereof, and we disclaim any undertaking to advise the Partnership or any other party of any subsequent changes to the matters stated, represented, or assumed herein or any subsequent changes in applicable law.

The opinions set forth above are limited in all respects to matters of the laws of the State of New York, the DRULPA, and the federal laws of the United States of America, in each case as in effect on the date hereof. We express no opinion as to the effect of the laws of any other jurisdiction.

We hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement and to the reference to us under the heading “Legal Matters” in the Prospectus that is a part of the Registration Statement. However, in giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Very truly yours,

This opinion is being furnished in accordance with the requirements of Item 16 of Form S-3 and Item 601(b)(8) of Regulation S-K.

This opinion is based on various facts and assumptions, and is conditioned upon certain representations made by the Partnership as to factual matters through a certificate of an officer of the Partnership (the “**Officer’s Certificate**”). In addition, this opinion is based upon the factual representations of the Partnership concerning its business, properties, and governing documents as set forth in the Registration Statement, the Prospectus, and the Partnership’s responses to our examinations and inquiries.

In our capacity as special tax counsel to the Partnership, we have, with your consent, made such legal and factual examinations and inquiries, including an examination of originals or copies certified or otherwise identified to our satisfaction of such documents, corporate records, and other instruments, as we have deemed necessary or appropriate for purposes of this opinion. In our examination, we have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures thereon, the legal capacity of natural persons executing such documents, and the conformity to authentic original documents of all documents submitted to us as copies. For purposes of our opinion, we have not made an independent investigation or audit of the facts set forth in the above-referenced documents or representations. In addition, in rendering this opinion we have assumed the truth and accuracy of all representations and statements made to us that are qualified as to knowledge or belief, without regard to such qualification.

Based on such facts, assumptions, and representations and subject to the qualifications and limitations set forth herein, in the Registration Statement, the Prospectus, and the Officer's Certificate, the statements in the Registration Statement under the caption "Material U.S. Federal Income Tax Considerations," insofar as such statements purport to constitute summaries of United States federal income tax law and regulations or legal conclusions with respect thereto, constitute the opinion of Barnes & Thornburg LLP as to the material U.S. federal income tax consequences of the matters described therein.

We are opining herein as to the effect on the subject transaction only of the federal income tax laws of the United States and we express no opinion with respect to the applicability thereto, or the effect thereon, of other federal laws, foreign laws, the laws of any state or any other jurisdiction, or as to any matters of municipal law or the laws of any other local agencies within any state. No opinion is expressed as to any matter not discussed herein, and, as described in the Registration Statement and for the reasons set forth therein, we are unable to opine that interest on any mortgage revenue bond held by the Partnership is currently excludable from the gross income of a bondholder for federal income tax purposes.

This opinion is rendered to you as of the date hereof, and we undertake no obligation to update this opinion subsequent to the date hereof. This opinion is based on various statutory provisions, regulations promulgated thereunder, and interpretations thereof by the Internal Revenue Service and the courts having jurisdiction over such matters, all of which are subject to change either prospectively or retroactively. Also, any variation or difference in the facts from those set forth in the representations described above, including in the Registration Statement, the Prospectus, and the Officer's Certificate, may affect the conclusions stated herein.

This opinion is furnished to you, and is for your use in connection with the transactions set forth in the Registration Statement. This opinion may not be relied upon by you for any other purpose or furnished to, assigned to, quoted to or relied upon by any other person, firm or other entity, for any purpose, without our prior written consent, except that this opinion may be relied upon by persons entitled to rely on it pursuant to applicable provisions of U.S. federal securities law.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to this firm under the heading "Legal Matters" in the prospectus which is part of the Registration Statement. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Act or the rules or regulations of the Commission promulgated thereunder.

- (1) There are being registered hereunder such presently indeterminate number of beneficial unit certificates representing assigned limited partnership interests ("BUCs"), preferred units representing limited partnership interests ("Preferred Units"), and debt securities ("Debt Securities") of Greystone Housing Impact Investors LP which may be offered and sold in such amount as shall result in an aggregate offering price not to exceed \$200,000,000. This Registration Statement also covers an indeterminate amount of securities, if applicable, as may be issued in exchange for, or upon conversion or exercise of, as the case may be, the securities registered hereunder, including, pursuant to Rule 416 under the Securities Act of 1933, as amended (the "Securities Act"), any securities issuable upon a unit split, unit dividend, recapitalization, or similar event.
- (2) The maximum aggregate offering price has been estimated solely to calculate the registration fee in accordance with Rule 457(o) under the Securities Act.
- (3) Pursuant to Rule 415(a)(6) under the Securities Act, the securities registered pursuant to this Registration Statement include \$200,000,000 of unissued and unsold securities (the "Unsold Securities") previously registered by the registrant on the registrant's expiring Registration Statement on Form S-3 (File No. 333-268538), filed by the registrant on November 23, 2022, and declared effective on December 2, 2022 (the "Prior Registration Statement"). The Prior Registration Statement registered BUCs, Preferred Units, and Debt Securities for a proposed maximum aggregate offering price of \$300,000,000. In connection with the Prior Registration Statement, the registrant previously paid a registration fee of \$18,275 in respect of the Unsold Securities. Pursuant to Rule 457(p) of the Securities Act, the registrant hereby applies these unused registration fees from the Prior Registration Statement to offset the registration fees associated with this Registration Statement. To the extent that, after the filing date hereof and prior to the effectiveness of this Registration Statement, the registrant sells any Unsold Securities pursuant to the Prior Registration Statement, the registrant will identify in a pre-effective amendment to this Registration Statement the updated amount of Unsold Securities from the Prior Registration Statement to be included in this Registration Statement pursuant to Rule 415(a)(6) and the updated amount of any new securities to be registered on this Registration Statement. Pursuant to Rule 415(a)(6) under the Securities Act, the offering of the Unsold Securities under the Prior Registration Statement will be deemed terminated as of the date of effectiveness of this Registration Statement. As a result of the above, \$9,345 of new registration fees are payable in connection with the offering of new securities under this Registration Statement.
